TRADEMARKS SECURITY AGREEMENT

This **TRADEMARKS SECURITY AGREEMENT** (this "Trademarks Security Agreement"), effective as of June 4, 2007 is made by **GRANITE BROADCASTING CORPORATION**, a corporation duly organized and validly existing under the laws of Delaware (the "Company"), and each of **THE SUBSIDIARIES OF THE COMPANY** listed as a "Grantor" on the signature page hereto (collectively with the Company, the "Grantors") in favor of **SILVER POINT FINANCE, LLC**, as collateral agent (the "Collateral Agent") for the benefit of the Secured Parties (as defined in the Security Agreement hereinafter defined).

WITNESSETH:

WHEREAS, the Grantors have contemporaneously with the execution of this Trademarks Security Agreement entered into the Pledge and Security Agreement dated as of June 4, 2007 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), pursuant to which the Grantors have granted to the Collateral Agent for the benefit of the Secured Parties a continuing security interest in all Intellectual Property (as defined in the Security Agreement), including the Trademark Collateral (as defined in the Security Agreement); and

WHEREAS, pursuant to the Security Agreement, the Grantors have agreed with the Collateral Agent and the Secured Parties to execute this Trademarks Security Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors hereby grant to the Collateral Agent for the benefit of the Secured Parties, to the extent provided in the Security Agreement (the terms and conditions of which are hereby incorporated herein), a security interest in all of their right, title and interest in, to and under all the Trademark Collateral, whether now owned or at any time hereafter acquired, of the Grantors that are registered with, or for which applications for registration have been filed with, the United States Patent and Trademark Office, including without limitation the trademarks listed on the attached Schedule of Registered Trademarks, and all registrations and pending applications associated therewith (excluding any application for registration of a trademark filed on an intent-to-use basis solely to the extent that the grant of a security interest in any such trademark application would materially adversely affect the validity or enforceability of the resulting trademark registration or result in cancellation of such trademark application), as collateral security for the prompt and complete payment and performance when due of all the Secured Obligations (as defined in the Security Agreement). Notwithstanding the foregoing, in the event of any conflict between this Trademarks Security Agreement and the Security Agreement, the Security Agreement shall control.
