(vi) the goodwill of such Borrower's business connected with and symbolized by the Marks;

provided, however, that there shall be excluded from the foregoing grant of security interest any of the existing Licenses to which any Borrower is a licensee (and any Patents, Marks and Copyrights currently licensed by others to any Borrower pursuant to such Licenses) in each case to the extent (but only to the extent) that the applicable License lawfully prohibits such grant; provided further, however, that, upon Agent's reasonable request, each Borrower will use its good faith reasonable efforts to obtain any consent needed to subject any such property to this grant of security interest.

3. **Restrictions on Future Agreements.** Each Borrower agrees and covenants that until the Liabilities shall have been satisfied in full and the Credit Agreement shall have been terminated, such Borrower will not, without Agent's prior written consent, take any action or enter into any agreement, including, without limitation entering into any license agreement, which is inconsistent with such Borrower's obligations under this Agreement, and each Borrower further agrees and covenants that without Agent's prior written consent it will not take any action, or permit any action to be taken by others subject to its control, including its licensees, or fail to take any action which would affect the validity or enforcement or nature of the rights transferred to Agent under this Agreement unless and to the extent that such Borrower has concluded in the exercise of reasonable commercial judgment that any such rights are no longer of material importance to the business of such Borrower. Each Borrower agrees and covenants not to sell or assign its interest in, or grant any license under, the Patents, Marks, Copyrights or Licenses, without receiving the prior written consent of Agent thereto.

4. **Certain Covenants, Representations and Warranties of each Borrower.** Each Borrower covenants, represents and warrants (to the best of such Borrower's knowledge with respect to any Patents, Marks and Copyrights which are licensed by third parties to such Borrower) that: (i) the Patents, Marks, Copyrights and Licenses are subsisting, have not been adjudged invalid or unenforceable in whole or in part, and are not currently being challenged in any way; (ii) none of the Patents, Marks, Copyrights and Licenses have lapsed or expired or have been abandoned, whether due to any failure to pay any maintenance or other fees or make any filing or otherwise; (iii) each of the Patents, Marks, Copyrights and Licenses is valid and enforceable and such Borrower is unaware of any invalidating prior art (including public uses and sales) relative to the Patents, and is unaware of any impairments to the Patents, Marks, Copyrights or Licenses which would have a material adverse effect on the validity and/or enforceability of the Patents, Marks, Copyrights or Licenses; (iv) to the best of such Borrower's knowledge, no claim has been made that the use of any of the Patents, Marks, Copyrights or Licenses constitutes an infringement; (v) such Borrower owns the entire right, title and interest in and to each of the Patents, Marks and Copyrights (other than those being licensed to such Borrower pursuant to the Licenses) free and clear of any Liens and encumbrances of every kind and nature, and the Licenses are valid and subsisting licenses with respect to the Patents, Marks, Copyrights described therein, free and clear of any Liens and encumbrances of every kind and nature arising by, through or under such Borrower, in each case except for (A) rights granted by such Borrower pursuant to the applicable licenses listed on Schedules C and E, and (B) Liens

and encumbrances in favor of Agent pursuant to this Agreement or the other Loan Documents; (vi) the Patents, Marks and Copyrights and Licenses listed on Schedules A, B, C, D and E constitute all such items in which such Borrower has any right, title or interest; (vii) such Borrower has the unqualified right to enter into this Agreement and perform its terms; (viii) such Borrower will continue to use proper statutory notice in connection with its use of the Patents, Marks and Copyrights (except as to any thereof which is no longer material to such Borrower's business); and (ix) such Borrower will use standards of quality in its manufacture of products sold under the Marks consistent with those currently employed by it.

5. New Patents, Marks, Copyrights and Licenses. If, before the Liabilities shall have been satisfied in full and the Credit Agreement shall have been terminated, any Borrower shall (i) obtain rights to any new patentable inventions, trademarks, service marks, trademark or service mark registrations, copyrights, copyright registrations, trade names or licenses, or (ii) become entitled to the benefit of any patent, trademark or service mark application, trademark, service mark, trademark or service mark registration, copyrights, copyright registrations, license or license renewal, or patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent or any improvement on any Patent, the provisions of Section 2 above shall automatically apply thereto and such Borrower shall give to Agent prompt written notice thereof. Each Borrower hereby authorizes Agent to modify this Agreement by noting any future acquired Patents, Marks, Copyrights on Schedule A, B or D and any Licenses and licensed Patents, Marks or Copyrights on Schedules C or E, as applicable; provided, however, that the failure of Agent to make any such notation shall not limit or affect the obligations of any Borrower or rights of Agent hereunder.

6. Royalties; Terms. Each Borrower hereby agrees that the security interest of Agent in all Patents, Marks, Copyrights and Licenses as described above shall be worldwide (or in the case of the Patents, Marks and Copyrights licensed to an Borrower such smaller geographic location if any is specified for such Borrower's use in the applicable License) and, without any liability for royalties or other related charges from Agent to such Borrower. The term of the security interest granted herein shall extend until the earlier of (i) the expiration of each of the respective Patents, Marks, Copyrights and Licenses assigned hereunder, or (ii) satisfaction in full of the Liabilities and termination of the Credit Agreement.

7. Inspection. From and after the occurrence and during the continuance of an Event of Default and notice by Agent to each Borrower of Agent's intention to enforce its rights and claims against any of the Patents, Marks, Copyrights and Licenses, each Borrower agrees that Agent, or a conservator appointed by Agent, shall have the right to establish such additional product quality controls as Agent or said conservator, in its sole judgment, may deem necessary to assure maintenance of the quality of products sold by such Borrower under the Marks consistent with the quality of products now manufactured by such Borrower.

8. Termination of Each Borrower's Interest. This Agreement is made for collateral purposes only. Upon satisfaction in full of the Liabilities and termination of the Credit Agreement, subject to any disposition thereof which may have been made by Agent pursuant hereto or pursuant to any of the other Loan Documents, the security interest granted hereunder

shall automatically be extinguished. Agent shall, at each Borrower's reasonable expense, execute and deliver to such Borrower, all termination statements and other instruments as may be necessary or proper to evidence the termination of Agent's security interest granted to Agent pursuant to this Agreement, subject to any disposition thereof which may have been made by Agent pursuant hereto or pursuant to any of the other Loan Documents. Any such termination statements and instruments shall be without recourse upon or warranty by Agent.

9. **Duties of the Borrowers.** Except to the extent the same is no longer material to such Borrower's business, each Borrower shall have the duty (i) to prosecute diligently any patent application of the Patents, any application respecting the Marks, and any copyright application of the Copyrights pending as of the date hereof or thereafter, (ii) to make application on unpatented but patentable inventions and on registerable but unregistered trademarks, service marks and copyrights, and (iii) to preserve, maintain and enforce against infringement all rights in patent applications and patents constituting the Patents, in trademark or service mark applications, trademarks, service marks, and trademark or service mark registrations constituting the Marks, and in copyright applications, copyrights and copyright registrations constituting the Copyrights. Any expenses incurred in connection with the foregoing (including, but not limited to, maintenance or renewal fees) shall be borne by the Borrowers. Except to the extent the same is no longer material to such Borrower's business, each Borrower shall not abandon any pending patent application, trademark application, copyright application, service mark application, patent, trademark, service mark or copyright without the written consent of Agent.

10. **Agent's Right to Sue.** From and after the occurrence and during the continuance of an Event of Default, Agent shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Patents, the Marks, the Copyrights and the Licenses, and any licenses thereunder, and, if Agent shall commence any such suit, each Borrower shall, at the request of Agent, do any and all lawful acts and execute any and all proper documents reasonably required by Agent in aid of such enforcement, and each Borrower shall promptly, upon demand, reimburse and indemnify Agent for all reasonable costs and expenses incurred by Agent in the exercise of its rights under this Section 10.

11. **Waivers.** No course of dealing between any Borrower and Agent, nor any failure to exercise, nor any delay in exercising, on the part of Agent, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

12. **Severability.** The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

13. **Modification.** This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

14. **Further Assurances.** Each Borrower shall execute and deliver to Agent, at any time or times hereafter at the request of Agent, all papers (including, without limitation, any as may be deemed desirable by Agent for filing or recording with any Patent and Trademark Office, and any successor thereto) and take all such actions (including, without limitation, paying the cost of filing or recording any of the foregoing in all public offices reasonably deemed desirable by Agent), as Agent may request, to evidence Agent's interest in the Patents, Marks, Copyrights and Licenses and the goodwill associated therewith and enforce Agent's rights under this Agreement.

15. **Cumulative Remedies; Power of Attorney; Effect on Loan Documents.** All of Agent's rights and remedies with respect to the Patents, Marks, Copyrights and Licenses, whether established hereby, by any of the Loan Documents or otherwise, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Each Borrower hereby constitutes and appoints Agent as such Borrower's true and lawful attorney-in-fact, with full power of substitution in the premises, with power at any time after the occurrence and during the continuance of an Event of Default, to (i) endorse such Borrower's name on all applications, documents, papers and instruments determined by Agent as necessary or desirable for Agent in the use of the Patents, Marks, Copyrights and Licenses, (ii) take any other actions with respect to the Patents, Marks, Copyrights and Licenses as Agent deems in good faith to be in the best interest of Agent, (iii) grant or issue any exclusive or non-exclusive license under the Patents, Marks or Copyrights to any Person, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Patents, Marks, Copyrights or Licenses to any Person. Each Borrower hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Liabilities shall have been satisfied in full and the Credit Agreement shall have been terminated. Each Borrower acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Agent under the Credit Agreement or any of the Loan Documents but rather is intended to facilitate the exercise of such rights and remedies. Agent shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Marks, Copyrights or Licenses may be enforced. Each Borrower hereby releases Agent from any and all claims, causes of action and demands at any time arising out of or with respect to any actions taken or omitted to be taken by Agent under the powers of attorney granted herein.

16. **Binding Effect; Benefits.** This Agreement shall be binding upon each Borrower and its respective successors and assigns and shall inure to the benefit of Agent and its respective successors, assigns and nominees.

17. **Governing Law.** This Agreement shall be deemed to have been executed and delivered in Chicago, Illinois, and shall be governed by and construed in accordance with the internal laws (as opposed to conflicts of law provisions) of Illinois.
