INTELLECTUAL PROPERTY ASSIGNMENT

This Assignment of Intellectual Property (the "Agreement"), effective as of March 15, 2007, is between GREGORY MARC ADELMAN, an individual ("Assignor") and INKA CORPORATION, a Colorado corporation ("Assignee").

WHEREAS, Assignor is the owner of all right, title and interest in and to various items of intellectual property related to any and all products marketed as any of one or more of the following: (a) multi-function writing instrument (namely, any pen that can also function as a stylus, flashlight, pencil, quick-use writing instrument, etc.), (b) writing instrument designed to utilize o-rings for all weather sealing or snap fits, (c) writing instrument that utilizes a pressurized ink cartridge, or other type of cartridge, which allows for 'Write Anywhere' functionality, and (d) any pens utilizing or incorporating any intellectual property owned by Assignor (collectively "High Technology Pens"); and

WHEREAS, pursuant to the terms of the Asset Purchase Agreement between Assignor, Assignee and Nite Ize, Inc. dated as of March 15, 2007, Assignor desires to assign to Assignee all right, title and interest in and to this intellectual property as a successor to the ongoing and existing High Technology Pens business of the Assignor to which such trademarks pertain.

NOW THEREFORE, in consideration of the mutual promises and covenants made herein, and for other good and valuable consideration, the sufficiency, receipt and adequacy of which are hereby acknowledged, the parties hereto agree as follows:

1. **DEFINITION OF INTELLECTUAL PROPERTY**

"Intellectual Property" means any rights in and to the intellectual property rights of Assignor related to High Technology Pens created or arising prior to March 15, 2007, including but not limited to: (i) trademarks and service marks (registered or unregistered), trade dress, trade names and other marks and slogans embodying business or service goodwill or indications of origin, all or that part of any applications or registrations in any jurisdiction pertaining to the foregoing and all goodwill associated therewith including, without limitation, the marks set forth on Exhibit A attached hereto; (ii) works of expression including any copyrights (registered and unregistered) in software, writings, designs, plans, websites, mask works or other works, and applications or registrations in any jurisdiction for the foregoing; (iii) inventions whether patented or unpatented, patentable or unpatentable, including all currently issued patents and pending applications (and any and all patents that later issue therefrom and any and all patent applications that later claim priority thereto in any manner) in any jurisdiction including, without limitation, the patents and patent applications set forth on Exhibit B; (iv) domain names, domain registrations and registration rights, uniform resource locators, internet and worldwide web sites, internet addresses, and phone numbers, including, without limitation, the domain names set forth on Exhibit C; and (v) trade secrets and other confidential information, and any discoveries, improvements, ideas, know-how, formulae, methodologies, processes, technology concepts, computer programs, technical data, memoranda, notes, reports, financial and technical information, proprietary information, proprietary processes, books, records, instruments and other information.

2. ASSIGNMENT OF INTELLECTUAL PROPERTY

(a) Assignor does hereby sell, assign, transfer and set over to Assignee, its successors, assigns and legal representatives, all right, title and interest held by Assignor in and to the marks set forth on Exhibit A attached hereto (the "Marks"), and any related registrations therefor, together with the goodwill of the business symbolized by the Marks throughout the world.

(b) Assignor does hereby sell, assign, transfer and set over to Assignee, its successors, assigns and legal representatives, all right, title and interest held by Assignor in and to its copyrighted works related to High Technology Pens created or arising prior to March 15, 2007, including software, writings, designs, plans, websites, and mask works (the "Works"), and any related registrations therefor throughout the world.

(c) Assignor does hereby sell, assign, transfer and set over to Assignee, its successors, assigns and legal representatives, all right, title and interest held by Assignor in and to the patents and patent applications set forth on Exhibit B attached hereto (the "Patents"), and any divisionals, continuations, continuations-in-part, reissues, reexaminations, and corresponding foreign patents and patent applications therefor throughout the world.

(d) Assignor does hereby sell, assign, transfer and set over to Assignee, its successors, assigns and legal representatives, all right, title and interest held by Assignor in and to the domain names and internet addresses set forth on Exhibit C attached hereto (the "Domain Names").

(e) Assignor does hereby sell, assign, transfer and set over to Assignee, and Assignee agrees to accept, all right, title and interest in and to all other Intellectual Property owned, held or controlled by Assignor related to High Technology Pens created or arising prior to March 15, 2007.

(f) Assignor also assigns unto Assignee all claims for damages by reason of infringement or misappropriation of the Intellectual Property assigned under Sections 2(a)-2(e) that occurred prior to the Effective Date, throughout the world, with the right to sue for and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives.

(g) Assignor does hereby assign, transfer and set over to Assignee, its successors, assigns and legal representatives, its rights, benefits, and standing under any licenses by which Assignor licenses Intellectual Property related to High Technology Pens created or arising prior to March 15, 2007.

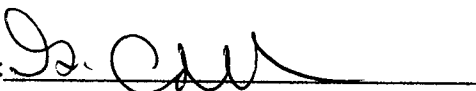

(h) The Security Agreement dated June 27, 2007 between Nite Ize, Inc., Assignor and Assignee shall remain in full force and effect.

3. FURTHER ASSURANCES

(a) Assignor also agrees to, at the expense of Assignee, testify in any legal proceedings, sign all lawful papers, execute all documents, make lawful oaths, testimony, and declarations, and generally do everything possible to vest title of such Intellectual Property in Assignor, its successors or assigns, and to aid Assignor, its successors or assigns to obtain and enforce proper protection for such Intellectual Property in all countries.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first set forth above.
