THE EXERCISE BY THE COLLATERAL AGENT OR ANY OF THE SECURED PARTIES OF THEIR RIGHTS HEREUNDER IS SUBJECT TO THE TERMS, CONDITIONS AND RESTRICTIONS OF THE INTERCREDITOR AGREEMENT REFERRED TO IN SECTION 7 BELOW

TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of August 16, 2007 (this "Agreement"), is made by Mitel Networks Corporation, a company organized under the laws of Canada (the "Grantor"), in favor of MORGAN STANLEY & CO. INCORPORATED, as the collateral agent (together with its successor(s) thereto in such capacity, the "Collateral Agent") for each of the Secured Parties.

W I T N E S S E T H :

WHEREAS, pursuant to a Credit Agreement, dated as of August 16, 2007 (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Credit Agreement"), among Mitel Networks Corporation, a company organized under the laws of Canada (the "Canadian Borrower"), Mitel Networks, Inc., a Delaware corporation ("MNI"), Mitel US Holdings, Inc., a Delaware corporation ("Holdings"), Arsenal Acquisition Corporation, a Delaware corporation ("MergerSub"), Inter-Tel (Delaware), Incorporated, a Delaware corporation (together with MNI, Holdings and MergerSub, collectively, the "U.S. Borrowers"; the U.S. Borrowers together with the Canadian Borrower, collectively the "Borrowers"), the various financial institutions and other Persons (as defined therein) from time to time parties thereto which extend Commitments (as defined therein) to make Credit Extensions (as defined therein to the Borrowers (the "Lenders"), Morgan Stanley Senior Funding (Nova Scotia) Co. ("MSSF Canada"), as the Canadian Administrative Agent, Morgan Stanley Senior Funding, Inc., (together with MSSF Canada, "Morgan Stanley") as the U.S. Administrative Agent, the Collateral Agent, Morgan Stanley and Merrill Lynch Pierce, Fenner & Smith Incorporated ("Merrill Lynch"), as the Co-Syndication Agents, and Morgan Stanley and Merrill Lynch, as the Arrangers, the Lenders and the Issuers (as defined in the Credit Agreement) have extended Commitments to make Credit Extensions to the Borrowers;

WHEREAS, in connection with the Credit Agreement, the Grantor has executed and delivered a Canadian Pledge and Security Agreement, dated as of August 16, 2007 (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Security Agreement");

WHEREAS, pursuant to the Credit Agreement and pursuant to clause (e) of Section 4.5 of the Security Agreement, the Grantor is required to execute and deliver this Agreement and to grant to the Collateral Agent for its benefit and the notable benefit of each other Secured Party a continuing security interest in all of the Trademark Collateral (as defined below) to secure all Obligations; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees, for the benefit of each Secured Party, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided (or incorporated by reference) in the Security Agreement.

SECTION 2. Grant of Security Interest. The Grantor hereby assigns, pledges, hypothecates, charges, mortgages, delivers, and transfers to the Collateral Agent, for its benefit and the ratable benefit of each other Secured Party, and hereby grants to the Collateral Agent, for its benefit and the ratable benefit of each other Secured Party, a continuing security interest in all of the following property, whether now or hereafter existing or acquired by the Grantor (the "Trademark Collateral"):

- (a) (i) all of its trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos and other source or business identifiers in each case throughout the world, and all goodwill of the business associated therewith, now existing or hereafter adopted or acquired including those referred to in Item A of Schedule I hereto, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications in the Canadian Intellectual Property Office or in any office or agency of Canada or any province or territory thereof or any other country or political subdivision thereof or otherwise, and all common-law rights relating to the foregoing, and (ii) the right to obtain all reissues, extensions or renewals of the foregoing (collectively referred to as the "Trademark"), with the exception of those Intent-to-Use trademark applications in respect of which the granting of a security interest therein would be void or illegal under any applicable governmental law, rule, or regulation, or pursuant thereto would result in or permit the termination thereof;
- (b) all Trademark licenses for the grant by or to the Grantor of any right to use any Trademark throughout the world, including each Trademark license referred to in Item B of Schedule I hereto, with the exception of those licenses or other agreements that the grant of the security interest therein would (A) constitute a violation of a valid and enforceable restriction in favour of a third party on such grant, unless and until any required consents shall have been obtained, or (B) give any other party to such license or other agreement the right to terminate its obligations thereunder;
- (c) all of the goodwill of the business connected with the use of, and symbolized by the items described in, clause (a), and to the extent applicable clause (b);
- (d) the right to sue third parties for past, present and future infringements of any Trademark Collateral described in clause (a) and, to the extent applicable, clause (b); and

- (e) all Proceeds of, and rights associated with, the foregoing, including any claim by the Grantor against third parties for past, present or future infringement or dilution of any Trademark, Trademark registration or Trademark license, or for any injury to the goodwill associated with the use of any such Trademark or for breach or enforcement of any Trademark license and all rights corresponding thereto throughout the world.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by the Grantor for the purpose of registering the security interest of the Collateral Agent in the Trademark Collateral with the Canadian Intellectual Property Office and corresponding offices in other countries of the world. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Collateral Agent for its benefit and the ratable benefit of each other Secured Party under the Security Agreement. The Security Agreement (and all rights and remedies of the Collateral Agent and each Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Release of Liens. Upon (i) the Disposition of Trademark Collateral in accordance with the Credit Agreement or (ii) the occurrence of the Termination Date, the security interests granted herein shall automatically terminate with respect to (A) such Trademark Collateral (in the case of clause (i)) or (B) all Trademark Collateral (in the case of clause (ii)). Upon any such Disposition or termination, the Collateral Agent will, at the Grantor's sole expense, deliver to the Grantor, without any representations, warranties or recourse of any kind whatsoever, all Trademark Collateral held by the Collateral Agent hereunder, and execute and deliver to the Grantor such documents as the Grantor shall reasonably request to evidence such termination.

SECTION 5. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 6. Loan Document. This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof, including Article XI thereof.

SECTION 7. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the exercise of any right or remedy by the Collateral Agent or any Security Party hereunder is subject to the terms, conditions and provisions of the Intercreditor Agreement in all respects. In the event of any conflict between the terms of the Intercreditor Agreement and this Security Agreement, the terms of the Intercreditor Agreement shall govern and control in all respects.

SECTION 8. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile (or other electronic) transmission shall be effective as a delivery of a manually executed counterpart of this Agreement.
