INTELLECTUAL PROPERTY ASSIGNMENT

Whereas Cardinal Growth L.P., a Delaware limited partnership (hereinafter referred to as "Assignor") obtained the entire right, title and interest to, or obtained a lien on, all of the intellectual property identified in the attached Exhibit A (the "Intellectual Property") through an assignment document titled "Assignment of United States Patents" from Permcharge Corporation, the assignment being duly recorded with the U.S. Patent and Trademark Office at reel/frame number 012428/0339;

Whereas Permcharge Corporation (hereinafter referred to as "Assignee") met all obligations to the Assignor regarding a Loan Agreement between the Assignor and Assignee dated October 23, 2001;

Whereas Assignor agrees and acknowledges that it was obligated to assign the entire rights, title, and interest in and to, and release any liens concerning, the Intellectual Property to Assignee in the United States or in any and all foreign countries as early as December 31, 2004, so that Assignee was the owner of all rights, title and interest to the Intellectual Property as early as December 31, 2004;

Now, therefore, in view of the above premises and good and valuable consideration, the receipt whereof is hereby acknowledged, Assignor does hereby sell, assign, and transfer unto Assignee all right, title and interest in and to the Intellectual Property, including a full release of any claim of lien, in the United States and foreign countries, and the entire right, title, and interest in and to any and all intellectual property which may be issued thereon in the United States and in any and all foreign countries and in and to any and all divisions, reissues, continuations, renewals and extensions thereof.

Assignor hereby authorizes and requests the United States Patent and Trademark Office to identify the Assignee as the sole owner of the Intellectual Property for the sole use and enjoyment of Assignee, its successors, and assigns.

Further, Assignor agrees to communicate to Assignee any facts known to Assignor respecting the Intellectual Property, and to testify in any legal proceedings, to sign all lawful papers, to execute all divisions, continuations, substitutions, renewals, and reissue applications, to execute all necessary assignment papers, to cause any and all the Intellectual Property to be issued to Assignee, to make all rightful oaths and generally to do everything necessary or desirable to aid Assignee, its successors, and assigns to obtain and enforce proper protection for the Intellectual Property.

Assignor hereby covenants that no assignment, sale agreement or encumbrance has, or will be made or entered into, which would conflict with this assignment.

I hereby acknowledge by my signature that I have read the foregoing and understand its contents and my rights and obligations thereunder and that I have had the opportunity to consult legal counsel prior to my signature. I also hereby acknowledge that I am an officer of the Assignor with the power to execute this Intellectual Property Assignment on behalf of Cardinal Growth, L.P.
