This Deed shall remain in full force and effect as a continuing security for the Secured Liabilities, notwithstanding any settlement of account or intermediate payment or other matter or thing whatsoever, unless and until the Security Trustee discharges this Deed in writing.

21.3 Discharge conditional

Any release, discharge or settlement between any Charging Company and the Security Trustee shall be deemed conditional upon no payment or security received by the Security Trustee in respect of the Secured Liabilities being avoided or reduced or ordered to be refunded pursuant to any provision of any enactment relating to insolvency, bankruptcy, winding-up, administration or receivership and, notwithstanding any

such release, discharge or settlement the Security Trustee shall be entitled to recover the value or amount of such security or payment from the Charging Company concerned subsequently as if such settlement, discharge or release had not occurred and each Charging Company agrees with the Security Trustee accordingly and charges the Charged Property and the proceeds of sale thereof with any liability under this Clause, whether actual or contingent.

22 Further assurance

As and when required by the Security Trustee (acting reasonably) each Charging Company, at its own cost, shall execute such further legal or other mortgages, charges or transfers in favour of the Security Trustee as the Security Trustee shall from time to time require over all or any part of the Charged Property, further to secure the payment of the Secured Liabilities, such further mortgages, charges or transfers to be prepared at the cost of the Charging Companies and to contain a power of sale and such other clauses for the benefit of the Security Trustee as the Security Trustee may reasonably require.

23 Indulgence

The Security Trustee may in its discretion grant time or other indulgence or make any other arrangement, variation or release with any person or persons not party hereto (whether or not such person or persons are jointly liable with any of the Principal Debtors) in respect of any of the Secured Liabilities or of any other security therefor without prejudice either to this Deed or to the liability of the Charging Companies for the Secured Liabilities.

24 Costs

Each Charging Company shall pay or reimburse to the Security Trustee and any Receiver, within 3 Business Days of demand, on a full indemnity basis, all costs, charges and expenses (including legal fees) in any way incurred by the Security Trustee and/or the Receiver in relation to the operation (but not the negotiation) of this Deed or the Charged Property or in protecting, perfecting preserving or enforcing (or attempting to do so) any of the Security Trustee's rights under this Deed or in suing for or recovering any of the Secured Liabilities (including the costs of any proceedings in relation to this Deed or the Secured Liabilities).

25 New accounts; set-off

25.1 New accounts

If the Security Trustee receives notice of any subsequent charge or other interest affecting all or part of the Charged Property the Security Trustee may open a new account or accounts for the relevant Charging

Company in its books and (without prejudice to the Security Trustee's right to combine accounts) no money paid to the credit of such Charging Company in any such new account will be appropriated towards or have the effect of discharging any part of the Secured Liabilities. If the Security Trustee does not open a new account or accounts immediately on receipt of such notice then unless the Security Trustee gives express written notice to the contrary to the relevant Charging Company as from the time of receipt of such notice by the Security Trustee all payments made by the relevant Charging Company to the Security Trustee in the absence of any express appropriation by such Charging Company to the contrary shall be treated as having been credited to a new account of such Charging Company and not as having been applied in reduction of the Secured Liabilities and interest shall, in each case, accrue on such amounts at the rate at which interest is charged on the Secured Liabilities which would otherwise have been discharged.

25.2 Security Trustee set-off rights

If the Security Trustee shall have more than one account for any Charging Company in its books the Security Trustee may at any time after the security constituted by this Deed has become enforceable or the Security Trustee has received notice of any subsequent charge or other interest affecting all or any part of the Charged Property and without prior notice in that behalf forthwith transfer all or any part of the balance standing to the credit of any such account to any other such account which may be in debit but the Security Trustee shall notify the relevant Charging Company of the transfer having been made.

26 Miscellaneous

A certificate by the Security Trustee as to any amount for the time being due to it from any Charging Company shall be conclusive evidence of the amount so due in the absence of any manifest error.

27 Demands and notices

27.1 Mode of service

Any demand for payment and any other demand, notice, consent or communication made or given on or to a Charging Company or the Security Trustee under or in connection with this Deed may be left at the relevant address for such Charging Company or the Security Trustee referred to in Clause 36.2 of the Senior Facilities Agreement or sent there by first class post or facsimile. Any demand on a Charging Company shall be validly made whether or not it contains an accurate statement of the amount of the Secured Liabilities.

27.2 Delivery

Any demand for payment and any other demand, notice, consent or communication made by or given on or to a Charging Company or the Security Trustee shall be effective when delivered or deemed delivered in accordance with Clause 36.3 of the Senior Facilities Agreement.

28 Rights cumulative

The rights and powers which this Deed confers on the Security Trustee are cumulative, may be exercised as often as the Security Trustee considers appropriate, and are in addition to its rights and powers under the general law. The rights of the Security Trustee (whether arising under this Deed or under the general law) shall not be capable of being waived or varied otherwise than by an express waiver or variation in writing; and, in particular, any failure to exercise or any delay in exercising any such right shall not operate as a variation or waiver of that or any other such right; any defective or partial exercise of any such right shall not preclude any other or further exercise of that or any other such right; and no act or course of conduct or negotiation on its part or on its behalf shall in any way preclude the Security Trustee from exercising any such right or constitute a suspension or variation of any such right.

29 Consolidation

The restriction on the right of consolidating mortgages contained in Section 93 of the Law of Property Act 1925 shall not apply to this Deed.

30 No set-off

Each Charging Company waives any right of set-off it may have now or at any time in the future in respect of the Secured Liabilities (including sums payable by such Charging Company under this Deed).

31 Assignment and transfer

31.1 Assignment by Security Trustee

No Charging Company may assign any of its rights or transfer any of its obligations under this Deed or enter into any transaction which would result in any of these rights or obligations passing to another person.

32 Disclosure

Each Charging Company hereby consents to the disclosure by the Security Trustee of any information about it, this Deed, the Charged Property and the Secured Liabilities, subject to clause 29.8 of the Senior Facilities Agreement which shall be deemed incorporated herein, mutatis mutandis.

32.1 Disclosure to Security Trustee's assignee

to any person to whom the Security Trustee has assigned or transferred or proposes or may propose to assign or transfer all or any of its rights and benefits under this Deed or the Secured Liabilities; or

32.2 Disclosure to contracting parties

to any person with whom the Security Trustee has entered or proposes or may propose to enter into any contractual arrangements in connection with this Deed or the Secured Liabilities; or

32.3 Disclosure to agent

to any subsidiary or agent of the Security Trustee; or

32.4 Other disclosure

to any other person if required or permitted by law to do so.

33 Severability

If any of the provisions of this Deed is or becomes invalid or unenforceable, the validity and enforceability of the remaining provisions shall not be affected or impaired thereby.

34 Release

Subject to Clause 21.3 (*Discharge conditional*), upon the expiry of the Security Period (but not otherwise) the Security Trustee shall at the request and cost of the Charging Companies, take whatever action is necessary to release the Charged Property from the security constituted by this Deed.

11 Power of Attorney

- 11.1 The Company by way of security hereby irrevocably appoints the Security Trustee as attorney (with full power to appoint substitutes and to delegate) for the Company, in its name and on its behalf, and as its act and deed or otherwise to execute and deliver and otherwise perfect any agreement, assurance, deed, instrument or document, or perform any act, which may be required of the Company under this Deed, or may be deemed by such attorney necessary or desirable for any purpose of this Deed or to enhance or perfect the security intended to be constituted by it including, without limitation:

- 11.2 Without prejudice to the generality of the provisions contained in clause 11.1 (*Power of Attorney*), the Company hereby covenants with the Security Trustee that if required so to do the Company will ratify and confirm:
- 11.2.1 all transactions entered into by the attorney or by the Company at the instance of the Security Trustee in the proper exercise of its powers in accordance with this Deed; and
 - 11.2.2 all transactions entered into by the attorney in signing, sealing, delivering and otherwise perfecting any such assignment, security, deed, assurance, document or act.
- 11.3 The power of attorney granted by clause 11 (*Power of Attorney*) is, as regards the Security Trustee and its delegates (and as the Company irrevocably acknowledges), granted irrevocably and for value as part of the security constituted by this Deed to secure proprietary interests in and the performance of obligations owed to the respective donees within the meaning of the Powers of Attorney Act 1971.

12 Protection of Third Parties

- 12.1 No Purchaser from the Security Trustee or any Receiver or other person dealing with the Security Trustee or any Receiver shall be concerned to enquire whether any of the powers which they have exercised or purported to exercise has arisen or become exercisable, or whether the Monies and Liabilities remain outstanding, or as to the propriety or validity of the exercise or purported exercise of any such power, and the title of a Purchaser and the position of such a person shall not be prejudiced by reference to any of those matters.
- 12.2 The receipt of the Security Trustee or any Receiver shall be an absolute and conclusive discharge to a Purchaser and shall relieve such person of any obligation to see to the application of any monies paid to or by the direction of the Security Trustee or any Receiver.

13 Protection of the Security Trustee

- 13.1 Neither the Security Trustee nor any Receiver shall be liable in respect of any loss or damage that arises out of the exercise or the attempted or purported exercise of or the failure to exercise any of their respective powers.
- 13.2 Without prejudice to the generality of clause 13 above, entry into possession of the Secured Property or any part of it shall not render the Security Trustee or any Receiver liable to account as chargee in possession and if and whenever the Security Trustee or any Receiver enters into possession of the Secured Property or any part of it, the Security Trustee or any Receiver shall be entitled at any time at its discretion to go out of such possession.
- 13.3 If the Security Trustee receives notice of any subsequent charge or interest affecting all or any of the Secured Property, it may open a new account or accounts for the Company in its books and if it does not do so then (unless it gives express written notice to the contrary to the Company) as from the time of receipt of such notice by the Security Trustee all payments made by the Company to the Security Trustee (in the absence of any express appropriation to the contrary) shall be treated as having been credited to a new account of the Company and not as having been applied in reduction of the Monies and Liabilities.

- 14.1. The Company will fully indemnify the Security Trustee and any Receiver appointed hereunder on demand from and against any expense (including legal fees on a full indemnity basis), loss, fees (including registration fees), damage or liability which the Security Trustee or, as the case may be, any Receiver may incur in connection with the negotiation, preparation, execution, modification, amendment, release and/or enforcement or attempted enforcement of, or preservation of the Security Trustee's (or any Receiver's) rights under, this Deed or in relation to any of the Secured Property, including any present or future stamp or other taxes or duties and any penalties or interest with respect thereto which may be imposed by any competent jurisdiction in connection with the execution or enforcement of this Deed or in consequence of any payment being made pursuant to this Deed (whether made by the Company or a third person) being impeached or declared void for any reason whatsoever.
- 14.2 The Company undertakes to indemnify, keep indemnified and hold harmless the Security Trustee from and against all costs (including the costs of enforcement), expenses, liabilities, injuries, direct, indirect or consequential loss (all three of which terms include without limitation pure economic loss, loss of profits, loss of business, depletion of goodwill and like loss), damages, claims, demands, proceedings or legal costs (on a full indemnity basis) and judgments which the Security Trustee incurs or suffers as a result of any breach or non-performance by the Company of any of the Company's undertakings, warranties or obligations under this Deed.
- 14.3 The Company shall indemnify the Security Trustee in full for any loss, expense or injury incurred by the Security Trustee in any claim:
- 14.3.1 that any of the Secured Property infringes the intellectual property rights of any third party;
 - 14.3.2 that any of the Secured Property is wholly or partially invalid or held to be unenforceable by or not the property of the Company; or
 - 14.3.3 that the Company is in breach of any of its warranties under clause 8.

- 15.1 This security is in addition to, and shall neither be merged in nor in any way exclude or prejudice or be affected by any other security interest, right of recourse or other right whatsoever, present or future, (or the invalidity thereof) which the Security Trustee may now or at any time hereafter hold or have (or would apart from this security hold or have) from the Company or any other person in respect of the Monies and Liabilities or otherwise.
- 15.2 The powers that this Deed confers on the Security Trustee or any Receiver appointed hereunder are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the Security Trustee or the Receiver deems appropriate. The Security Trustee or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever. The Company acknowledges that the respective powers of the Security Trustee and the Receiver will in no circumstances whatsoever be suspended, waived or otherwise prejudiced by anything other than an express waiver or variation in writing.
- 15.3 If the Security Trustee reasonably considers that any amount paid or any other settlement by the Company in respect of the Monies and Liabilities is capable of being avoided or set aside on the liquidation or administration of the Company or otherwise, then for the purposes of this Deed such amount shall not be considered to have been paid or settlement have been made (as the case may be).
- 15.4 Any settlement or discharge between the Company and the Security Trustee shall be conditional upon no security or payment to the Security Trustee by the Company or any other person being avoided or set aside or ordered to be refunded or reduced by virtue of any provision or enactment relating to bankruptcy, insolvency or liquidation for the time being in force and accordingly (but without limiting the Security Trustee's other rights hereunder) the Security Trustee shall be entitled to recover from the Company the value which the Security Trustee has placed upon such security or the amount of any such payment as if such settlement or discharge had not occurred.

16 The Security Trustee's Certificate

Any certificate or determination of the Security Trustee as to the amount of any Monies and Liabilities or, without limitation, any other matter provided for in this Deed shall, in the absence of manifest error, be conclusive and binding on the Company.

17 Assignment

17.1 The Security Trustee may at any time without the consent of the Company, assign or transfer the whole or any part of its rights under this Deed in accordance with the terms of the Mezzanine Facility Agreement.

17.2 The Company may not assign any of its rights or transfer any of its obligations under this Deed or enter into any transaction which would result in any of these rights or obligations passing to another person.

18 Service of Demands and Notices

18.1 Any demand for payment and any other demand, notice, consent or communication made or given on or to the Company or the Security Trustee under or in connection with this Deed may be left at the relevant address for the Company or the Security Trustee referred to in Clause 36.2 of the Mezzanine Facility Agreement or sent there by first class post or facsimile. Any demand on the Company shall be validly made whether or not it contains an accurate statement of the amount of the Secured Liabilities.

18.2 Any demand for payment and any other demand, notice, consent or communication made by or given on or to the Company or the Security Trustee shall be effective when delivered or deemed delivered in accordance with Clause 36.3 of the Mezzanine Facility Agreement.

19 Security Trustee, Perpetuity Periods and No Partnership

19.1 The Security Trustee hereby declares itself to be a trustee of this Deed (and any other security in its favour created pursuant to this Deed) for the Beneficiaries. The retirement of the Security Trustee from being trustee and the appointment of any new trustee shall be effected in the manner provided in the Intercreditor Agreement.

19.2 The perpetuity period applicable to the trusts hereby constituted shall be 80 years.

19.3 Nothing in this security shall constitute or be deemed to constitute a partnership between the Beneficiaries (or between any of them).

20 Miscellaneous

20.1 No failure or delay by the Security Trustee in exercising any right, power or remedy will operate as a waiver of it nor will any partial exercise preclude any further exercise or the same, or of some other right, power or remedy.

20.2 If any clause or part of this Deed is found by any court, tribunal, administrative body or authority of competent jurisdiction to be illegal, invalid or unenforceable then that provision will, to the extent required, be severed from this Deed and will be ineffective without, as far as is possible, modifying any other clause or part of this Deed and this will not affect any other provisions of this Deed which will remain in full force and effect.

20.3 The Company hereby irrevocably appoints any successors or assigns of the Security Trustee to be its attorney in the terms and for the purposes set out in clause 11 above.

20.4 The parties to this document intend it to be a deed, and agree to execute and deliver it as a deed.

21 Security Trustee

The provisions of Schedule 6 of the Intercreditor Agreement shall apply to the Security Trustee's rights, obligations and duties under this Deed as if set out in this Deed in full.

22 Security Retention

22.1 If the state of account between the Security Trustee or any Beneficiary and any Group Company (by reference to which any Monies and Liabilities are calculated for the purposes of this Deed) requires adjustment at any time because of any claim made against the Security Trustee or such Beneficiary by an office-holder (within the meaning of Section 234 of the Insolvency Act 1986), then, notwithstanding any other provision of this Deed;

- 22.1.1 the Company's liability to the Security Trustee or such Beneficiary will be correspondingly adjusted; and
- 22.1.2 the Security Trustee or such Beneficiary may treat any release or settlement made by it with the Company before any such adjustment is required as being of no effect; and
- 22.1.3 the Security Trustee or such Beneficiary may recover from the Company such sum as will place the Security Trustee or such Beneficiary in the same position as if such release or settlement had not been made.

If any claim is made against the Security Trustee or any Beneficiary under any insolvency law, the Security Trustee or such Beneficiary may agree the claim or settle it on any terms it chooses without the necessity of asking for the Company's agreement. If the Security Trustee or such Beneficiary does agree or settle the claim, the Company will be liable under this Deed as if a court order had been made containing the terms which the Security Trustee or such Beneficiary have agreed. The Company will be responsible for all costs and expenses which the Security Trustee or such Beneficiary properly incurs in defending such a claim.

22.2 Security release

Subject to Clause 22.3 (*Discharge Conditional*), upon the expiry of the Security Period (but not otherwise) the Security Trustee shall at the request and cost of the Company, take whatever action is necessary to release the Secured Property from the security constituted by this Deed.

22.3 Discharge Conditional

Any release, discharge or settlement between the Company and the Security Trustee shall be deemed conditional upon no payment or security received by the Security Trustee in respect of the Monies and Liabilities being avoided or reduced or ordered to be refunded pursuant to any provision of any enactment relating to insolvency, bankruptcy, winding-up, administration or receivership and, notwithstanding any such release, discharge or settlement the Security Trustee shall be entitled to recover the value or amount of such security or payment from the Company subsequently as if such settlement, discharge or release had not occurred

and the Company agrees with the Security Trustee accordingly and charges the Secured Property and the proceeds of sale thereof with any liability under this Clause, whether actual or contingent.

23 Governing Law

23.1 This Deed shall be governed by and construed in accordance with English law.

23.2 The Company hereby submits, for the exclusive benefit of the Security Trustee and the Beneficiaries, to the jurisdiction of the English Courts, but without prejudice to the right of the Security Trustee and/or the Beneficiaries to commence proceedings against the Company in any other jurisdiction.
