Exhibit D-2 to Security Agreement

TRADEMARK SECURITY AGREEMENT SUPPLEMENT

(Trademarks, Trademark Registrations, Trademark Applications and Trademark Licenses)

WHEREAS, Accordis, Inc., a New York corporation (herein referred to as the “Grantor”) owns, or in the case of licenses is a party to, the Trademark Collateral (as defined below);

WHEREAS, the Grantor, Armanti Financial Services, Inc. as borrower, each of Bank of India and Barclays Capital as arranger and Barclays Bank PLC, Hong Kong Branch as Facility Agent (amongst others) are parties to a Supplement to the Facilities Agreement dated August 29, 2007 (as amended and/or supplemented from time to time, the “Facilities Agreement”); and

WHEREAS, pursuant to (i) a Security Agreement dated as of August 29, 2007 (as amended and/or supplemented from time to time, the “US Security Agreement”) entered into between, among others, the Grantor and Barclays Bank PLC, Hong Kong Branch as security agent (the “Secured Party”, which expression shall include its successors, assigns and transferees), and (ii) certain other Security Documents (including this Trademark Security Agreement Supplement), the Grantor has secured the Secured Obligations (as defined in the Facilities Agreement) by granting to the Secured Party as security agent for the Transaction Finance Parties (as defined in the Facilities Agreement) a continuing security interest in personal property of the Grantor, including all right, title and interest of the Grantor in, to and under the Trademark Collateral (as defined below);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor grants to the Secured Party, to secure the Secured Obligations, a continuing security interest in all of the Grantor’s right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the “Trademark Collateral”), whether now owned or existing or hereafter acquired or arising:

3. those Trademark registrations and applications referred to in Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark; and

4. all proceeds of and revenues from the foregoing, including, without limitation, all proceeds of and revenues from any claim by the Grantor against third parties for past, present or future unfair competition with, or violation of intellectual property rights in connection with or injury to, or infringement or dilution of, any Trademark owned by the Grantor or for injury to the goodwill associated with any of the foregoing.

The Grantor irrevocably constitutes and appoints the Secured Party and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full power and authority in the name of the Grantor or in the Secured Party’s name, from time to time, in the Secured Party’s reasonable discretion, so long as any Event of Default (as defined in the Facilities Agreement) shall have occurred and be continuing, to take with respect to the Trademark Collateral any and all

appropriate action which the Grantor might be entitled to take with respect to the Trademark Collateral and to execute any and all documents and instruments which may be necessary or desirable to carry out the terms of this Trademark Security Agreement Supplement and to accomplish the purposes hereof.

The foregoing security interest is granted in conjunction with the security interests granted by the Grantor to the Secured Party pursuant to the US Security Agreement. The Grantor acknowledges and affirms that the rights and remedies of the Secured Party with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the US Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

The Grantor and the Secured Party hereby acknowledge and agree that the security interest in the trademark and trademark applications listed on Schedule 1 is not to be construed as a current assignment of any trademark or trademark application.

This Trademark Security Agreement Supplement shall be governed by, and construed in accordance with, the laws of the State of New York. The Grantor agrees that any suit for the enforcement of this Trademark Security Agreement Supplement may be brought in the courts of the State of New York or any federal court sitting therein and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon the Grantor by mail at the address specified in Clause 32 of the Facilities Agreement. The Grantor hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient court.

This Trademark Security Agreement Supplement may be executed in two or more separate counterparts, each of which shall constitute an original and all of which shall collectively and separately constitute one and the same agreement.

In case of any inconsistencies between the terms of this Trademark Security Agreement Supplement and those of the US Security Agreement, the US Security Agreement shall prevail.

[Signature page follows]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement Supplement to be duly executed by its officer thereunto duly authorized as of the 28th day of September, 2007.
