**EXHIBIT D**

**TRADEMARK AND SERVICE MARK ASSIGNMENT**

This TRADEMARK AND SERVICE MARK ASSIGNMENT (this "*Assignment*") is made and entered into as of October 4, 2007 by and between Super Computer International, Inc., a Georgia corporation ("*Assignor*") and Electronic Arts Inc., a Delaware corporation ("*Assignee*").

WHEREAS, the Assignor and the Assignee are parties to that certain Asset Purchase Agreement, dated as of October 4, 2007 (the "*Agreement*"), pursuant to which the Assignee has agreed to acquire all of the Assignor's right, title and interest in and to all of the trademarks, service marks, and trade names, together with the goodwill associated with and symbolized by them, that are owned by or used in the conduct of the Assignor's business, including, without limitation, those trademarks, service marks, and trade names listed in Schedule A hereto (all such trademarks, service marks, and trade names referred to collectively as the "*Assigned Trademarks*").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor and the Assignee each hereby agree as follows:

1. Assignment. Assignor hereby sells, assigns, transfers, conveys and delivers to the Assignee and its successors and assigns, and the Assignee hereby purchases and accepts from the Assignor, all of Assignor's right, title and interest in, to and under the Assigned Trademarks, including, without limitation, all common law trademarks for which no applications or registrations exist, all applications to register any of the Assigned Trademarks, and all registrations that have been or may be granted for any of the Assigned Trademarks, together with all common law rights associated with the applications and registrations, and all goodwill associated with the Assigned Trademarks and symbolized thereby, together with the right to sue and recover damages for future, present and past infringements of the Assigned Trademarks and to fully and entirely stand in the place of the Assignor in all matters related to the Assigned Trademarks.

With respect to all of the trademarks in pending, intent-to-use applications, the parties hereto acknowledge that the portion of the business, which is ongoing and existing, to which the trademarks pertain is also being transferred to Assignee pursuant to the Purchase Agreement.

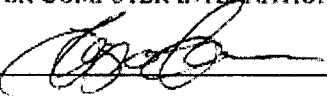

2. Miscellaneous. Assignor represents that Assignor has the rights, titles, and interests to convey as set forth herein, and covenants with Assignee that the Assignor has made or will make hereafter no assignment, grant, mortgage, license, or other agreement affecting the rights, titles, and interests herein conveyed.
