105		268,428,236. 42 Euro			<p>As regards item 9 of the agenda, the company's general meeting held on 18 March 1999 has, in amendment of Art. 4 (3) and (4) of the articles of association, authorized the managing board to increase the company's share capital until 1 March 2002 by up to a total of EUR 89,476,978.00 by the one-off or recurrent issue of new shares payable to bearer against cash or non-cash contributions; should the increase be effected against non-cash contribution, the statutory subscription right of the shareholders shall be suspended. On the basis of that authorization, the managing board has decided on 16 June 1999 to increase the company's share capital by an amount of EUR 89,299,758.90 to EUR 268,251,917.32 by issuing 3,493,103 new shares payable to bearer. The capital increase has been entered in the commercial register on 10 September 1999.</p> <p>On the basis of the still existing authorization of the managing board to issue new shares against cash contribution and the authorization to suspend, in whole or in part, the statutory subscription right of the shareholders in such case, unless the issue price of the new shares is considerably lower than the stock exchange price of the shares of the same type already listed on the stock exchange at the time of the final determination of the issue price, the managing board has decided on 25 January 2000 to increase the company's share capital from EUR 268,251,917.32 by EUR 176,319.10 to EUR 268,428,236.42 by issuing 6,897 new shares against cash contribution at an amount of 5 % above the stock exchange price per share, to suspend the statutory subscription right of the shareholders, and to admit Babcock Pensionskasse V.V.a.G., Oberhausen, to the subscription for the new shares. The authoritative stock exchange price shall be the average closing price of the share of Babcock Borsig AG on the Frankfurt Stock Exchange on the last five market days prior to the subscription.
