### ARTICLE III REPRESENTATIONS AND WARRANTIES OF SELLER AND DOREL

SELLER represents and warrants as follows:

3.01 Organization; Good Standing. SELLER is a corporation duly organized and validly existing under the laws of Indiana and is qualified to do business within the State of California as a foreign corporation. SELLER has all requisite power and authority and legal right to own, operate and lease its properties, and is duly qualified to do business in each jurisdiction where failure to be so qualified would have any material adverse effect on the Purchased Assets. SELLER has delivered to BUYER certified copies of the resolution of SELLER's Board of Directors authorizing the sale hereunder.

3.02 Authorization; Binding Obligations. SELLER has all requisite legal right, power, authority and capacity to enter into this Agreement and the other Acquisition Documents to which it is a party, to perform all of its obligations hereunder and thereunder. SELLER has taken all necessary action to authorize the sale hereunder on the terms and conditions of this Agreement and to authorize the execution, delivery and performance of this Agreement, and the other Acquisition Documents to which it is a party. The fair market value of the Purchased Assets owned by SELLER exceeds more than fifty percent (50%) of the fair market value of all of SELLER's assets. Each of the Acquisition Documents to which SELLER is a party has been duly executed by SELLER and constitutes a legal, valid and binding obligation of SELLER enforceable against it in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency or other similar laws of general application relating to or affecting the enforcement of creditors, rights or by general principles of equity.

3.03 Title to Purchased Assets. SELLER has good and marketable title to the Purchased Assets, whether real, personal, mixed, tangible and intangible. All the Purchased Assets are free and clear of restrictions on or conditions to transfer or assignment, and free and clear of mortgages, Liens, pledges, charges, encumbrances, equities, claims, easements, rights of way, covenants, conditions or restrictions, except as disclosed on Schedule "I." After giving effect to

this Agreement, BUYER will have good and marketable title to all of the Purchased Assets owned by SELLER and will have valid leasehold rights to all other Purchased Assets, subject to the Consent of any lessor.

3.04 Litigation, etc. There is no suit, action or litigation, administrative, arbitration or other proceeding or, to the best of SELLER's Knowledge, governmental investigation or inquiry pending or, to the Knowledge of SELLER, threatened, that may, severally or in the aggregate, materially and adversely affect the Purchased Assets other than that disclosed in Exhibit "7" hereto. To the Knowledge of SELLER, no investigation is pending, or threatened, by any Federal, state, local or foreign government or by any agency or instrumentality thereof, the effect of which would be materially to impair or materially to affect the Business.

3.05 Governmental and Other Consents, etc. No Consent or Permit of any Person is required for or with respect to SELLER in connection with the execution or delivery of this Agreement or the other Acquisition Documents by SELLER or the consummation by SELLER of the transactions contemplated by this Agreement or the other Acquisition Documents to which SELLER is a party the failure of which to obtain would have a material adverse effect on BUYER or the Purchased Assets.

3.06 Law Compliance; Permits. There are no material Orders, known Permits, and Regulatory Agreements to which SELLER is a party or which are otherwise binding on it except the sales tax permit currently held by SELLER.

3.07 Compliance with other Instruments, etc. Neither the execution and delivery of this Agreement or the other Acquisition Documents by SELLER nor the consummation of the transactions contemplated hereby or thereby will materially and adversely affect the Purchased Assets or the operations, prospects or condition, financial or otherwise, of the Business.

3.08 Adverse Agreements. To the best of SELLER's Knowledge, neither SELLER nor any of its Affiliates is a party to any Contract or subject to any charter or other corporate or organizational restriction or any Law which materially and adversely affects or, so far as SELLER now reasonably foresees, may in the future materially and adversely affect the Purchased Assets.

3.09 Agreements, Contracts, Instruments, etc. Set forth in Schedule "B" hereto are complete and accurate lists of the following:

(i) all leases and licensing agreements binding on SELLER which relate to the Purchased Assets or the Business;

(ii) all unexpired employment, consulting and endorsement Contracts relating to the Business not terminable at will without penalty binding on SELLER;

(iii) each Contract relating to the Business currently binding on SELLER defining

the terms on which debts (other than trade payables) of, or guarantees, by SELLER aggregating more than \$10,000 have been or may be issued;

(iv) any unexpired Contract limiting the freedom to compete in any line of business or with any Person binding on SELLER with respect to the Business or the Purchased Assets; and

(v) all other unexpired material written Contracts of SELLER entered into in connection with the Business.

Except as set forth in Schedule "M" hereto, the transfer of the Purchased Assets and the consummation of the transactions contemplated by this Agreement and the other Acquisition Documents will not materially and adversely affect the continuation, validity or effectiveness of any of the Contracts or Instruments acquired or assumed hereunder or require the Consent of any third party under any such Contract or Instrument. SELLER does not have any Knowledge of any default or claimed or purported or alleged default or state of facts which with notice or lapse of time or both would constitute a default on the part of any party in the performance of any obligation to be performed or paid by any party under any Contract or Instrument acquired or assumed hereunder except as set forth in Schedule "B." SELLER has delivered to BUYER true and complete copies of each written Contract or Instrument acquired or assumed hereunder.

3.10 Brokers. All negotiations relative to this Agreement and the transactions contemplated hereby have been carried on by SELLER and its Affiliates without the intervention of any other Person in such manner as to give rise to any valid claim for a finder's fee, brokerage commission or other like payment.

3.11 Schedules and Other Information. To the best of SELLER's Knowledge, all of the Schedules, Exhibits or other written materials supplied under this Agreement by SELLER do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein in light of the circumstances in which made, not materially misleading. Except as disclosed in the Agreement, there is no fact known to SELLER which materially adversely affects or in the future is likely materially and adversely to affect any of the Purchased Assets, the Business or business prospects of the Business which has not been disclosed to BUYER.

3.12 Closing Financial Statements. Schedule "H" to this Agreement sets forth the balance sheet for SELLER, as of September 30, 2000, and the related statement of income and retained earnings through September 30, 2000, together with an annual statement of income and retained earnings for its most recent fiscal year, certified by the Treasurer of SELLER. The Financial Statements in Schedule "H," are referred to as "the Financial Statements." The Financial Statements have been prepared in accordance with generally accepted accounting principles consistently followed by SELLER throughout the periods indicated, and fairly present the financial position of SELLER as of the date of the balance sheet included in the Financial Statements, and the results of its operations for the respective periods indicated.

3.13 Disclosure of Liabilities. SELLER has no debt, liability or obligation of any nature, whether accrued, absolute, contingent or otherwise, and whether due, or to become due, including, without limitation, tax liabilities due or to become due, and whether incurred in respect of or measured by SELLER's income for any period prior to September 30, 2000, or arising out of transactions entered into, or any state of facts existing, prior thereto except as specifically set forth in Schedule "H" or on the Financial Statements. SELLER represents and warrants that it does not know or have reasonable grounds to know of any basis for the assertion against SELLER, as of the Closing, of any liability of any nature or in any amount not fully reflected or reserved against in the Financial Statements.

3.14 Taxes. Within the times and in the manner prescribed by law, SELLER has filed all Federal, state and local tax returns required by law, and has paid all taxes, assessments and penalties due and payable. The provisions for taxes reflected in SELLER's balance sheet as of the end of its most recent fiscal year are adequate for any and all Federal, state, county and local taxes for the period ending on the date of that balance sheet and the Closing Date for SELLER. There are no present disputes as to taxes of any nature payable by SELLER, and SELLER has not filed, and will not file on or before the Closing Date, any consent under Section 341(f) of the Internal Revenue Code, other than those set forth in Exhibit "10" hereto.

3.15 No Known Violation of Law. SELLER has not received notice of any violation of any applicable federal, state, or local statute, law, or regulation (including, without limitation, any applicable building, zoning, or other law, ordinance, or regulation) affecting its property or the operation of its Business, and to the best of its Knowledge, there are no such violations.

3.16 No Adverse Facts or Circumstances. SELLER has no Knowledge of any undisclosed facts or circumstances that could reasonably be expected to adversely affect its Business or result in a decrease in the value of its assets or in the value of its stock. SELLER has not been caused to be bound by any contractual obligation or to incur any other material liability that is not adequately reflected in SELLER's Financial Statements.

3.17 Valuation of Purchased Assets. The purchase price of the Purchased Assets has been negotiated between BUYER and SELLER based on information reasonably available to BUYER, SELLER, DOREL and the Principals and their Affiliates.

DOREL represents and warrants as follows:

SELLER has delivered to BUYER certified copies of the resolution of SELLER's Board of Directors authorizing the sale hereunder.

3.19 Authorization: Binding Obligations. SELLER has all requisite legal right, power, authority and capacity to enter into this Agreement and the other Acquisition Documents to which it is a party, to perform all of its obligations hereunder and thereunder. SELLER has taken all necessary action to authorize the sale hereunder on the terms and conditions of this Agreement and to authorize the execution, delivery and performance of this Agreement, and the other Acquisition Documents to which it is a party. Each of the Acquisition Documents to which SELLER is a party has been duly executed by SELLER and constitutes a legal, valid and binding obligation of SELLER enforceable against it in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency or other similar laws of general application relating to or affecting the enforcement of creditors, rights or by general principles of equity.

3.20 Title to Purchased Assets. SELLER has good and marketable title to the Purchased Assets, whether real, personal, mixed, tangible and intangible. All the Purchased Assets are free and clear of restrictions on or conditions to transfer or assignment, and free and clear of mortgages, Liens, pledges, charges, encumbrances, equities, claims, easements, rights of way, covenants, conditions or restrictions, except as disclosed on Schedule "I." After giving effect to this Agreement, BUYER will have good and marketable title to all of the Purchased Assets owned by SELLER and will have valid leasehold rights to all other Purchased Assets, subject to the Consent of any Lessor.

3.21 Litigation, etc. There is no suit, action or litigation, administrative, arbitration or other proceeding or, to the best of DOREL's Knowledge, governmental investigation or inquiry pending or, to the Knowledge of DOREL, threatened, that may, severally or in the aggregate, materially and adversely affect the Purchased Assets other than that disclosed in Exhibit "7" hereto. To the Knowledge of DOREL, no investigation is pending, or threatened, by any Federal, state, local or foreign government or by any agency or instrumentality thereof, the effect of which would be materially to impair or materially to affect the Business.

3.22 Governmental and Other Consents, etc. To the best of DOREL's Knowledge, no Consent or Permit of any Person is required for or with respect to SELLER in connection with the execution or delivery of this Agreement or the other Acquisition Documents by SELLER or the consummation by SELLER of the transactions contemplated by this Agreement or the other Acquisition Documents to which SELLER is a party the failure of which to obtain would have a material adverse effect on BUYER or the Purchased Assets.

3.23 Law Compliance; Permits. To the best of DOREL's Knowledge, there are no material Orders, known Permits, and Regulatory Agreements to which SELLER is a party or which are otherwise binding on it except the sales tax permit currently held by SELLER.

3.24 Compliance with other Instruments, etc. To the best of DOREL's Knowledge, neither the execution and delivery of this Agreement or the other Acquisition Documents by SELLER nor the consummation of the transactions contemplated hereby or thereby will materially and adversely affect the Purchased Assets or the business operations, prospects or condition, financial or

otherwise, of the Business.

3.25 Adverse Agreements. To the best of DOREL's Knowledge, neither SELLER nor any of its Affiliates is a party to any Contract or subject to any charter or other corporate or organizational restriction or any Law which materially and adversely affects or, so far as SELLER now reasonably foresees, may in the future materially and adversely affect the Purchased Assets.

3.26 Agreements, Contracts, Instruments, etc. To the best of DOREL's Knowledge, set forth in Schedule "B" hereto are complete and accurate lists of the following:

(i) all leases and licensing agreements binding on SELLER which relate to the Purchased Assets or the Business;

(ii) all unexpired employment, consulting and endorsement Contracts relating to the Business not terminable at will without penalty binding on SELLER;

(iii) each Contract relating to the Business currently binding on SELLER defining the terms on which debts (other than trade payables) of, or guarantees, by SELLER aggregating more than \$10,000 have been or may be issued;

(iv) any unexpired Contract limiting the freedom to compete in any line of business or with any Person binding on SELLER with respect to the Business or the Purchased Assets; and

(v) all other unexpired material written Contracts of SELLER entered into in connection with the Business.

To the best of DOREL's Knowledge, the transfer of the Purchased Assets and the consummation of the transactions contemplated by this Agreement and the other Acquisition Documents will not materially and adversely affect the continuation, validity or effectiveness of any of the Contracts or Instruments acquired or assumed hereunder or require the Consent of any third party under any such Contract or Instrument. SELLER does not have any Knowledge of any default or claimed or purported or alleged default or state of facts which with notice or lapse of time or both would constitute a default on the part of any party in the performance of any obligation to be performed or paid by any party under any Contract or Instrument acquired or assumed hereunder except as set forth in Schedule "B."

3.27 Brokers. To the best of DOREL's Knowledge, all negotiations relative to this Agreement and the transactions contemplated hereby have been carried on by SELLER and its Affiliates without the intervention of any other Person in such manner as to give rise to any valid claim for a finder's fee, brokerage commission or other like payment.

3.28 Schedules and Other Information. To the best of DOREL's Knowledge, all of the Schedules, Exhibits or other written materials supplied under this Agreement by SELLER do not

and will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein in light of the circumstances in which made, not materially misleading. Except as disclosed in the Agreement, there is no fact known to DOREL which materially adversely affects or in the future is likely materially and adversely to affect any of the Purchased Assets, the Business or business prospects of the Business which has not been disclosed to BUYER.

3.29 Accuracy of Documents. All Contracts, Instruments, Permits and other documents delivered by SELLER to BUYER for BUYER's review in connection with this Agreement and the transactions contemplated hereby are, to the best of DOREL's Knowledge, true, correct and complete copies in all material respects of all such Contracts, Instruments, Permits and other documents.

3.30 Books and Records. To the best of DOREL's Knowledge, the books and records of SELLER contain a complete and accurate description and specify the location of all machinery, equipment, furniture, supplies, and all other tangible personal property owned by it, in the possession of it, or used by SELLER in connection with the Business.

3.31 Disclosure of Liabilities. To the best of DOREL's Knowledge, SELLER has no debt, liability or obligation of any nature, whether accrued, absolute, contingent or otherwise, and whether due, or to become due, including, without limitation, tax liabilities due or to become due, and whether incurred in respect of or measured by SELLER's income for any period prior to September 30, 2000, or arising out of transactions entered into, or any state of facts existing, prior thereto except as specifically set forth in Schedule "H" or on the Financial Statements. SELLER represents and warrants that it does not know or have reasonable grounds to know of any basis for the assertion against SELLER, as of the Closing, of any liability of any nature or in any amount not fully reflected or reserved against in the Financial Statements.

3.32 Taxes. Within the times and in the manner prescribed by law, SELLER has filed all Federal, state and local tax returns required by law, and has paid all taxes, assessments and penalties due and payable. The provisions for taxes reflected in SELLER's balance sheet as of the end of its most recent fiscal year are adequate for any and all Federal, state, county and local taxes for the period ending on the date of that balance sheet and the Closing Date for SELLER. There are no present disputes as to taxes of any nature payable by SELLER, and SELLER has not filed, and will not file on or before the Closing Date, any consent under Section 341(f) of the Internal Revenue Code.

undisclosed facts or circumstances that could reasonably be expected to adversely affect its Business or result in a decrease in the value of its assets or in the value of its stock. SELLER has not been caused to be bound by any contractual obligation or to incur any other material liability that is not adequately reflected in SELLER's Financial Statements.

3.35 Valuation of Purchased Assets. The purchase price of the Purchased Assets has been negotiated between BUYER and SELLER based on information reasonably available to BUYER, SELLER, DOREL and the Principals and their Affiliates.

4.03 Compliance with Instruments, Consents, Adverse Agreements. Neither the execution and the delivery of this Agreement or the other Acquisition Documents nor the consummation of the transactions contemplated hereby or thereby will conflict with or result in any violation of or constitute a default under the Certificate of Organization or operating agreement of BUYER, or any material Law, Instrument, Lien or other Contract by which BUYER is bound. Prior to the Closing Date, SELLER covenants and agrees as follows:

5.01 Conduct of Business. Except as otherwise contemplated or permitted by this Agreement or agreed to by BUYER from and after the date of this Agreement, and until the Closing Date or the termination of this Agreement, whichever shall first occur, SELLER (i) will not engage in any activities or transactions which shall be outside the ordinary course of the Business of SELLER; (ii) will not acquire any assets (other than in the ordinary course of business); (iii) will use its best efforts to preserve its existing trademarks, trade names, licenses, franchises, rights and privileges pertinent to its Business; and (iv) will use its best efforts to preserve intact its business organizations and preserve its goodwill and relationships with suppliers, customers and others with whom it deals, and will continue to develop its Business.

5.02 Notice of Certain Defaults or Claims. SELLER will give prompt notice to BUYER (i) of any notice of default received by it subsequent to the date of this Agreement and prior to the Closing Date under any instrument or agreement to be assumed by BUYER hereunder, and (ii) of the assertion of any claim which, if upheld, would render inaccurate any representation of SELLER or the occurrence of any event, or the failure of any event to occur that results or may

result in the failure to comply with any covenant, condition or agreement of SELLER contained herein.

5.03 Action Needing Consent. Except as otherwise contemplated or permitted by this Agreement, after the date of execution of this Agreement, and the Closing Date or the termination of this Agreement, whichever shall first occur, SELLER will not, without the prior written Consent of BUYER and SELLER, which Consent shall not be unreasonably withheld, (i) enter into any sale of all or substantially all of its asset or a merger, (ii) enter into any sales or service contract or agreement, except in the ordinary course of business, (iii) mortgage, pledge or subject to any other Lien (other than the lien of taxes not yet payable), any of the Purchased Assets, other than in the ordinary course of business, (iv) sell or transfer any of the Purchased Asséts (other than excess and obsolete inventory), except in the ordinary course of business, (v) sell, assign, or transfer any Business rights, (vi) enter into or amend or cancel any agreement or contract, other than in the ordinary course of business, (vii) enter into any agreement or commitment which, if entered into prior to the date of this Agreement, would be required to be listed on the Exhibits hereto, (viii) declare or pay any dividends or make any distributions relating to its capital stock; or (ix) agree to do any of the foregoing.

5.04 Implementation of Representations and Warranties. SELLER will take all action to render accurate as of the Closing Date the representations and warranties contained in this Agreement, and SELLER will refrain from taking any action which would render inaccurate as of the Closing Date any such representations or warranties. SELLER will take any and all necessary action to obtain any approvals, Consents, licenses or authorities of any individual or entity (including governmental entities) necessary for the consummation by SELLER of the transactions contemplated by this Agreement.

5.05 Communications. Except as otherwise contemplated by this Agreement, between the date hereof and the Closing Date, SELLER will not furnish any communication to anyone if the subject matter thereof relates to BUYER or to the transactions contemplated by this Agreement, without the prior approval of BUYER as to the content thereof, which approval shall not be unreasonably withheld by BUYER.

5.06 Access. BUYER and its counsel, accountants and other representatives shall have reasonable access during normal business hours to all properties, books, accounts, records, contracts and documents of or relating to the Business. SELLER shall furnish or cause to be furnished to BUYER and its representatives all data and information concerning the Business, finances of the Business and Purchased Assets of SELLER that may reasonably be requested.

5.07 Insurance. At its own cost and expense, SELLER will continue to carry its existing insurance, if any, until the Closing and expressly agrees to maintain insurance coverage for products liability claims on products deemed sold by it pursuant to the terms of Section 6.01(a) prior to the Closing Date. Such insurance shall (i) be maintained for so long thereafter as the Products remain in the stream of commerce, (ii) be based on an "occurrence" basis against any

6.02 Obligation of BUYER to Indemnify. BUYER hereby agrees to indemnify and hold harmless SELLER and DOREL, and each of them, in accordance with the Indemnity Agreement. BUYER expressly agrees that it shall indemnify and hold SELLER and DOREL, and each of them, free and harmless from any and all claims, losses, damages, injuries, and liabilities arising from or on account of BUYER's ownership, possession and use of the Purchased Assets after the Closing Date, including all claims, losses, damages, injuries, and liabilities arising out of the sale of any products sold by BUYER after the Closing Date, except as provided in subsection 6.02 (a).

(a) Notwithstanding anything to the contrary contained herein, BUYER, SELLER and DOREL each acknowledge that it will be extremely impractical in most instances to determine the date of manufacture or sale of Products. Accordingly, and notwithstanding anything to the contrary contained in this Agreement, all claims, losses, damages, injuries, and liabilities based on incidents or occurrences prior to the Closing shall be deemed to have arisen prior to Closing and all claims, losses, damages, injuries, and liabilities based on incidents or occurrences after the Closing shall be deemed to have arisen after the Closing.

6.04 Obligation of DOREL. DOREL shall assume and pay all Accounts Payable of SELLER as of the Closing Date. In the event that DOREL fails to make any Accounts Payable when due to a Trade Creditor supplier or vendor for which it is responsible, BUYER may, at its sole option, pay any Accounts Payable due to such vendor or supplier and offset such payment against any amounts due from BUYER to SELLER under the Accounts Receivable Collection Agreement.

6.05 Further Assurances. Following the Closing, at the request of BUYER, SELLER shall execute and deliver to BUYER such further documents and take such reasonable action as may be necessary or appropriate to (a) confirm the sale, transfer, assignment, conveyance and delivery of the Purchased Assets, or (b) vest in BUYER all of SELLER' right, title and interest to the Purchased Assets.

6.06 Books and Records. SELLER and BUYER agree that so long as any books, records and files relating to the Business or to the Purchased Assets, to the extent that they pertain to the operations of SELLER prior to the Closing Date, remain in existence and available, each party (at its expense) shall have the right for any reasonable and proper purpose to inspect and to make copies of the same at any time on reasonable notice and during normal business hours. Such books, records and files relating to the Business or to the Purchased Assets, to the extent that they

pertain to the operations of SELLER prior to the Closing Date and except to the extent that they relate to collection of the Accounts Receivable pursuant to Accounts Receivable Collection Agreement, shall be delivered by BUYER on or before December 31, 2000, at DOREL's cost, to DOREL at DOREL's offices where they shall be maintained. - (b) Trade Secrets. After the Closing Date, SELLER, on behalf of itself, its employees, officers, agents and contractors, agrees to hold and maintain in confidence and secrecy and not to divulge to anyone and to make no use of, without the express written Consent of SELLER or DOREL any and all trade secrets, know-how, and other proprietary information herein being assigned and transferred to BUYER.

6.08 Costs and Expenses. SELLER and BUYER shall each pay its own out-of-pocket expenses incurred incident to the preparation and carrying out of the transactions contemplated by this Agreement.
