# INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement dated as of the Effective Date (as defined in the Loan Agreement) is between **SILICON VALLEY BANK** ("Bank") and **HEALTHVISION, INC.** ("Grantor").

## RECITALS

A. Bank will make advances to Grantor ("Loans") as described in the Loan and Security Agreement (as amended from time to time, the "Loan Agreement"), but only if Grantor grants Bank a security interest in its Copyrights, Trademarks, Patents, and Mask Works and other intellectual property (the "Intellectual Property Collateral"). Capitalized terms not otherwise defined herein shall the meaning set forth in the Loan Agreement.

B. Grantor has granted Bank a security interest in all of its right, title and interest, presently existing or later acquired to all the Collateral.

## AGREEMENT

Grantor grants Bank a security interest in all of its right, title and interest in its Intellectual Property Collateral (such as the Copyrights, Patents, Trademarks and Mask Works listed on Schedules A, B, C and D), and all proceeds (such as license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements rights throughout the world and all reissues, divisions, continuations, renewals, extensions and continuations-in-part.

This security interest is granted in conjunction with the security interest granted under the Loan Agreement. Bank's rights and remedies in the security interest are in addition to those in the Loan Agreement and the other Loan Documents, and those available in law or equity. Bank's rights powers and interests are cumulative with every right, power or remedy provided here. Bank's exercise of its rights, powers or remedies in this Agreement, the Loan Agreement or any other Loan Document, does not preclude the simultaneous or later exercise of any or all other right, power or remedy.
