INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT is entered into as of October 29, 2007 (this "Agreement") by and between ETV CAPITAL S.A. ("Lender") and DIGITAL HEALTHCARE LIMITED, a company registered in England and Wales under company number 03838790, the registered office of each of which is at Shakespeare House, 42 Newmarket Road, Cambridge, Cambridgeshire CB5 8EP ("Grantor").

RECITALS

A. Lender has agreed to make certain advances of money and to extend certain financial accommodations (the "Loans") to Grantor in the amounts and manner set forth in that certain Loan Facility Agreement dated as of August 14, 2007 (as the same may be amended, modified or supplemented from time to time, the "Loan Agreement") by and between Grantor and Lender. Lender is willing to make the Loans to Grantor, but only upon the condition, among others, that Grantor shall grant to Lender a security interest in certain Copyrights, Trademarks and Patents to secure the obligations of Grantor under the Loan Agreement.

B. Pursuant to the terms of that certain Security Agreement of even date herewith (as the same may be amended, modified or supplemented from time to time, the "Security Agreement"; terms defined therein being used herein as therein defined) by Grantor in favor of Lender, Grantor has granted to Lender a security interest in all of Grantor's right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of Grantor's obligations under the Loan Agreement, Grantor hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

To secure Grantor's obligations under the Loan Agreement, Grantor grants and pledges to Lender a security interest in all of Grantor's right, title and interest in, to and under its Intellectual Property Collateral (including without limitation those Copyrights, Patents and Trademarks listed on Schedules A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Lender under the Security Agreement. The rights and remedies of Lender with respect to the security interest granted hereby are in addition to those set forth in the Security Agreement and the other Transaction Documents, and those which are now or hereafter available to Lender as a matter of law or equity. Each right, power and remedy of Lender provided for herein or in the

Security Agreement or any of the Transaction Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Lender of any one or more of the rights, powers or remedies provided for in this Agreement, the Security Agreement or any of the other Transaction Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Lender, of any or all other rights, powers or remedies.

Upon the indefeasible payment and performance in full of the Obligations in accordance with their terms, this Agreement shall terminate, and upon written notice given to the Lender, the Lender will, at Grantor's expense, execute and deliver to the Grantor all deeds, assignments and other instruments as may be necessary or proper to reassign and reconvey to and re-vest in the Grantor the entire right, title and interest to the Intellectual Property Collateral as fully as if this Agreement had not been made.

This Security Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without reference to conflicts of law rules.

[SIGNATURES APPEAR ON THE FOLLOWING PAGE]

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Security Agreement to be duly executed by its officers thereunto duly authorized as of the first date written above.
