**Intellectual Property Security Agreement
Schedule Supplement**

This Intellectual Property Security Agreement Schedule Supplement, dated as of September 10, 2007 (the "**Schedule Supplement**") is a supplement to the Schedule II to the Intellectual Property Security Agreement dated as of November 3, 2006 (as amended, supplemented or otherwise modified from time to time, the "**Intellectual Property Security Agreement**"), among REABLE THERAPEUTICS HOLDINGS LLC (f/k/a Encore Medical Holdings LLC) ("**Holdings**"), REABLE THERAPEUTICS FINANCE LLC (f/k/a Encore Medical Finance LLC) (the "**Borrower**"), the Subsidiaries of Holdings from time to time party hereto and BANK OF AMERICA, N.A., as Collateral Agent.

A. Reference is made to the Credit Agreement dated as of November 3, 2006 (as amended, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), among the Borrower, Holdings, BANK OF AMERICA, N.A., as Administrative Agent, Swing Line Lender and an L/C Issuer, each lender from time to time party thereto (collectively, the "**Lenders**" and individually, a "**Lender**"), BANC OF AMERICA SECURITIES LLC, as Arranger and Book Runner, CREDIT SUISSE SECURITIES (USA) LLC, as Arranger, Book Runner and Syndication Agent, and GENERAL ELECTRIC CAPITAL CORPORATION, as Documentation Agent.

B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Intellectual Property Security Agreement or, if such term is not defined therein, in the Credit Agreement.

C. The Grantors have entered into the Intellectual Property Security Agreement in order to induce the Lenders to make Loans and the L/C Issuers to issue Letters of Credit. Section 2.03(c) of the Intellectual Property Security Agreement provides for the supplementing of Schedule II to the Intellectual Property Security Agreement, and this Schedule Supplement is intended to supplement Schedule II to the Intellectual Property Security Agreement.

Accordingly, the Collateral Agent and the Grantors signatory hereto agree as follows:

SECTION 1. In accordance with Section 2.03(c) of the Intellectual Property Security Agreement, each of the Grantors party hereto, by their respective signatures below, hereby (a) agrees that the Intellectual Property set forth on the supplemental Schedule II to the Intellectual Property Security Agreement, attached as Annex A hereto, constitutes After-Acquired Intellectual Property with respect to which the provisions of the Intellectual Property Security Agreement apply, and constitutes and is Intellectual Property Collateral for all purposes, (b) agrees that Schedule II to the Intellectual Property Security Agreement is hereby deemed amended and supplemented without further action to include the information reflected on Annex A hereto, and (c) represents and warrants that the representations and warranties made by it as a Grantor under the Intellectual Property Security Agreement are true and correct on and as of the date hereof, including with respect to the After-Acquired Intellectual Property set forth on Annex A hereto.

SECTION 2. Each of the Grantors signatory hereto represents and warrants to the Collateral Agent and the other Secured Parties that this Schedule Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms.

SECTION 3. This Schedule Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Schedule Supplement shall become effective when the Collateral Agent shall have received a counterpart of this Schedule Supplement that bears the signature of the Grantors and the Collateral Agent has executed a counterpart hereof. Delivery of an executed signature page to this Schedule Supplement by facsimile transmission or other electronic transmission (i.e. a "TIF" or "PDF") shall be as effective as delivery of a manually signed counterpart of this Schedule Supplement.

SECTION 4. Each of the Grantors party hereto hereby represents and warrants that set forth on Annex A attached hereto is a true and correct schedule of any and all After-Acquired Intellectual Property of such Grantor that has not been previously listed on Schedule II to the Intellectual Property Security Agreement (including by means of a prior schedule supplement).

SECTION 5. Except as expressly supplemented hereby, the Intellectual Property Security Agreement shall remain in full force and effect.

SECTION 6. THIS SCHEDULE SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 7. In case any one or more of the provisions contained in this Schedule Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Intellectual Property Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. All communications and notices hereunder shall be in writing and given as provided in Section 5.01 of the Intellectual Property Security Agreement.

SECTION 9. Without limiting any other obligation in the Credit Agreement or any other Loan Document, the Grantors jointly agree to reimburse the Collateral Agent for its reasonable out-of-pocket expenses in connection with this Schedule Supplement, including the reasonable fees, other charges and disbursements of counsel for the Collateral Agent.
