TRADEMARK ASSIGNMENT

This Trademark Assignment is made and entered into as of November 19, 2007 (this "Assignment"), by LTC Reserve Corp., a corporation organized under the laws of the Delaware ("Assignor"), in favor of Chase Brass and Copper Company, LLC, a limited liability company organized under the laws of the State of Delaware ("Assignee"). Capitalized terms used but not defined herein have the meanings assigned to them in the Purchase Agreement dated as of October 15, 2007 (the "Purchase Agreement") between Global Brass and Copper, Inc. and Assignor.

Pursuant to the Purchase Agreement, Assignor has agreed to sell, convey, assign and transfer to Assignee all of its right, title and interest in and to certain Intellectual Property including, without limitation, the trademarks and trademark applications listed on Schedule 1 attached hereto (the "Trademarks").

The parties wish to execute this Assignment for purposes of transferring the Trademarks pursuant to the Purchase Agreement and filing this Assignment with the United States Patent and Trademark Office, as may be necessary to effectuate the assignment and transfer of the Trademarks to Assignee.

In consideration of the promises and the mutual representations, warranties, covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Assignor hereby assigns, transfers, conveys and delivers to Assignee all of its right, title and interest in and to (a) each of the Trademarks and all applications and registrations thereof throughout the world, (b) the goodwill of the business symbolized by and associated with the Trademarks, and (c) all rights to proceeds of the foregoing, including, without limitation, any claim by Assignor against third parties for past, present, or future infringement of the Trademarks.
2. Assignor hereby acknowledges and agrees that from and after the date hereof, Assignee shall be the exclusive owner of the Trademarks.
3. As further set forth in the Purchase Agreement, Assignor shall, at Assignee's reasonable request, take such further action and execute such additional agreements and instruments as may be necessary to effect the assignment contemplated hereby and to perfect Assignee's title in and to the Trademarks. In addition, Assignor shall provide Assignee and its successors, assigns and legal representatives reasonable cooperation and assistance, at Assignee's request and sole cost and expense, in the prosecution or defense of any proceeding that may arise in connection with any of the rights assigned hereby.
