TRADEMARK ASSIGNMENT

THIS ASSIGNMENT is made by **International Commercial Supply Corporation, LLC**, a Connecticut limited liability company having its principal offices at 200 International Way, Winchester Business Park, Winsted, Connecticut ("Assignor"), in favor of **Consolidated Commercial Controls, Inc.**, a Delaware corporation having its principal offices at 8130 River Drive, Morton Grove, Illinois ("Assignee").

WHEREAS, pursuant to the Asset Purchase Agreement by and among Assignor, Assignee and the other parties named therein, dated as of the date hereof, Assignor agreed to assign to Assignee, and Assignee agreed to accept the assignment of, all of Assignor's rights, title and interest in and to the trademark listed on Exhibit A attached hereto, for which Assignor has obtained federal registration in the United States Patent and Trademark Office (the "Mark"), along with the goodwill of the business developed through the use of the Mark.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby assign to Assignee, free and clear of all liens, claims and encumbrances of any kind or nature whatsoever, all of Assignor's rights, title and interest in, to and under the Mark and the registration therefor, together with the goodwill of the business connected with the use of and symbolized by the Mark, and the right to sue or otherwise recover for any and all past, present and future infringements, misappropriations and/or other violations of any of the foregoing (collectively, the "Assigned Property").

Assignor shall execute and deliver to Assignee such additional instruments, and take such other actions, as are necessary or appropriate to confirm, evidence and carry out the transfer and assignment of the Assigned Property to Assignee as set forth herein, including without limitation, assisting Assignee, as may be reasonably requested by Assignee, to obtain and enforce Assignee's rights and protections relating to the Assigned Property in any and all countries. Assignor hereby appoints Assignee (and its duly authorized officers and agents) as Assignor's agent and attorney-in-fact, to act in Assignor's stead to execute and deliver any such additional instrument and take such other actions, with the same legal force and effect as if done by Assignor, should Assignor for any reason whatsoever fail to promptly execute or deliver any such instrument or take such other actions as described herein; Assignor acknowledges and agrees that this appointment constitutes a right coupled with an interest and is irrevocable.

Assignor hereby represents and warrants that it has all necessary right, power and authority to enter into this Assignment, assign the Assigned Property to Assignee as set forth herein and otherwise fulfill its duties and obligations hereunder.

This Assignment shall be governed by and construed in accordance with the federal laws of the United States and the laws of the State of New York, without regard to the conflicts of law principles thereof.
