TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT is entered into to be effective as of the 30th day of November, 2006, between Dynastream Innovations Inc., an Alberta corporation with its registered office at 1250, 639 5th Avenue S.W., Calgary, Alberta, Canada, T2P 0M9, (hereinafter "**Assignor**"), and Garmin Ltd., a Cayman Islands company with its registered office at 5th Floor, Harbour Place, P.O. Box 30464 SMB, 103 South Church Street, George Town, Grand Cayman, Cayman Islands (hereinafter "**Assignee**").

WHEREAS Assignor and/or its affiliates and subsidiaries have acquired rights in or to the trademarks listed in Exhibit A attached hereto (the "**Marks**").

AND WHEREAS Assignee is desirous of acquiring all rights, title and interest in the Marks that Assignor may have, including but not limited to, any right Assignor may have to use the Marks in commerce, or to hold or apply for registrations thereof, together with any goodwill of the business symbolized by or associated with the said Marks.

NOW, THEREFORE, in consideration of the sums set forth in the Asset Purchase Agreement and Conveyance and of the mutual promises hereinafter set forth, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignor, on behalf of itself and its subsidiaries and affiliates, hereby sells, transfers, conveys, assigns, transfers and delivers to Assignee, and Assignee hereby accepts, any and all right, title and interest Assignor and its subsidiaries and affiliates may have in and to any or all of the Marks, including, but not limited to, any right or prosecute applications for the registrations thereof in any trademark or similar office in any country worldwide, and to hold and renew the registrations thereof, together with the goodwill of the business symbolized by said Marks, together with any and all causes of action and other rights assertable under the Marks, including, if available, the right to sue third parties for infringement of or improper activities regarding the Marks, and the right to enjoy all of the monetary benefits obtained as a result of any such litigation, all of the foregoing to be held and enjoyed by Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor had this Agreement not been made.
2. Assignor hereby covenants that it will and will cause its subsidiaries and affiliates to, from time to time, to execute, deliver and acknowledge to Assignee all such additional instruments, documents, conveyances or assurances and take such other action as shall be necessary, or otherwise reasonably be requested by Assignee, to more effectively evidence or record the assignment and transfer of the interests of Assignor, and/or its subsidiaries and affiliates, if any, in and to the Marks. Assignor hereby covenants and agrees that it will not oppose Assignee's adoption, use or registration of any of the Marks or attempt to cancel any such registrations of Assignee.
3. Assignor hereby covenants that it will not use any of the Marks in connection with the Business, as such term is defined in the Asset Purchase Agreement and Conveyance.

IN WITNESS WHEREOF, the parties hereto have subscribed hereto through their duly authorized officers to be effective as of the date first written above.

Dear Andrew Etkind,

This is a letter of clarification to point out that that Exhibit "A" of the Dynastream trademark assignment to Garmin contains a typographical error listing the application serial number of the US trademark for "SDM." In this exhibit, this number is listed as 78/745,557, when in fact the correct serial number for the application is 78/745,577. Please adjust your records accordingly.

Sorry for any confusion that this may have caused.

Sincerely,

Kip Fyfe
President
