TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, this “Agreement”), dated as of December 14, 2007, made by AMERIMARK HOLDINGS, LLC, a Delaware limited liability company (“Holdings”), AMERIMARK DIRECT LLC, a Delaware limited liability company (“AmeriMark”), AMERIMARK INTERMEDIATE SUB, INC., a Delaware corporation (“Intermediate Holdco”), DR. LEONARD’S HEALTHCARE CORP., a Delaware corporation (successor by merger to MODERN COUPON SYSTEMS, INC., a New York corporation, HIGH RESPONSE HOLDINGS, INC., a Delaware corporation, and AMERIMARK MERGER SUB, INC., a Delaware corporation, and also known as DR. LEONARD’S HEALTHCARE CATALOG, DR. LEONARD’S HEALTHCARE, and CAROL WRIGHT GIFTS) (“Dr. Leonard’s”) and NATIONAL DISCOUNT BENEFIT SERVICE, LLC, an Ohio limited liability company (collectively, the “Grantors”, and each individually a “Grantor”), in favor of THE CIT GROUP/BUSINESS CREDIT, INC., as administrative agent (together with its successors, in such capacity, the “Administrative Agent”) for the Secured Parties (as defined in the Credit Agreement referred to in the remainder of this sentence), in connection with the Credit Agreement, dated as of December 14, 2007 (as amended, restated, amended and restated, supplemented, restructured or otherwise modified from time to time, the “Credit Agreement”), among Holdings, AmeriMark, Intermediate Holdco, Dr. Leonard's, the banks and other financial institutions or entities from time to time party thereto as lenders (the “Lenders”) and the Administrative Agent.

WITNESSETH:

WHEREAS, pursuant to the Guarantee and Collateral Agreement, dated as of December 14, 2007, made by the Grantors and the other grantors party thereto in favor of the Administrative Agent (as amended, restated, amended and restated, supplemented, restructured or otherwise modified from time to time, the “Collateral Agreement”), each Grantor granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in the Collateral (as defined in the Collateral Agreement) as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor’s Obligations.

WHEREAS, pursuant to the Collateral Agreement, each Grantor is required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each Grantor and the Administrative Agent agree as follows:

Section 1. Defined Terms

Capitalized terms used but not defined herein shall have the meanings given to them in the Collateral Agreement.

Section 2. Grant of Security Interest in Trademarks

Each Grantor hereby grants to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in all of the following property now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “Trademark Collateral”), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor’s Obligations:

(i) (a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, Internet domain names and other source or business identifiers, and all goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, including, without limitation, any of the foregoing referred to on Schedule A hereto, and (b) the right to obtain all renewals thereof;

(ii) all agreements, whether written or oral, providing for the grant by or to any Grantor of any right to use any Trademark, including, without limitation, any of the foregoing referred to on Schedule A hereto; and

(iii) to the extent not otherwise included, all Proceeds, Supporting Obligations and products of any and all of the foregoing and all collateral security and guarantees given by any Person with respect to any of the foregoing;

provided, that no United States intent-to-use trademark or service mark application filed on the basis of a Grantor’s intent-to-use such mark shall be included in the Collateral unless and until evidence of the use of such mark in interstate commerce is submitted to and accepted by the United States Patent and Trademark Office, and each Grantor acknowledges that immediately upon such acceptance by the United States Patent and Trademark Office, all interests of such Grantor in such mark shall automatically be subject to a security interest in favor of the Administrative Agent and shall be included in the Collateral.

The security interests granted pursuant to this Agreement are granted concurrently, and in conjunction, with the security interests granted to the Administrative Agent pursuant to the Collateral Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any irreconcilable conflict between the terms of this Agreement and the terms of the Collateral Agreement, the provisions of the Collateral Agreement shall govern.

Section 3. Modifications

This Agreement or any provision hereof may not be changed, waived, or terminated except in accordance with the amendment provisions of the Credit Agreement.

Section 4. Applicable Law

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

Section 5. Recordation

Each Grantor authorizes and requests that the Commissioner of Patents and Trademarks record this Agreement.

Section 6. Counterparts

This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.
