Without limiting the foregoing, Borrower authorizes Lender to file financing statements in all states, counties and other jurisdictions as Lender may elect, without Borrower's signature if permitted by law, describing the Collateral. Borrower hereby irrevocably appoints Lender as its true and lawful attorney-in-fact with full power of substitution in the place and stead of Borrower and in the name of Borrower, Lender or otherwise, which power is coupled with an interest, from time to time in Lender's discretion to do the following: (a) to sign or endorse the name of Borrower on all or any of such documents or instruments and perform all other acts that Lender reasonably deems necessary or advisable in order to perfect or continue perfected, maintain the priority or enforceability of or provide notice of Lender's security interest in the Collateral; (b) to execute any and all other applications, documents and instruments and to perform any and all acts and things for and on behalf of Borrower, which Lender may reasonably deem necessary or advisable to maintain, preserve and protect the Collateral and to accomplish the purposes of this Agreement, including (i) to defend, settle, adjust or institute any action, suit or proceeding with respect to the Collateral, (ii) to assert or retain any rights under any license, distribution or franchise agreement for or with respect to any of the Collateral and (iii) to execute any and all applications, documents, papers and instruments for Lender to use the Collateral, to grant or issue any exclusive or non-exclusive license with respect to any Collateral, and to assign, convey or otherwise transfer title in or dispose of the Collateral; and (c) to take any other actions with respect to the Collateral, consistent with the terms of this Agreement, as Lender deems reasonably necessary or in the best interest of Lender. The power of attorney set forth in this Section 4 is coupled with an interest and is irrevocable so long as this Agreement shall be in effect. Borrower hereby ratifies all that Lender shall lawfully do or cause to be done by virtue hereof.

5. **Covenants.** Borrower covenants and agrees that as long as this Agreement shall be in effect:

(a) Borrower shall (i) actively police and defend the Collateral, file and prosecute lawsuits, interference, opposition and cancellation proceedings, and take such other actions as necessary to protect the strength of and rights in the Collateral, (ii) protect, defend and maintain the validity and enforceability of the Collateral, (iii) use commercially reasonable efforts to ascertain or discover any infringements or violations of the Collateral and promptly advise Lender in writing of any infringements or violations detected, and (iv) not allow any Collateral to be abandoned, forfeited or dedicated to the public without the consent of Lender which shall not be unreasonably withheld; provided, however, Borrower may abandon and/or forfeit any application, filing and/or registration in any foreign (non-United States) jurisdiction but only after Borrower's Board of Directors has reasonably determined that such abandonment and/or forfeiture will not result in a Material Adverse Effect. Lender shall have the right, but

not the obligation, to take, at Borrower's sole expense, in its own name or in Borrower's name or in the names of the parties jointly any actions that Borrower is required to take under this section or other provisions of this Agreement, but which Borrower fails to take. Borrower shall prosecute any infringement or violation of the Collateral to protect the Collateral as required by this Agreement, giving due consideration to value, importance, cost and opinion of counsel as to such action. If Borrower decides not to prosecute an infringement or violation of the Collateral, Borrower shall promptly notify Lender in writing explaining the facts and reasons why Borrower has decided not to pursue such infringement or violation. If Lender reasonably determines that such infringement or violation must be prosecuted in order to protect Lender's interest in the Collateral, Lender shall so notify Borrower in writing and Borrower shall thereafter promptly prosecute such infringement or violation at Borrower's expense;

(b) Borrower shall promptly, upon its becoming aware thereof, notify Lender in writing of the existence or receipt of (i) any claim, dispute, lawsuit, arbitration, opposition, cancellation or interference proceeding, or other proceeding that in any way involves or relates to any of the Collateral, (ii) any adverse determination in or with respect to any of the pending or future applications for registration or registrations of any of the Collateral, and/or (iii) any adverse determination in or with respect to any lawsuits or other proceedings regarding the Collateral or regarding Borrower's claim of ownership in or right to use any of the Collateral; Borrower shall promptly provide to Lender any information with respect thereto required from time to time by Lender;

(c) Borrower shall renew, preserve and maintain all Patents, Trademarks, Copyrights, Trade Secrets and other Collateral in a timely manner, including without limitation filing all required affidavits and other documents and paying all necessary maintenance and other fees; provided, however, Borrower may forego renewal, preservation and/or maintenance of any of the foregoing in any foreign (non-United States) jurisdiction but only after Borrower's Board of Directors has reasonably determined that such abandonment and/or forfeiture will not result in a Material Adverse Effect.

(d) Borrower shall not sell, pledge, encumber, lien, hypothecate, assign, license, franchise, distribute or otherwise dispose of any rights in any of the Patents, Trademarks, Copyrights, Trade Secrets or other Collateral to any third party, in the U.S. or internationally, without the express, written consent of Lender, which consent shall not be unreasonably withheld by Lender;

(e) Lender shall have no obligation or responsibility to preserve, protect or defend the Collateral and Borrower shall at its own expense protect, defend and maintain the same as required by this Agreement or specifically by Lender from time to time in its sole discretion;

(f) Borrower shall prosecute diligently any Patent, Copyright, Trademark or other intellectual property application pending as of the date hereof or hereafter. Borrower shall notify Lender in writing of any such applications filed and/or registrations received for any of the Patents, Trademarks, Copyrights or other Collateral, and the parties shall amend this Agreement, any assignments, UCC-1 Financing Statements, Memorandum of Security Agreement or other document to reflect such applications and registrations. Borrower shall diligently file and

prosecute applications for registration for all major variations and improvements to the Trademarks, Copyrights and Patents, including derivative and collective marks and works upon their adoption and use;

(g) Borrower shall employ notices and proprietary markings in compliance with applicable legal requirements or as permitted to maximize the protection and enforcement of the Collateral;

(h) If Borrower fails to comply with any of its covenants or agreements herein, Lender may do so in Borrower's name or in Lender's name, at Borrower's expense, and Borrower shall reimburse Lender for all expenses, including reasonable attorney's fees and costs, incurred by Lender in protecting, defending and maintaining the Collateral;

(i) Borrower shall not enter into any agreement (for example, a license agreement, distribution agreement, joint development agreement, franchise agreement or work for hire agreement) that would allow actual or potential Collateral to become all or partly owned by any other Person, or that is inconsistent with Borrower's obligations under this Agreement, without Lender's prior written consent;

(j) Borrower shall not take any action, or permit any action to be taken by others subject to its control, including licensees, joint venture partners, franchisees, vendors, or joint developers, or fail to take any action, if doing so or not doing so would impair the title to, or validity or enforceability of the Collateral and/or of Lender's interest in the Collateral;

(k) Borrower shall permit Lender, at any reasonable time and from time to time, upon one (1) business day prior written notice, to inspect Borrower's premises and to examine Borrower's books, records, operations, and use and protection of the Patents, Trademarks, Copyrights, Trade Secrets and other Collateral, and permit Lender to make and retain copies of any of the Collateral and of such books and records in order to protect its interest in the Collateral;

(l) Borrower shall, promptly after executing this Agreement, to the extent not previously provided to Lender, provide to Lender a copy of the written agreements between Borrower and the Existing Interest Holders;

(m) Borrower shall pay when due all taxes and assessments against the Collateral and all claims and demands arising from Borrower's ownership or use of the Collateral, and will not cause or permit any Lien to be imposed on or to exist against the Collateral;

(n) Borrower will make no change to its organization status or existence, state of incorporation, corporate identification number, or name, nor merge into or consolidate with any other Person, in each case without providing Lender at least thirty (30) days' prior written notice; and

(o) With respect to Collateral consisting of rights in or under agreements, contracts, accounts, instruments, leases, permits, licenses, franchises, and the like, now existing or hereafter acquired or entered into, including the License Agreement between Borrower and

Hot Dog On A Stick Franchise, Inc., and the other Agreements set forth in **Schedule "B"** (collectively, "**Third Party Agreements**"):

(i) except with respect to Third Party Agreements of inconsequential value, the breach or loss of which could have no material adverse effect on Borrower, the Business or any of the remaining Collateral, Borrower will, at its sole cost and expense (a) perform and satisfy every obligation and condition of the Third Party Agreements to be performed or satisfied by Borrower; (b) give prompt notice to Lender of any notice of default given or received by Borrower under any Third Party Agreements, together with a copy of any such notice of default; (c) enforce, short of termination, the performance and satisfaction of every obligation and condition of the Third Party Agreements to be performed or satisfied by the other parties to the Third Party Agreements; and (d) appear in and defend any action arising from or relating to the Third Party Agreements or the obligations of any party under any Third Party Agreement;

(ii) except with respect to Third Party Agreements of inconsequential value, the breach or loss of which could have no material adverse effect on Borrower, the Business or any of the remaining Collateral, Borrower will not, without Lender's prior written consent, take any action to (a) terminate or amend any Third Party Agreements; (b) waive or release the parties to any Third Party Agreements from any obligation or condition to be performed or satisfied by such parties; (c) assign, transfer, pledge or otherwise encumber any of its rights in any Third Party Agreements, absolutely or for security; or (d) revoke or countermand, or attempt or purport to revoke or countermand, the irrevocable authorizations and instructions set forth in Subsection (iii) below. Any such purported action by Borrower without Lender's prior written consent will be void and will constitute a default under this Agreement;

(iii) Borrower hereby irrevocably authorizes and instructs every present and future party under every Third Party Agreement, upon demand by Lender, to pay and perform all of such party's obligations directly and only to Lender, to recognize and accept Lender as the holder of all of Borrower's rights and benefits under the Third Party Agreement for all purposes, and to accept any payment or performance by Lender of Borrower's obligations under the Third Party Agreement that Lender may elect to tender. No such party shall have any duty to investigate the validity or accuracy of any such demand by Lender. Each such party shall be relieved of any liability to Borrower for payment or performance under a Third Party Agreement to the extent that such party has paid or performed to Lender, pursuant to demand of Lender, even if it is later determined that Lender's demand for payment or performance was invalid. Lender shall have the right at any time to enforce Borrower's rights against every present and future party under every Third Party Agreement (including without limitation the account debtors and obligors); and

(iv) Lender is not obligated to perform any obligations of Borrower under any Third Party Agreement unless Lender so elects, and Borrower shall remain liable under every Third Party Agreement to the same extent as if this Agreement had not been executed. The exercise by Lender of any rights and remedies under this Agreement shall not release Borrower from any of its duties or obligations under any Third Party Agreement.

6. **Representations and Warranties.** Borrower represents, warrants and covenants that now and in the future during the pendency of this Agreement and until the Obligations are satisfied in full as follows:

this Agreement, or if any representation or warranty made herein shall be false or misleading in any material respect, or if an "Event of Default" shall exist under and as defined in any one or more of the Loan Agreements or under and as defined in any other document or instrument evidencing and/or securing a loan or other obligation of Borrower to Lender, whether now existing or arising in the future (such obligations, collectively the "**Borrower/Lender Obligations**"). Borrower expressly acknowledges and agrees that this Section 7 is intended to and does hereby cross-default all such Borrower/Lender Obligations, such that the occurrence of any Event of Default under any one or more of the Borrower/Lender Obligations shall constitute an immediate Event of Default under all of the other Borrower/Lender Obligations and under all documents and instruments evidencing and/or securing all such Borrower/Lender Obligations.

8. Remedies. From and after the occurrence and during the continuation of an Event of Default, Lender shall have all rights and remedies available to it under this Agreement, under the Loan Agreements and under applicable law (which rights and remedies are cumulative). Borrower agrees that such rights and remedies include the right of Lender as a secured party to sell or otherwise dispose of the Collateral after default, pursuant to the UCC. Borrower agrees that, in addition to its other rights, Lender shall at all times have such worldwide, royalty-free, exclusive, transferable, licenses (including the right to sublicense) for any Collateral that is reasonably necessary to permit the exercise of any of Lender's rights or remedies hereunder, including upon or after the occurrence of (and during the continuance of) an Event of Default with respect to (among other things) any tangible assets of Borrower in which Lender has a security interest, including Lender's rights to sell inventory, tooling, equipment or packaging which is owned or acquired by Borrower (or its successor, assignee or trustee in bankruptcy). In addition to and without limiting any of the foregoing, upon the occurrence and during the continuance of an Event of Default, Lender shall have the right but shall in no way be obligated to bring suit or to take such other action as Lender deems necessary or advisable, in the name of Borrower or Lender, to enforce its rights under this Agreement or to enforce or protect any of the Collateral, in which event Borrower shall, at the request of Lender, do any and all lawful acts and execute any and all documents required by Lender in aid of such enforcement.

9. Indemnity. Borrower agrees to defend, indemnify and hold harmless Lender and its officers, employees and agents against: (a) all obligations, demands, claims, and liabilities claimed or asserted by any Person in connection with the transactions contemplated by this Agreement, and (b) all losses or expenses in any way suffered, incurred, or paid by Lender as a result of or in any way arising out of, following or consequential to transactions between Lender and Borrower, whether under this Agreement or otherwise (including without limitation reasonable attorneys' fees and reasonable expenses), except for losses arising from or out of Lender's gross negligence or willful misconduct.

10. Miscellaneous.

(a) Termination. The security interest in the Collateral granted hereunder shall remain in full force and effect until the Obligations are satisfied in full and the Loan Agreements and any commitment to extend any financial accommodation thereunder have been terminated. At such time, Lender shall, if requested by Borrower, at Borrower's expense,

execute and deliver to Borrower, or to a third party upon Borrower's instructions, for filing with the appropriate government entity in the U.S. or elsewhere and in each office in which any financing statement pertaining to the security interest granted hereby may have been filed: (i) documentation in accordance with the rules and regulations of such office, (ii) termination statements under the UCC, and (iii) any other documentation reasonably requested by Borrower, all as may be necessary to release Lender's interest in the Collateral.

(b) **Governing Law; Venue; Jury Waiver.** If there is a lawsuit or other proceeding, Borrower agrees upon Lender's request to submit to the jurisdiction of the courts of San Diego County, California. To the extent permitted under applicable laws, Lender and Borrower hereby waive the right to any jury trial in any action, proceeding or counterclaim brought by Lender or Borrower against the other, and each waive any right to object to or contest the venue or jurisdiction selected by Lender. This Agreement will be governed by, construed and enforced in accordance with federal law and the laws of the State of California.

(c) **Entire Agreement.** This Agreement constitutes the entire agreement between the parties regarding the subject matter hereof, and supersedes all prior or contemporaneous understandings or agreements, whether oral or written regarding the subject matter hereof. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

(d) **Notice.** All notices required to be given under this Agreement shall be given as provided in the Loan Agreements.

(e) **Costs and Expenses.** Borrower agrees to pay upon demand all of Lender's costs and expenses, including Lender's attorneys' fees and Lender's legal expenses, incurred in connection with the preparation, execution, enforcement, modification and collection of this Agreement. Lender may hire or pay someone else to help collect the Obligations and to enforce this Agreement, and Borrower shall pay the costs and expenses of such collection and enforcement. Costs and expenses include Lender's attorneys' fees and Lender's legal expenses whether or not there is a lawsuit, including attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Borrower also shall pay all court costs and such additional fees as may be directed by the court.

(f) **Severability.** If a court of competent jurisdiction finds any provision of this Agreement to be illegal, invalid, or unenforceable as to any circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Agreement. Unless otherwise required by law, the illegality, invalidity, or enforceability of any provision of this Agreement shall not affect the legality, validity or enforceability of any other provision of this Agreement.

(g) **Successors and Assigns.** All covenants and agreements contained by or on behalf of Borrower shall bind Borrower's successors and assigns and shall inure to the benefit

of Lender and its successors and assigns. Borrower shall not, however, have the right to assign Borrower's rights under this Agreement or any interest therein, without the prior written consent of Lender.

(h) **Survival.** Borrower understands and agrees that in making the Loan and other financial accommodations set forth in the Loan Agreements, Lender is relying on all representations, warranties, and covenants made by Borrower in this Agreement or in any certificate or other instrument delivered by Borrower to Lender under this Agreement. Borrower further agrees that regardless of any investigation made by Lender, all such representations, warranties and covenants will survive the making of the Loan and other financial accommodations set forth in the Loan Agreements, shall be continuing in nature, and shall remain in full force and effect until such time as Borrower's Cross-Collateralized Indebtedness and all Obligations shall be paid and satisfied in full, or until this Agreement shall be terminated in the manner provided above, whichever is the last to occur.

(i) **Time is of the Essence.** Time is of the essence in the performance of this Agreement.

(j) **Waiver.** Lender shall not be deemed to have waived any right under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender nor any course of dealing between Lender and Borrower shall constitute a waiver of any of Lender's rights or Borrower's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent in subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

(k) **Counterparts.** This Agreement maybe executed in any number of counterparts and by different parties hereto and separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement.

IN WITNESS WHEREOF, the undersigned has executed this Agreement as of the date first written above.
