**INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT**

This ASSIGNMENT AGREEMENT (the "Assignment Agreement") is dated as of September 7, 2007, between RMS Services – USA, Inc., a Michigan corporation (the "Assignor") and Iron Mountain Information Management, Inc., a Delaware corporation ("Assignee").

**WITNESSETH:**

WHEREAS, on the terms and subject to the conditions set forth in the Asset Purchase and Sale Agreement, dated as of August 3, 2007 (the "Asset Purchase Agreement") by and between Assignee, Assignor and all of the holders of outstanding capital stock of Assignor, Assignor has agreed to sell, transfer, convey, assign and deliver to Assignee, and Assignee has agreed to acquire and accept, all of Assignor's right, title and interest in Assignor's Intellectual Property, as that term is defined in Section 3.22 of the Asset Purchase Agreement;

WHEREAS, Assignee wishes to acquire, and Assignor wishes to transfer all right, title and interest in and to Intellectual Property, including all rights to sue and recover for past infringement or wrongful use thereof everywhere in the world, as more specifically set forth on Schedule A attached hereto and incorporated herein by reference.

NOW, THEREFORE, in consideration of and in exchange for the sum of Ten Dollars (US\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over to Assignee all right, title and interest in and to the Intellectual Property, all together with the goodwill of the Business in connection with which the Intellectual Property are used, and with any and all renewals and extensions of the registrations for the Intellectual Property that may be secured under any applicable law now or hereafter in effect.

(1) Assignor will provide to Assignee, its successors, assigns or other legal representatives, all reasonable cooperation and assistance (including the execution and delivery of any and all affidavits, declarations, oaths and other documentation, and the delivery of any and all samples, exhibits, specimens and the like in the control of Assignor):

- (i) in the preparation and prosecution of any applications for registration or any applications for renewal of registrations covering the Intellectual Property;
- (ii) in the prosecution or defense of any opposition, interference, infringement suits or other proceedings that may arise in connection with any of the Intellectual Property, including testifying as to any facts relating to the Intellectual Property or this Assignment Agreement (however, in the event of any opposition, interference, infringement suit or other proceedings that may arise in connection with the Intellectual Property or this Assignment Agreement, Assignee agrees to

expenses or disbursements associated with such actions and will be entitled to retain the entire amount of any recovery or settlement; Assignor may if it so desires also be represented by counsel of its own selection, the fees of which counsel will be paid by Assignor); and

- (iii) in the implementation or perfection of this Assignment Agreement.
