Assignor does hereby sell, transfer, convey, assign and deliver to Assignee all right, title and interest of Assignor in and to the Assigned Marks, the registrations and applications for registrations thereof, and the goodwill of the business connected with the use thereof and symbolized thereby, free and clear of all liens or encumbrances other than the lien in favor of Intermec Inc.; all rights of priority therein in any country as may now or hereafter be granted to it by law, treaty or other international convention; and all rights, interests, claims and demands recoverable in law or equity, that Assignor has or may have in profits and damages for past, present and future infringements of the Assigned Marks, including, without limitation, the right to compromise, sue for and collect such profits and damages; the same to be held and enjoyed by Assignee, its successors and assigns or their legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

assurances and take such other action as shall be necessary, or otherwise reasonably be requested by Assignee, to confirm and assure the rights and obligations provided for in this Assignment and render effective the consummation of the transactions contemplated hereby, or otherwise to carry out the intent and purposes of this Assignment.
