INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement, dated as of November 26, 2007, is made by MDI Technologies, Inc., a Delaware corporation ("MDI"), and BlueWater Merger Co., a Delaware corporation ("BlueWater") together with MDI, the "Grantors" and each, a "Grantor", in favor of The Bank of Nova Scotia (the "Lender").

WITNESSETH:

WHEREAS, pursuant to a commitment letter dated as of November 19, 2007 made by the Lender to Logibec Groupe Informatique Ltée. (the "Borrower"), to which intervened Guichet Santé Inc., the Grantors and Ideal Software, Inc., as guarantors (as amended by a letter dated November 26, 2007 and as further amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), the Lender has agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein; and

WHEREAS, each Grantor is a party to a Guarantee and Collateral Agreement dated as of the date hereof in favor of the Lender (the "Guarantee and Collateral Agreement") pursuant to which such Grantor is required to execute and deliver this Intellectual Property Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Lender to enter into the Credit Agreement and to induce the Lender to make extensions of credit to the Borrower thereunder, each Grantor hereby agrees with the Lender as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guarantee and Collateral Agreement.

Section 2. Grant of Security Interest in IP Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Guarantor Obligations, hereby mortgages, pledges and hypothecates to the Lender and grants to the Lender a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the "IP Collateral"):

(a) all of its Trademarks, Trademark Licenses providing for the grant by or to Grantor of any right under any Trademark, Copyrights and Copyright Licenses providing for the grant by or to Grantor of any right under any Copyright, including, without limitation, the Trademarks referred to on Schedule 1 hereto and the Copyrights referred to on Schedule 2 hereto;

(b) all renewals and extensions of the foregoing;

(c) all income, royalties and proceeds at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof; and

(d) all goodwill of the business connected with the use of, and symbolized by, each of the foregoing.

Section 3. Guarantee and Collateral Agreements. The security interest granted pursuant to this Intellectual Property Security Agreement is granted in conjunction with the security interest granted to the Lender pursuant to each Guarantee and Collateral Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Lender with respect to the security interest in the IP Collateral made and granted hereby are more fully set forth in each Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantors Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, it shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its IP Collateral subject to a security interest hereunder.

Section 5. Termination. Upon indefeasible payment in full in cash of all Guarantor Obligations and irrevocable termination of the Guarantee and Collateral Agreement, this Agreement shall terminate and the Lender agrees, at the Grantors' expense, to execute and deliver to the Grantors such instruments and documents as may be reasonably requested to fully effect the release of the IP Collateral.

Section 6. Counterparts; Signatures. This Intellectual Property Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Any signature delivered by a party by facsimile or electronic transmission shall be deemed to be an original signature hereto.

Section 7. Governing Law. This Intellectual Property Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

[Signature Pages Follow]

In witness whereof, each Grantor has caused this Intellectual Property Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,
