TRADEMARK ASSIGNMENT

This **TRADEMARK ASSIGNMENT** (this "Assignment") is effective this 10th day of DECEMBER, 2007 (the "Effective Date"), by and between Cookies by Design, Inc., a Texas corporation ("Assignor"), and Crumb Corps, LLC, a Texas limited liability company ("Assignee") (collectively, the "Parties").

WHEREAS, Assignor is the owner of the trademarks set forth in Schedule A attached hereto including the goodwill of the business related thereto (collectively, the "Trademarks");

WHEREAS, Assignor has the right and authority to transfer all of its right, title and interest in and to the Trademarks;

WHEREAS, pursuant to and identified in the Asset Purchase Agreement dated the 6th day of November, 2007, by and between Assignor and Assignee, and joined for certain limited purposes by Mary Gwen Willhite Gilliam, Designed Cookies, Inc., and Cookies by Design of Dallas, LLC, (the "Asset Purchase Agreement") Assignee is purchasing from Assignor, and Assignor is selling to Assignee, all of Assignor's trademarks, service marks, trade names, trade dress, logos and slogans, and other indicia of origin, and any and all registrations and applications for registration thereof, existing anywhere, including, without limitation, the Trademarks;

WHEREAS, Assignor wishes to assign and transfer to the Assignee, and Assignee wishes to receive and acquire from the Assignor, all of the Assignor's rights, title, and interest in and to the Trademarks, and the goodwill associated therewith; and

WHEREAS, the parties, intending to be legally bound, agree as follows:

NOW, THEREFORE, in exchange for good and valuable consideration set forth in the Asset Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby assign, sell, transfer and set over to Assignee, its successors, legal representatives and assigns, all of Assignor's right, title and interest in and to the Trademarks, together with all the goodwill associated with the Trademarks and goodwill of Assignor's business in connection with which the Trademarks have been used, any registrations and applications for the Trademarks, and all claims, if any, which may have arisen thereunder prior to the date of this Assignment, and the right to recover for damages and profits and all other remedies for past, present and future infringements of the Trademarks.

Assignor represents and warrants that Assignor has the authority and power to enter into this Assignment that the Assignor has the exclusive ownership in and to the Trademarks, and that the Trademarks are free of any liens, security interests, encumbrances or licenses. Assignor further represents and warrants that no rights or equity of any third party is prejudiced due to the use of the Trademarks and that there is no pending litigation or any other dispute arising from or relating to the Trademarks.

Assignor covenants that Assignee will, upon request, be provided promptly with all pertinent facts and documents relating to the Trademarks as may be known and accessible to Assignor and will testify as to the same in any office action, opposition or litigation related thereto and will promptly execute and deliver to Assignee or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce the Trademarks.

Upon request of Assignee, at any time, Assignor shall promptly perform all reasonable acts, execute, acknowledge, deliver and/or cause to be delivered any letter of consent and any further assurances, instruments, affidavits, or documents, and provide any other assistance and cooperation as may be reasonably necessary or appropriate to cause a registration of the Trademarks for the full benefit of Assignee, to change ownership of the Trademarks and any registration and application for the Trademarks to Assignee, to perfect in Assignee full, sole and complete ownership in and to all rights, title and interest in and to the Trademarks and any registrations and applications therefor, and to fulfill all the terms and conditions of this Assignment.

This Assignment constitutes a complete and exclusive statement of the terms of the assignment and agreement between the parties with respect to its subject matter. This Assignment may not be amended except by a written document executed by the parties. A waiver of any term, condition or provision in this Assignment by either party shall be valid only if given in writing and only in the instance for which given and shall not be deemed continuing; further, any such waiver shall not be construed as a waiver of any other provision of this Assignment. Failure to exercise or assert any right or remedy shall not constitute a waiver of such right or remedy or of the same right or remedy in another case or of any other right or remedy.

If a court of competent jurisdiction holds any provision of this Assignment invalid or unenforceable, the other provisions of this Assignment will remain in full force and effect. Any provision of this Assignment held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed as of the Effective Date.
