TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT ("Agreement") is dated and made as of October 2, 2006 by Akrion SCP Acquisition Corp., a Delaware corporation (the "Grantor"), with its chief executive office at 6330 Hedgewood Dr., #150, Allentown, PA 18106, in favor of BHC Interim Funding II, L.P., a Delaware limited partnership (the "Lender"), with offices at 444 Madison Avenue, New York, NY 10022.

WITNESSETH:

WHEREAS, Grantor, by a Joinder Agreement, dated as of October 2, 2006 (the "Joinder Agreement"), is a party to that certain Term Loan and Security Agreement, dated as of July 5, 2006 (as amended, restated, supplemented or otherwise modified from time to time, the "Loan and Security Agreement"), by and among Akrion, Inc., a Delaware corporation (the "Borrower"), the Subsidiary Guarantors party thereto, and Lender;

WHEREAS, Grantor is a newly created subsidiary of the Borrower;

WHEREAS, pursuant to Section 6.10 of the Loan and Security Agreement, Grantor is obligated to grant to Lender a security interest in its property; and

WHEREAS, this Agreement is given and is intended to provide additional security for the Obligations.

NOW, THEREFORE, in consideration of the premises, the agreements, provisions and covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees with the Lender as follows:

1. Definitions. Capitalized terms used herein and not otherwise defined shall have the meanings assigned thereto in the Loan and Security Agreement. In addition, the following term has the meaning set forth below:

"Trademarks" means all of the Grantor's now-owned or existing or hereafter acquired or arising, right, title and interest in and to any and all trademarks, trademark registrations, trademark registration applications, trade names, service marks, service mark registrations, service mark registration applications, logos, slogans, symbols, trade dress, certification marks, and collective membership marks, including, without limitation, the marks listed on Exhibit A (collectively, the "Marks"), and (a) all renewals thereof, (b) all income, royalties, damages and payments now or hereafter due and/or payable under or with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past, present or future infringements or dilutions thereof, (c) the right to sue for past, present and future infringements and dilutions thereof, (d) the goodwill associated therewith, (e) all other rights corresponding thereto throughout the world, and (f) all proceeds thereof.

2. Security Interest. As collateral security for the Obligations, the Grantor hereby grants to the Lender, a valid, continuing security interest in and Lien on the Trademarks, with power of sale to the extent permitted by law (the "Security Interest").

3. Representations, Warranties and Agreements. The Grantor hereby represents, warrants and agrees as follows (all of which representations, warranties and agreements shall survive the execution and delivery of this Agreement and the closing of the transactions contemplated by the Loan Documents):

(a) Trademarks. Exhibit A accurately lists all Marks owned by the Grantor as of the date hereof and accurately reflects the jurisdiction and application or registration number thereof. Each of the Marks listed or required to be listed on Exhibit A is subsisting, has not been adjudged invalid or unenforceable, in whole or in part, and is valid and enforceable. If, before the Obligations shall have been paid and satisfied in full, the Grantor shall (a) become aware of any existing Marks of which the Grantor has not previously informed the Lender, or (b) become entitled to the benefit of any Trademarks, which benefit is not in existence on the date hereof, the provisions of this Agreement above shall automatically apply thereto and the Grantor shall give to the Lender prompt written notice thereof. The Grantor hereby authorizes the Lender to modify this Agreement by amending Exhibit A by replacing it with any such amended schedule provided by the Grantor under the provisions of this paragraph.

(b) Title. The Grantor has sole and absolute title to each of the Trademarks free and clear of all Liens (subject only to the Security Interest and, to the extent applicable, Permitted Encumbrances). The Grantor (i) will have, at the time the Grantor acquires any rights in Trademarks hereafter arising, sole and absolute title to each such Trademark free and clear of all Liens (subject only to the Security Interest and, to the extent applicable, Permitted Encumbrances), and (ii) will keep all Trademarks free and clear of all Liens (subject only to the Security Interest and, to the extent applicable, Permitted Encumbrances). No other person has any rights in or to any Trademarks owned by the Grantor (as opposed to licensed to the Grantor), except licensees which were granted written licenses to the Trademarks prior to the date hereof and which constitute Permitted Encumbrances.

(c) Valid Security Interest. This Agreement creates a continuing, valid security interest in favor of the Lender in the Trademarks, as security for the Obligations. By its signature hereto, the Grantor hereby authorizes the Lender to file against the Grantor, one or more financing, continuation or amendment statements pursuant to the UCC. Upon the filing of such financing, continuation or amendment statement, the Security Interest will be a valid and perfected security interest with priority over all other Liens (subject only to Permitted Encumbrances); to the extent that the Uniform Commercial Code is applicable to security interests in Trademarks.

To the extent that Federal or foreign trademark laws are applicable to security interests in trademarks, the recordation of this Agreement or other applicable instrument or document in the United States Patent and Trademark Office (or, as applicable, any foreign office or agency responsible for Trademark registration, recordation, or similar matters) against or relative to the Marks set forth on Exhibit A hereto or the Trademarks within three (3) months of the date hereof

will render the Lender's Security Interest in the Marks or other Trademarks effective against subsequent purchasers and mortgages of such Marks or other Trademarks.

(d) No Notices or Approvals. No authorization or approval or other actions by, and no notice to or filing with, any governmental authority or any other Person is required for (i) the grant by the Grantor, or the perfection of, the Security Interest purported to be created hereunder by the Grantor in the Trademarks or (ii) the exercise by the Lender of any of its rights and remedies hereunder except for the UCC filings and recordation of this Agreement in the United States Patent and Trademark Office (or, as applicable, foreign equivalent), as described in (c) of this Section. No shareholder agreements exist that would require the approval or other action by any governmental authority or any Person for any of the actions or events described in the preceding sentence.

(e) No Sale. Except as otherwise provided herein, the Grantor will not sell, transfer, encumber, license, or dispose of any of the Trademarks, or any right, title, or interest therein (including, without limitation, pursuant to any agreement with respect thereto) without the Lender's prior written consent.

(f) Infringement; Defense. To the best of the Grantor's knowledge, no infringement, violation, or unauthorized use is presently being made of any of the Trademarks by any Person. The past, present and contemplated future use of the Trademarks by the Grantor has not, does not, and will not infringe upon or violate any right, privilege or license of or with any other Person. The Grantor will at its own expense, and using its commercially reasonable efforts, protect and defend the Trademarks against all claims or demands of all Persons other than the Lender, PNC Bank, National Association (acting as agent under the Senior Working Capital Financing Agreements) and licensees.

(g) Maintenance. The Grantor will at its own expense maintain the Trademarks to the extent reasonably advisable in its business including, but not limited to, filing all applications to register and all affidavits and renewals possible with respect to issued registrations. The Grantor covenants that, except if it determines not to proceed with an application or maintenance of a Mark for reasonable and legitimate business purposes (for example, non-use), it will neither abandon nor fail to pay any maintenance or other fee due and payable on any such Trademark, nor fail to file any required affidavit in support thereof, without first providing the Lender: (i) sufficient written notice (in the manner set forth in the Loan and Security Agreement and at the address set forth in the Joinder Agreement) to allow the Lender to timely pay any such maintenance or other fees which may become due on any of the Trademarks, or to file any affidavit with respect thereto, and (ii) without impairing or otherwise limiting the power of attorney in favor of the Lender set forth below, a separate written power of attorney or other authorization to pay such maintenance or other fees, or to file such affidavit, should such be necessary or desirable.

(h) Lender's Right to Take Action. If the Grantor fails to perform or observe any of the covenants or agreements set forth in this Section 3, and if such failure continues for a period of ten (10) calendar days after the Lender gives the Grantor written notice thereof (or, in the case of the agreements contained in subsections (b)(ii), (e), or (g), immediately upon the occurrence of such failure, without notice or lapse of time), or if the Grantor notifies the Lender

that it intends to abandon any of the Trademarks, the Lender may (but need not) perform or observe such covenant or agreement on behalf and in the name, place and stead of the Grantor (or, at the Lender's option, in the Lender's own name) and may (but need not) take any and all other actions which the Lender may reasonably deem necessary to cure or correct such failure. The Lender shall not have any duty with respect to the Trademarks. Without limiting the generality of the foregoing, the Lender shall not be under any obligation to take any steps to preserve rights in the Trademarks against any other parties, but the Lender may do so at its option as provided in this Agreement.

(i) Costs and Expenses. The Grantor shall pay the Lender on demand the amount of all moneys expended and all out-of-pocket costs and expenses (including reasonable attorneys' fees) incurred by the Lender in connection with or as a result of the Lender taking action under subsection (h) or exercising its rights under Section 7, together with interest thereon after the date demanded by the Lender at the highest rate then applicable to any of the Obligations if not otherwise paid by the Grantor on demand.

(j) Power of Attorney. To facilitate the Lender's taking action under subsection (h) and exercising its rights under Section 7, after and during the continuance of an Event of Default, the Grantor hereby irrevocably appoints (which appointment is coupled with an interest) the Lender, or its delegate, as the attorney-in-fact of the Grantor with the right (but not the duty) from time to time to create, prepare, complete, execute, deliver, endorse or file, in the name and on behalf of the Grantor, any and all instruments, documents, applications, financing statements, and other agreements and writings required to be obtained, executed, delivered or endorsed by the Grantor under this Section 3, or, necessary for the Lender, after and during the continuance of an Event of Default, to exercise its remedies under Section 7 hereof. The Grantor hereby ratifies all that such attorneys-in-fact shall lawfully do or cause to be done by virtue hereof. The power of attorney granted herein is coupled with an interest and shall be irrevocable until the indefeasible payment and performance in full of all Obligations.

4. Grantor's Use of the Trademarks. The Grantor and its related parties and affiliates shall be permitted to control and manage the Trademarks, including the right to exclude others from making, using or selling goods or services covered by the Trademarks and any licenses thereunder and specifically including any right to enter into any licenses, in the same manner and with the same effect as if this Agreement had not been entered into, so long as no Event of Default exists.

5. No Royalties. The Grantor hereby agrees that the Lender's right to use the Trademarks as authorized hereunder in connection with the Lender's exercise of its rights and remedies under Section 7 or under the Loan and Security Agreement shall be co-extensive with the Grantor's rights in and to such Trademarks and the Lender shall have no liability to the Grantor for royalties or other related charges on account of any such use.

6. Events of Default. Each of the following occurrences shall constitute an event of default under this Agreement (herein called "Event of Default"): (a) an Event of Default, as defined in the Loan and Security Agreement, shall occur; or (b) the Grantor shall fail to observe or perform any covenant or agreement herein binding on it which is not cured within ten (10) days after notice to the Grantor by the Lender of the occurrence of such failure; or (c) any of the

representations or warranties contained in Section 3 shall prove to have been incorrect in any material respect when made.

7. Remedies. Upon the occurrence and during the continuation of an Event of Default, the Lender may, at its option, take any or all of the following actions:

(a) The Lender may exercise any or all remedies available under the Loan and Security Agreement.

(b) The Lender may sell, assign, transfer, pledge, encumber, license or otherwise dispose of the Trademarks.

(c) The Lender may enforce the Trademarks and any licenses thereunder, and if the Lender shall commence any suit for such enforcement, the Grantor shall, at the request of the Lender, do any and all lawful acts and execute any and all proper documents required by the Lender in aid of such enforcement.

(d) The Lender shall have, in addition to all of the rights and remedies hereunder, all rights and remedies allowed by law and the rights and remedies of the Lender under the UCC.

Upon the occurrence and during the continuation of an Event of Default, upon the Lender's demand, the Grantor agrees to assign, convey and otherwise transfer title in and to the Trademarks to the Lender or any transferee of the Lender and to execute and deliver to the Lender or any such transferee all such agreements, documents and instruments as may be necessary, in the exercise of the Lender's commercially reasonable judgment, to effect such assignment, conveyance and transfer.

8. Miscellaneous. The execution, delivery and performance of this Agreement is within the Grantor's corporate powers, has been duly authorized by all necessary corporate action, is not in contravention of law or the terms of Grantor's by-laws or certificate of incorporation or other applicable documents relating to Grantor's formation or to the conduct of Grantor's business or of any material agreement or undertaking to which Grantor is a party or by which Grantor is bound. This Agreement can be waived, modified, amended, terminated or discharged, and the Security Interest can be released, only explicitly in a writing signed by the Lender. A waiver signed by the Lender shall be effective only in the specific instance and for the specific purpose given. Mere delay or failure to act shall not preclude the exercise or enforcement of any of the Lender's rights or remedies. All rights and remedies of the Lender whether established hereby, by the Loan and Security Agreement, by any other document or by law, shall be cumulative and may be exercised singularly or concurrently, at the Lender's option, and the exercise or enforcement of any one such right or remedy shall neither be a condition to nor bar the exercise or enforcement of any other. The Lender shall not be obligated to preserve any rights the Grantor may have against prior parties, to realize on the Trademarks at all or in any particular manner or order, or to apply any cash proceeds of the Trademarks in any particular order of application. This Agreement shall be binding upon and inure to the benefit of the Grantor and the Lender and their respective participants, successors and permitted assigns (provided that the Grantor shall not assign its rights and obligations under this Agreement

without the Lender's prior written consent) and shall take effect when signed by the Grantor and delivered to the Lender, and the Grantor waives notice of the Lender's acceptance hereof. The Lender may execute this Agreement if appropriate for the purpose of filing, but the failure of the Lender to execute this Agreement shall not affect or impair the validity or effectiveness of this Agreement. A carbon, photographic or other reproduction of this Agreement or of any financing statement shall have the same force and effect as the original for all purposes of a financing statement. If any provision or application of this Agreement is held unlawful or unenforceable in any respect, such illegality or unenforceability shall not affect other provisions or applications which can be given effect and this Agreement shall be construed as if the unlawful or unenforceable provision or application had never been contained herein or prescribed hereby. All representations and warranties contained in this Agreement shall survive the execution, delivery and performance of this Agreement and the creation and payment of the Obligations.

9. APPLICABLE LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES.

10. WAIVER OF JURY TRIAL. THE GRANTOR AND THE LENDER HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS. THE GRANTOR AND THE LENDER ACKNOWLEDGE THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THE WAIVER IN ENTERING INTO THIS AGREEMENT AND THAT EACH WILL CONTINUE TO RELY ON THE WAIVER IN THEIR RELATED FUTURE DEALINGS. THE GRANTOR AND THE LENDER FURTHER WARRANT AND REPRESENT THAT EACH HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT EACH KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL.

11. CONSENT TO JURISDICTION. THE GRANTOR HEREBY CONSENTS TO THE JURISDICTION OF ANY STATE OR FEDERAL COURT LOCATED WITHIN THE COUNTY OF NEW YORK, STATE OF NEW YORK, AND IRREVOCABLY AGREES THAT, SUBJECT TO THE LENDER'S ELECTION, ALL ACTIONS OR PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT, SHALL BE LITIGATED IN SUCH COURTS. THE GRANTOR ACCEPTS FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, GENERALLY AND UNCONDITIONALLY, THE NON-EXCLUSIVE JURISDICTION OF THE AFORESAID COURTS AND WAIVES ANY DEFENSE OF FORUM NON CONVENIENS, AND IRREVOCABLY AGREES TO BE BOUND BY ANY JUDGMENT RENDERED THEREBY IN CONNECTION WITH THIS AGREEMENT. THE GRANTOR HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE UPON THE GRANTOR BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, DIRECTED TO THE GRANTOR, AT THE GRANTOR'S ADDRESS SET FORTH IN THE JOINDER AGREEMENT (OR AS MOST RECENTLY NOTIFIED BY THE GRANTOR IN WRITING IN ACCORDANCE WITH THE LOAN AND SECURITY AGREEMENT) AND

SERVICE SO MADE SHALL BE COMPLETE TEN (10) DAYS AFTER THE SAME HAS BEEN POSTED AS AFORESAID.
