TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of December 27, 2007, by ADVANCED TECHNOLOGY SERVICES, INC., an Illinois corporation (the "Grantor"), in favor of LASALLE BANK NATIONAL ASSOCIATION, in its capacity as administrative agent for the Lenders (in such capacity, the "Administrative Agent").

RECITALS

A. The Grantor has entered into an Amended and Restated Credit Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement") with various financial institutions and the Administrative Agent, pursuant to which such financial institutions have agreed to make loans to, and issue or participate in letters of credit for the account of, Grantor.

B. The Grantor has entered into a Guaranty and Collateral Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "Guaranty and Collateral Agreement") with the Administrative Agent pursuant to which certain obligations owed to the Administrative Agent and the Lenders are secured.

C. Pursuant to the Guaranty and Collateral Agreement, the Grantor is required to execute and deliver to the Administrative Agent, for the ratable benefit of the Lenders, this Agreement.

D. Pursuant to the terms of the Guaranty and Collateral Agreement, Grantor has granted to the Administrative Agent, for the benefit of the Lenders, a security interest in substantially all the personal property assets of the Grantor, including all right, title and interest of the Grantor in, to and under all now owned and hereafter acquired trademarks, trademark applications and trademark licenses, and all products and proceeds thereof, to secure the payment of all amounts owing by the Grantor under the Credit Agreement.

In consideration of the mutual agreements set forth herein and in the Credit Agreement, the Grantor does hereby grant to the Agent, for the benefit of the Lenders, a continuing security interest in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired:

1. each trademark and trademark application, including, without limitation, each trademark and trademark application referred to in Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;

2. each trademark license, including, without limitation, each trademark license listed on Schedule 1 annexed hereto, together with all goodwill associated therewith;

3. all products and proceeds of the foregoing, including, without limitation, any claim by the Grantor against third parties for past, present or future infringement of any trademark, including, without limitation, any trademark referred to in Schedule 1 annexed hereto, any trademark issued pursuant to a trademark application referred to in Schedule 1 and any trademark licensed under any trademark license listed on Schedule 1 annexed hereto (items 1 through 3 being herein collectively referred to as the "Trademark Collateral").

This security interest is granted in conjunction with the security interests granted to the Administrative Agent pursuant to the Guaranty and Collateral Agreement and subject to limitations set forth therein. The Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Agreement and Guaranty and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Capitalized terms used but not defined herein have the respective meanings ascribed thereto in the Guaranty and Collateral Agreement.

The Grantor has caused this Trademark Security Agreement to be duly executed by its duly authorized officer thereunto as of the date first set forth above.
