TRADE-MARK ASSIGNMENT

THIS TRADE-MARK ASSIGNMENT (the "Assignment") is made and entered into as of January 30, 2007 (the "Effective Date") by and between Vulcan Containers (Steel Pails & Metal Decorating) Ltd. having its principal place of business at 15 Bethridge Road, Rexdale, Ontario, M9W 1M6 ("Assignor") and Vulcan Containers ULC, with its principal office at 900-1959 Upper Water Street, Halifax, Nova Scotia, B3J 2X2 ("Assignee").

The Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor all rights at common law and all rights under statute in and to the trade-marks listed in Schedule "A", together with the goodwill of the business associated therewith (collectively the "Marks").

NOW THEREFORE for good and valuable consideration in the amount of CAD\$1.00, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over to Assignee the entire right, title and interest in and to the Marks, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of the respective countries, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor hereby requests the Registrar of Trade-marks in Canada and the United States Patent and Trademark Office in the United States to record Assignee as the assignee and owner of the Marks.

Assignor, on behalf of itself, its successors, assigns and legal representatives, hereby covenants and agrees, without further consideration, to do all such lawful acts and things

(including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimen, assignments, powers of attorney or other documentation) and to execute such further lawful assignments, documents, assurances, applications and other instruments as reasonably may be required by the Assignee, its successors, assigns or legal representatives, to obtain any and all registrations for the Trade-marks and to vest the same in the Assignee, its successors, assigns or legal representatives.

IN WITNESS WHEREOF Assignor and Assignee have caused this Assignment to be executed by their duly authorized representatives as of the Effective Date.
