## TRADEMARK ASSIGNMENT

**THIS TRADEMARK ASSIGNMENT** is made by and between **Cardinal Health Technologies, LLC** a Nevada corporation ("Assignor"), and **Catalent Pharma Solutions, Inc.**, a Delaware corporation ("Assignee").

**WHEREAS**, subject to the terms and conditions of this Trademark Assignment, Assignor wishes to assign to Assignee, and Assignee wishes to receive, all right, title, and interest in and to the trademark registrations set forth on Schedule A and all common law and other rights, worldwide, in and to the trademarks that are the subject of such registrations (such rights, collectively, the "Assigned Trademarks").

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors and Assignee agree as follows:

1. Assignor hereby sells, grants, assigns, transfers, and delivers to Assignee all of its rights, title and interests in and to the Assigned Trademarks, including without limitation the goodwill of the business appurtenant thereto and which is symbolized thereby, and the right to renew any registration therefor, to be held and enjoyed by Assignee for its own use and benefit and for the use and benefit of its successors, assigns and legal representatives, to be used as fully and entirely as said rights would have been held and enjoyed by Assignor had this assignment and sale not been made, together with all claims for damage by reason of past, present or future infringement of said Assigned Trademarks with the right to sue and collect the same for its own use or for the use of its successors, assigns or other legal representatives.

2. This Trademark Assignment shall be construed, performed and enforced in accordance with, and governed by, the laws of the State of New Jersey, without giving effect to the principles of conflicts of laws thereof.

3. This Trademark Assignment may be executed simultaneously in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Assignor hereby requests the Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Assigned Trademarks.
