WHEREAS, pursuant to that certain Credit, Security, Guaranty and Pledge Agreement, dated as of January 2, 2008 (as the same may be amended, supplemented or otherwise modified, renewed or replaced from time to time, the "Credit Agreement"), among the Borrower as borrower, the other Pledgors as guarantors, the Lenders referred to therein (the "Lenders") and JPMorgan Chase Bank, National Association, as administrative agent for the Lenders (in such capacity, the "Administrative Agent") and as Issuing Bank, the Lenders have agreed to make loans to the Borrower and the Issuing Bank has agreed to issued and the Lenders have agreed to participate in letters of credit for the account of the Borrower; and

WHEREAS, pursuant to the terms of the Credit Agreement, the Pledgors have granted to the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders) a security interest in and to all personal property of the Pledgors including, without limitation, all right, title and interest of the Pledgors in, to and under all of the Pledgors' Trademarks and Trademark licenses (including, without limitation, those Trademark licenses listed on Schedule B hereto), whether now owned, presently existing or hereafter arising, adopted or acquired and whether or not in possession of the Pledgors, together with the goodwill of the business connected with, and symbolized by, the Trademarks and all products and proceeds thereof and all income therefrom, including, without limitation, any and all causes of action which exist now or may exist in the future by reason of infringement or dilution thereof or injury to the associated goodwill, to secure the payment and performance of the Obligations; and

WHEREAS, the Administrative Agent and the Pledgors by this instrument seek to confirm and make a record of the grant of a security interest in the Trademarks and the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Pledgors do hereby grant to the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders), as security for the Obligations, a continuing security interest in all of the Pledgors' right, title and interest in, to and under the following (all of the following items (i) through (iii) of types of property being collectively referred to herein as the "Trademark Collateral"), whether now owned, presently existing or hereafter arising, adopted or acquired and whether or not in possession of the Pledgors:

- (i) each Trademark and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including, without limitation, each Trademark referred to in Schedule A annexed hereto;
- (ii) each Trademark license, including, without limitation, each Trademark license referred to in Schedule B annexed hereto, to the extent such Trademark license does not prohibit the licensee from assigning or granting a security interest in its rights thereunder; and
- (iii) all products and proceeds of, and income from, any of the foregoing, including, without limitation, any claim by the Pledgors against third parties for the past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Trademark license, or for injury to the goodwill associated with any Trademark.

The Pledgors agree to deliver updated copies of Schedule A and Schedule B to the Administrative Agent at the end of any quarter in which the Pledgors register or otherwise adopt or acquire any Trademark not listed on Schedule A hereto or enter into any Trademark license not listed on Schedule B hereto, and to duly and promptly execute and deliver, or have duly and promptly executed and delivered, at the cost and expense of the Pledgors, such further instruments or documents (in form and substance reasonably satisfactory to the Administrative Agent), and promptly perform, or cause to be promptly performed, upon the reasonable request of the Administrative Agent, any and all acts, in all cases, as may be necessary, proper or advisable from time to time, in the reasonable judgment of the Administrative Agent, to carry out the provisions and purposes of the Credit Agreement and this Trademark Security Agreement, and to provide, perfect and preserve the liens of the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders) granted pursuant to the Credit Agreement, this Trademark Security Agreement, and the other Fundamental Documents in the Trademark Collateral or any portion thereof.

The Pledgors agree that if any Person shall do or perform any act(s) which the Administrative Agent believes constitute an infringement of any Trademark, or violate or infringe any right therein of the Pledgors, the Administrative Agent, the Issuing Bank or the Lenders or if any Person shall do or perform any acts which the Administrative Agent reasonably believes constitute an unauthorized or unlawful use thereof, then and in any such event, upon thirty (30) days' prior written notice to the Pledgors (or if an Event of Default is at the time continuing, then without notice), the Administrative Agent may and shall have the right to take such reasonable steps and institute such reasonable suits or proceedings as the Administrative

Agent may deem advisable or necessary to prevent such act(s) and/or conduct and to secure damages and other relief by reason thereof, and to generally take such steps as may be advisable or necessary or proper for the full protection of the rights of the parties. The Administrative Agent may take such steps or institute such suits or proceedings in its own name or in the name of the Pledgors or in the names of the parties jointly. The Administrative Agent hereby agrees to give the Pledgors notice of any steps taken, or any suits or proceedings instituted, by the Administrative Agent pursuant to this paragraph and each of the Pledgors agrees to assist the Administrative Agent with any steps taken, or any suits or proceedings instituted by the Administrative Agent pursuant to this paragraph at the Pledgors' sole expense.

This security interest is granted in conjunction with the security interests granted to the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders) pursuant to the Credit Agreement. Each of the Pledgors and the Administrative Agent does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders) with respect to the security interest made and granted hereby are subject to, and more fully set forth in, the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Trademark Security Agreement is made for collateral purposes only. At such time as all Commitments under the Credit Agreement have terminated and all Obligations have been indefeasibly paid in full and performed, the Administrative Agent (on behalf of itself, the Issuing Bank and the Lenders) shall promptly execute and deliver to the Pledgors, at the Pledgors' expense, without representation, warranty or recourse, all releases and reassignments, termination statements and other instruments requested by the Pledgors as may be necessary or proper to terminate the security interest of the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders) in the Trademark Collateral, subject to any disposition thereof which may have been made by the Administrative Agent pursuant to the terms hereof or of the Credit Agreement.

Subject to the terms and conditions of the Credit Agreement, the Administrative Agent (on behalf of itself, the Issuing Bank and the Lenders) will provide notice(s) required by Section 8.6 of the Credit Agreement in connection with any enforcement of its rights against any of the Collateral, to the extent applicable.

So long as no Event of Default shall have occurred and be continuing, and subject always to the various provisions of the Credit Agreement and the other Fundamental Documents to which it is a party, the Pledgors may use, license and exploit the Trademark Collateral in any lawful manner permitted under the Credit Agreement and the other Fundamental Documents.

**THIS TRADEMARK SECURITY AGREEMENT SHALL BE  
CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAWS OF THE  
STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE  
PERFORMED WHOLLY WITHIN THE STATE OF NEW YORK.**

This Trademark Security Agreement, and any modifications or amendments hereto may be executed in any number of counterparts, each of which when so executed and

delivered shall constitute an original for all purposes, but all such counterparts taken together shall constitute but one and the same instrument.

All notices and other communications provided under this Trademark Security Agreement shall be delivered in such form, manner and address as provided in Section 15.1 of the Credit Agreement.

Any provision of this Trademark Security Agreement which is invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without invalidating the remaining provisions hereof, and any such invalidity, illegality or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

No amendment, modification, rescission, waiver or release of any provision of this Trademark Security Agreement, and no consent to any departure therefrom shall in any event be effective unless signed by the Administrative Agent (whose signature shall be delivered only in accordance with the applicable provisions of the Credit Agreement) and the Pledgors. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it is given.

It is understood and agreed that, notwithstanding anything to the contrary contained in this Trademark Security Agreement, the security interest being granted by the Pledgors hereunder is also for the benefit of any providers of any Swap Agreements described in clause (ii) of the definition of "Obligations" under the Credit Agreement. Any references in this Trademark Security Agreement to the "Lenders" shall be deemed to also include references to the providers of Swap Agreements described in clause (ii) of the definition of "Obligations" under the Credit Agreement.

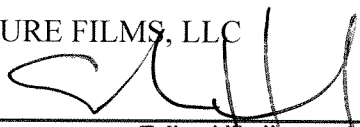

This Trademark Security Agreement shall bind and inure to the benefit of the parties hereto and their successors and permitted assigns (as determined pursuant to the Credit Agreement), but neither this Trademark Security Agreement nor any of the rights or interests hereunder shall be assigned by any Pledgor (including its successors and permitted assigns) without the prior written consent of the Administrative Agent (which shall be provided only in accordance with the applicable provisions of the Credit Agreement), and any attempted assignment without such consent shall be null and void.

Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Credit Agreement.
