## INTELLECTUAL PROPERTY ASSIGNMENT

WHEREAS, W.C. Wood Co., Inc. a corporation of Delaware, is the owner of the intellectual property, including all patents (including common law patents) and inventions, applications, registrations, re-examinations, reissues, continuations-in-part, divisions, improvements and extensions thereof, trademarks (including common law trademarks), servicemarks, and applications, registrations, renewals, affidavits and declarations of use therefor, all corporate names, including Assignor's names if such names contain the word "Wood", business names, trade names and styles, logos and designs, trade dress, copyrights, trade secrets, discoveries, process and technical information, engineering procedures, designs, know-how and processes (whether confidential or otherwise), domain names, software (excluding shrinkwrap and clickwrap software), goodwill, and other industrial property (including applications for any of these) that are related to the business of Assignor (the "Intellectual Property");

WHEREAS, pursuant to an Asset Purchase Agreement, dated as of the date hereof, between Assignor and Wood U.S. Acquisition Co., Inc. ("Assignee"), Assignee acquired all of Assignor's right, title and interest in and to certain assets, including the Intellectual Property, and assumed certain liabilities; and

WHEREAS, Assignee, a corporation of Delaware ("Assignee"), is acquiring from Assignor the Intellectual Property and associated goodwill, the registerable portion of which is identified in Schedule A;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby transfers and assigns to Assignee all of Assignor's rights, title, interest and goodwill in and to the Intellectual Property.

The rights transferred by this assignment include the right to bring all legal actions related to the scheduled Intellectual Property, including actions for any infringement no matter whether the infringement occurred before or after the assignment, and the right to recover damages for such infringement.

This assignment shall be construed and enforced in accordance with the laws of the State of New York (without giving effect to conflict of law principles).
