## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment") is made effective as of November 14, 2007 ("Effective Date"), by and between PROJECT CC, LLC, a Nevada limited liability company ("Assignor"), and CITYCENTER LAND, LLC, a Nevada limited liability company ("Assignee"). Reference is hereby made to the Assignment of Intellectual Property by and between Assignor and Assignee and certain other parties dated November 15, 2007 (the "Agreement").

WHEREAS, Assignor is the owner of the United States applications for trademark registration set forth on Schedule 1 attached hereto (collectively, the "Trademarks").

WHEREAS, in connection with the transaction contemplated by the Agreement, Assignor has agreed to assign, transfer and convey to Assignee, and Assignee has agreed to accept from Assignor, all of Assignor's right, title and interest in, to and under the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby assigns, transfers, and conveys to Assignee all of its right, title and interest in and to the Trademarks, including, without limitation, any registrations and applications thereof, any renewals and extensions of the registrations, all goodwill associated with any of the foregoing, and all other corresponding rights that are or may be secured under the laws of the United States, any jurisdiction thereof, any foreign country or any multinational jurisdiction now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties, damages or payments due or payable as of the Effective Date or thereafter, and including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of any of the Trademarks, with the right to sue for, and collect the same, for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor hereby requests the United States Commissioner of Patents and Trademarks to record Assignee as the assignee and owner of the Trademarks.

This Assignment shall be governed by and construed in accordance with the domestic law of the State of California.

This Assignment may be signed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
