TRADEMARK ASSIGNMENT

This Trademark Assignment is made by Emerson Network Power, Energy Systems, North America, Inc., a Delaware corporation having its principal place of business at 4350 Weaver Parkway, Warrenton, Illinois 60555 ("*Assignor*") in favor of Bourns, Inc., a California corporation having its principal place of business at 1200 Columbia Avenue, Riverside, California 92507 ("*Assignee*").

WHEREAS, Assignor attained an ownership interest in the following trademark ("*Trademark*"):

Trademark	Registration Number	Registration Date	Country
SUPERDUTY	2150174	Apr-14-1998	USA

WHEREAS, pursuant to the Asset Purchase Agreement between Assignor and Assignee, dated as of the 23rd day of January, 2008 (the "Asset Purchase Agreement"; capitalized terms not defined herein shall have the meaning ascribed to them in the Asset Purchase Agreement), Assignor has agreed to sell to Assignee substantially all of its assets, properties, rights and interests relating to the Business, including all its right, title and interest in the Trademark in the United States and throughout the world.

NOW, THEREFORE, in consideration and for promises and covenants set forth in the Asset Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor agrees to assign and hereby assigns to Assignee all of Assignor's right, title and interest to the Trademark, together with that part of the goodwill of the Business connected with the use of and symbolized by the Trademark, free and clear of all Encumbrances, in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights in which such applications are entitled under international conventions, treaties, or otherwise.

Assignor further assigns to Assignee all causes of action for infringement of the Trademark that may have accrued as of the date set forth below. Assignor acknowledges that the Assignee is solely responsible for all procedures and related expenses associated with recording the assignment of the Trademark with the United States Patent and Trademark Office and all other bodies/entities, if any.

Assignor will, at any time and from time to time, upon request of Assignee and at Assignee's sole expense, do, execute, acknowledge, and deliver all such further acts and deeds, assignments, instruments of transfer or conveyance, registrations for assignments, powers of attorney and assurances as may be reasonably required for the assigning, assuring and confirming to Assignee, or to its successors and assigns, or for aiding and assisting in collecting and reducing to possession, the Trademark, and that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Trademark in the United States and throughout the world, and

for perfection, recording, or maintaining the title of Assignee, its successors and assigns, of said Trademark in the United States and throughout the world.

Assignor represents and warrants that it has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Trademark Assignment
Emerson Network Power, Energy Systems, North America, Inc. to Bourns, Inc.

IN WITNESS WHEREOF, this Trademark Assignment is executed on this 23rd day of
January, 2008.
