EXHIBIT A-5
Trademark Assignment

THIS TRADEMARK ASSIGNMENT (this "Assignment") dated as of January 16, 2008, by A-1 Components, LLC, a Wisconsin limited liability company, as assignor (the "Assignor"), Hendricks Holding Company, Inc., a Wisconsin corporation ("HHC") and Henry Technologies, Inc., an Illinois corporation, as assignee (the "Assignee").

WITNESSETH:

WHEREAS, ASSIGNOR is the owner of the tradenames and trademarks set forth on the attached Exhibit A and any and all trade dress associated therewith ("the Marks"), together with the goodwill of the business symbolized thereby in connection with the products on which the Marks are used; and

WHEREAS, in connection with that certain Asset Purchase Agreement by and between Assignor and Assignee dated effective January 1, 2008 (the "Purchase Agreement"), ASSIGNOR desires to convey, transfer, assign, deliver, and contribute to ASSIGNEE all of ASSIGNOR's right, title, and interest in and to the Marks in the United States of America and in all foreign countries (collectively, the "Marks"); and

WHEREAS, as part of an earlier contribution of assets, ASSIGNOR had received the rights to the Marks from HHC but such assignment was not fully documented or recorded; and

WHEREAS, the parties wish that there be no confusion as to the fact that all rights, title and interest to the Marks listed on Exhibit 1 will reside entirely with ASSIGNEE upon the execution of this Agreement.

NOW, THEREFORE, ASSIGNOR and HHC, in consideration of the mutual agreements set forth in the Asset Purchase Agreement between ASSIGNOR and ASSIGNEE, and other good and valuable consideration, acknowledged to be sufficient and received, do hereby:

1. **Assignment.** ASSIGNOR and HHC, to the extent that HHC has any right, title and interest to the Marks, hereby convey, transfer, assign, deliver, and contribute to ASSIGNEE all of ASSIGNOR'S and HHC's right, title, and interest in and to the Marks, together with (a) the goodwill of the business relating to the Marks; (b) all income, royalties, and damages hereafter due or payable to ASSIGNOR or HHC with respect to the Marks, including without limitation, damages, and payments for past or future infringements and misappropriations of the Marks; and (c) all rights to sue for past, present, and future infringements or misappropriations of the Marks. ASSIGNOR and HHC further convey, transfer, assign, deliver, and contribute to ASSIGNEE all rights in the trade dress, labels, and designs, if any, associated with the Marks.

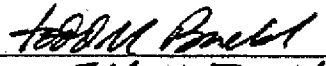

2. **Further Assurances.** ASSIGNOR and HHC further covenant that they will execute all documents, papers, forms and authorizations and take all other actions that may be necessary for securing, completing, or vesting in ASSIGNEE full right, title, and interest in the Marks. The terms and conditions of the Purchase Agreement shall survive the execution of this Agreement, as expressly provided in the Purchase Agreement.

IN WITNESS WHEREOF, ASSIGNOR and HHC have duly executed under seal and delivered this Trademark Assignment, effective as of January 1, 2008.
