SHORT-FORM TRADEMARKS SECURITY AGREEMENT

WHEREAS, LONDON BAY – TSS ACQUISITION COMPANY, LLC, a limited liability company duly organized and validly existing under the laws of the State of Delaware (the "Parent Guarantor"), SELLING SOURCE, LLC, a limited liability company duly organized and validly existing under the laws of the State of Delaware (the "Borrower"), and DATA, LTD., a limited liability company duly organized and validly existing under the laws of the State of Nevada, PARTNER WEEKLY L.L.C., a limited liability company duly organized and validly existing under the laws of the State of Nevada, and EPIC CREDIT TECHNOLOGY GROUP, LTD., a limited liability company duly organized and validly existing under the laws of the State of Nevada (together with the Parent Guarantor and the Borrower, the "Grantors") have adopted, used, are using, or intend to use, and are the owners of, the respective trademarks and trademark applications listed in the attached Schedule of Registered Trademarks, and the registrations and applications associated therewith;

WHEREAS, the Grantors have contemporaneously with the execution of this Short-Form Trademarks Security Agreement entered into the Security Agreement dated as of December 21, 2007 (as modified from time to time, the "Security Agreement"), in which the Grantors have granted certain interests in favor of The Bank of New York, as collateral agent (the "Collateral Agent") for the benefit of the Secured Parties (as defined therein); and

WHEREAS, pursuant to the Security Agreement, the Grantors have agreed with the Collateral Agent to execute this Short-Form Trademarks Security Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

(a) Each of the Grantors hereby grants to the Collateral Agent, for itself and for the ratable benefit of the First Priority Secured Parties (as defined in the Security Agreement), to the extent provided in the Security Agreement (the terms and conditions of which are hereby incorporated herein), a first priority security interest in all of its right, title and interest in, to and under all the trademarks, whether now owned or at any time hereafter acquired, of such Grantor that are registered with, or for which applications for registration have been filed with, the United States Patent and Trademark Office, including the trademarks of such Grantor listed on the attached Schedule of Registered Trademarks, and all registrations and pending applications associated therewith (excluding any application for registration of a trademark filed on an intent-to-use basis solely to the extent that the grant of a security interest in any such trademark application would materially adversely affect the validity or enforceability of the resulting trademark registration or result in cancellation of such trademark application), as collateral security for the prompt and complete payment and performance when due of all the First Priority Obligations (as defined in the Security Agreement).

(b) Each of the Grantors hereby grants to the Collateral Agent, for itself and for the ratable benefit of the Second Priority Secured Parties (as defined in the Security

Agreement), to the extent provided in the Security Agreement (the terms and conditions of which are hereby incorporated herein), a security interest (junior in priority to the security interests described in clause (a) above) in all of its right, title and interest in, to and under all the trademarks, whether now owned or at any time hereafter acquired, of such Grantor that are registered with, or for which applications for registration have been filed with, the United States Patent and Trademark Office, including the trademarks of such Grantor listed on the attached Schedule of Registered Trademarks, and all registrations and pending applications associated therewith (excluding any application for registration of a trademark filed on an intent-to-use basis solely to the extent that the grant of a security interest in any such trademark application would materially adversely affect the validity or enforceability of the resulting trademark registration or result in cancellation of such trademark application), as collateral security for the prompt and complete payment and performance when due of all the Second Priority Obligations (as defined in the Security Agreement).
