**BILL OF SALE**

THIS BILL OF SALE ("Bill of Sale") is made and entered into as of February 6, 2007 by CBM INTELLECTUAL PROPERTIES, INC., a Nevada corporation ("Assignor"), in favor of LONZA SALES AG, a Swiss company ("Assignee").

WHEREAS, reference is made to a Stock Purchase Agreement, dated October 23, 2006, and among Assignee, Lonza America Inc., Lonza Bioproducts AG, Lonza Group Limited, Cambrex Corporation ("Cambrex") and each of the subsidiaries listed on Schedule I thereto (the "Stock Purchase Agreement"), providing for, among other things, the transfer to Assignee of certain assets and properties by Assignor for consideration in the amount and on the terms and conditions provided for in the Stock Purchase Agreement (all capitalized terms used herein and not otherwise defined herein shall have the respective definitions ascribed to such terms in the Stock Purchase Agreement); and

WHEREAS, to carry out the intent and purpose of the Stock Purchase Agreement, Assignor is executing and delivering to Assignee this instrument evidencing the vesting in Assignee of all of Assignor's right, title and interest in and to all of the assets of Assignor, on the terms and conditions set forth in the Stock Purchase Agreement, in addition to such other instruments which Assignee shall have otherwise received or may hereafter receive pursuant to the Stock Purchase Agreement.

NOW, THEREFORE, in consideration of the premises, the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor and the Assignee hereby agree as follows:

1. ASSIGNMENT. The Assignor hereby assigns, transfers, conveys, grants, sells, sets over and delivers, as of the date hereof, to the Assignee, and its successors and assigns forever, all of the Assignor's right, title and interest in and to all of the assets, properties, rights and business of the Assignor of every type and description, whether real, personal, or mixed, tangible or intangible, wherever located and whether or not reflected on the books and records of the Assignor, including, without limitation:

(i) those assets, properties and rights reflected on the Schedule I attached hereto;

(ii) all other patents, trademarks, copyrights, trade secrets, domain names and any other similar type of intellectual property right under any law, statutory provision or common law doctrine in the United States or any other country;

(iii) all of Assignor's right, title and interest in and claims under all contracts and other agreements;

(iv) all of the permits, licenses, franchises, registrations, certificates, consents approvals and authorizations by governmental or regulatory bodies;

(v) the goodwill of Assignor; and

(vi) all other assets, properties, rights and business of every kind and nature owned or held by Assignor, or in which Assignor has an interest, on the Closing Date, known or unknown, fixed or unfixed, choate or inchoate, accrued, absolute, contingent or otherwise, whether or not specifically referred to in this Bill of Sale.

2. MISCELLANEOUS.

(i) Nothing herein contained will itself change, amend, extend, or alter (nor should it be deemed or construed as changing, amending, extending, or altering) the terms or conditions of the Stock Purchase Agreement in any manner whatsoever. The parties acknowledge and agree that the representations, warranties, covenants, agreements, and indemnities contained in the Stock Purchase Agreement will not be superseded hereby but will remain in full force and effect to the full extent provided therein and that neither the representations and warranties nor the rights and remedies of the parties under the Stock Purchase Agreement shall be deemed to be enlarged, diminished, modified or altered in any way by this Bill of Sale. In the event of any conflict or inconsistency between the terms of the Stock Purchase Agreement and the terms of this Bill of Sale, the terms of the Stock Purchase Agreement, including, without limitation, Articles VI, VII and IX thereof, will govern.

(ii) Nothing in this Bill of Sale, express or implied, is intended or shall be construed to confer upon or give to, any person, firm or corporation other than Assignee and its successors and permitted assigns and Assignor and its successors and permitted assigns any remedy or claim under or by reason of this Bill of Sale or any term, covenant or condition hereof, and all of the terms, covenants, conditions, promises, and agreements in this Bill of Sale shall be for the sole and exclusive benefit of Assignee and its successors and permitted assigns and Assignor and its successors and permitted assigns.
