TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement") dated as of February 26th, 2008, between TECHNIQUE GOLF, L.L.C., a Michigan limited liability company (the "Debtor"), and FIFTH THIRD BANK, a Michigan banking corporation (the "Secured Party").

WHEREAS, the Debtor is indebted to the Secured Party pursuant to the Revolving Note (the "Note"), dated November 1, 2005, executed by Debtor and made payable to the order of Secured Party, and all agreements, instruments and documents executed or delivered in connection with the foregoing or otherwise related thereto including without limitation the Security Agreement between the parties dated November 1, 2005 (the "Security Agreement") (collectively, together with any amendments, modifications, or restatements thereof, the "Loan Documents"); and

WHEREAS, in connection with the Note, the Debtor has granted to the Secured Party a security interest in all collateral existing as of the date of execution of the Security Agreement and all collateral thereafter acquired by the Debtor;

WHEREAS, the Debtor has acquired certain trademarks and associated goodwill (the "Trademarks") pursuant to a Trademark Purchase and Assignment Agreement dated February 25, 2008 with Allied International Trading, Inc. and Arai Shoji Co. Ltd;

WHEREAS, the Debtor has agreed to grant to the Secured Party a security interest in the Trademarks;

NOW THEREFORE, Debtor and Secured Party hereby agree as follows:

SECTION 1. Definitions; Interpretation.

- (a) Terms Defined in Loan Documents. All capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings assigned to them in the Loan Documents.
- (b) Certain Defined Terms. As used in this Agreement, the following terms shall have the following meanings:

"Collateral" has the meaning set forth in Section 2.

"Obligations" has the meaning set forth in the Security Agreement.

"PTO" means the United States Patent and Trademark Office.

"UCC" means the Uniform Commercial Code as in effect from time to time in the State of Michigan; provided, that if, with respect to any UCC financing statement or by reason of any provisions of law, the perfection or the effect of perfection or non-perfection of the security interests granted to the Purchaser is governed by the Uniform Commercial Code as in effect in a jurisdiction of the United States other than Michigan, then "UCC" shall mean the Uniform Commercial Code as in effect from time to time in such other jurisdiction for purposes of any UCC financing statement relating to such perfection or effect of perfection or non-perfection.

(c) Terms Defined in UCC. Where applicable in the context of this Agreement and except as otherwise defined herein, terms used in this Agreement shall have the meanings assigned to them in the UCC.

(d) Construction. In this Agreement, the following rules of construction and interpretation shall be applicable: (i) no reference to "proceeds" in this Agreement authorizes any sale, transfer, or other disposition of any Collateral by Debtor; (ii) "includes" and "including" are not limiting; (iii) "or" is not exclusive; and (iv) "all" includes "any" and "any" includes "all." To the extent not inconsistent with the foregoing, the rules of construction and interpretation applicable to the Loan Agreements shall also be applicable to this Agreement and are incorporated herein by this reference.

SECTION 2. Security Interest.

(a) Grant of Security Interest. As security for the payment and performance of the Obligations, Debtor grants to Secured Party a security interest in and a mortgage upon, all of Debtor's right, title and interest in, to and under the following property, in each case whether now or hereafter existing or arising or in which Debtor now has or hereafter owns, acquires or develops an interest and wherever located (collectively, the "Collateral"):

(i) all state (including common law), federal and foreign trademarks, service marks and trade names, Internet domain names, and other indicators of source, all registrations for any of them, and all applications for registration of any of them (but excluding any application to register any trademark, service mark or other mark prior to the filing under applicable law of a verified statement of use (or the equivalent) for such trademark, service mark or other mark to the extent that the creation of a security interest therein or the grant of a mortgage thereon would void or invalidate such application or the registration resulting therefrom) (all such registrations and applications for registration being the "Registered Trademarks"), all licenses relating to any of the foregoing and all income and royalties with respect to any licenses (including, without limitation, the Trademarks and the marks, names and applications as described in Schedule A), whether registered or unregistered and wherever registered, all rights to sue for past, present or future infringement or unconsented use thereof, all rights arising therefrom and pertaining thereto and all reissues, extensions and renewals thereof;

(ii) the entire goodwill of or associated with the businesses now or hereafter conducted by Debtor connected with and symbolized by the items listed in Section 2(a)(i);

(iii) all General Intangibles (as defined in the Security Agreement), and all intangible intellectual or other similar property of Debtor of any kind or nature associated with or arising out of any of the aforementioned properties and assets and not otherwise described above; and

(iv) all proceeds of any and all of the foregoing Collateral (including license royalties, rights to payment, accounts receivable and proceeds of infringement suits) and, to the extent not otherwise included, all payments under insurance (whether or not Secured Party is the loss payee thereof) or any indemnity, warranty or guaranty payable by reason of loss or damage to or otherwise with respect to the foregoing Collateral.

(b) Continuing Security Interest. Debtor agrees that this Agreement shall create a continuing security interest in the Collateral that shall remain in effect until terminated in accordance with Section 11.

SECTION 3. Supplement to Note Purchase Agreement. This Agreement has been entered into in conjunction with the security interests granted to Secured Party under the Security Agreement and the Loan Documents. The rights and remedies of Secured Party with respect to the security interests granted herein are without prejudice to, and are in addition to those set forth in the Security Agreement and the Loan Documents or any other security documents referred to therein, all terms and provisions of which are incorporated herein by reference.

SECTION 4. Representations and Warranties. Debtor represents and warrants to Secured Party that it is the owner of all right, title and interest in and to the Collateral, and that a true and correct list of all of the Registered Trademarks in which Debtor owns an interest is set forth in Schedule A hereto.

SECTION 5. Further Acts. On a continuing basis, Debtor shall make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments and documents, and take all such action as may be necessary or advisable or may be requested by Secured Party to carry out the intent and purposes of this Agreement and to diligently maintain and prosecute the Registered Trademarks, or for assuring, confirming or protecting the grant or perfection of the security interest granted or purported to be granted hereby, to ensure Debtor's compliance with this Agreement or to enable Secured Party to exercise and enforce its rights and remedies hereunder with respect to the Collateral, including any documents for filing with the PTO or any applicable trademark registration authority of jurisdictions other than the United States. Secured Party may record this Agreement, an abstract thereof, or any other document describing Secured Party's interest in the Collateral with the PTO or any applicable trademark registration authority of jurisdictions other than the United States. In addition, Debtor authorizes Secured Party to file financing statements describing the Collateral in any UCC filing office deemed appropriate by Secured Party. If the Debtor shall at any time hold or acquire a commercial tort claim arising with respect to the Collateral, the Debtor shall immediately notify Secured Party in a writing signed by the Debtor of the brief details thereof and grant to the Secured Party in such writing a security interest therein and in the proceeds thereof, all upon the

terms of this Agreement, with such writing to be in form and substance satisfactory to the Secured Party.

SECTION 6. Authorization to Supplement. If Debtor shall obtain rights to or become entitled to the benefit of any new Collateral, the provisions of this Agreement shall automatically apply thereto. Debtor shall give prompt notice in writing to Secured Party with respect to any such new Collateral. Without limiting Debtor's obligations under this Section 6, Debtor authorizes Secured Party unilaterally to modify this Agreement by amending Schedules A to include any such new Collateral. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedules A shall in any way affect, invalidate or detract from Secured Party's continuing security interest in all Collateral, whether or not listed on such Schedule A.

SECTION 7. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by Debtor, Secured Party and their respective successors and assigns. Debtor may not assign, transfer, hypothecate or otherwise convey its rights, benefits, obligations or duties hereunder except as specifically permitted by the Security Agreement.

SECTION 8. Governing Law. This Agreement shall be governed by, and construed in accordance with, the law of the State of Michigan, except as required by mandatory provisions of law or to the extent the validity, perfection or priority of the security interests hereunder, or the remedies hereunder, in respect of any Collateral are governed by the law of a jurisdiction other than Michigan.

SECTION 9. Entire Agreement; Amendment. This Agreement, the Security Agreement and the Loan Documents, together with the schedules hereto and thereto, contains the entire agreement of the parties with respect to the subject matter hereof and supersede all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties, as provided in the Security Agreement. Notwithstanding the foregoing, Secured Party unilaterally may re-execute this Agreement or modify, amend or supplement Schedule A hereto as provided in Section 6 hereof. To the extent that any provision of this Agreement conflicts with any provision of the Security Agreement or the Loan Documents, the provision giving Secured Party greater rights or remedies shall govern, it being understood that the purpose of this Agreement is to add to, and not detract from, the rights granted to Secured Party under the Security Agreement and the Loan Documents.

SECTION 10. Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of this Agreement by facsimile shall be equally as effective as delivery of a manually executed counterpart. Any party hereto delivering a

counterpart of this Agreement by facsimile shall also deliver a manually executed counterpart, but the failure to so deliver a manually executed counterpart shall not affect the validity, enforceability, or binding effect hereof.

SECTION 11. Termination. Upon payment and performance in full of all Obligations, the security interests created by this Agreement shall terminate and Secured Party shall promptly execute and deliver to Debtor such documents and instruments reasonably requested by Debtor as shall be necessary to evidence termination of all such security interests given by Debtor to Secured Party hereunder, including cancellation of this Agreement by written notice from Secured Party to the PTO.

SECTION 12. No Inconsistent Requirements. Debtor acknowledges that this Agreement and the other documents, agreements and instruments entered into or executed in connection herewith may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and Debtor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms.

SECTION 13. Severability. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

SECTION 14. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Security Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement, as of the date first above written.
