TRADEMARK AND PATENT SECURITY
AGREEMENT dated as of January 11, 2008 (this "*Agreement*"),
among SATURN FASTENERS, INC., a California corporation
(the "*Grantor*"), and CREDIT SUISSE, CAYMAN ISLANDS
BRANCH, as Collateral Agent (in such capacity, the "*Collateral
Agent*").

Reference is made to (a) the Term Loan Guarantee and Collateral Agreement dated as of August 11, 2006 (as amended, supplemented or otherwise modified from time to time, the "*Security Agreement*"), among King Holding Corporation, a Delaware corporation ("*Holdings*"), Acument Global Technologies, Inc. (f/k/a TFS Acquisition Corporation), a Delaware corporation (the "*Borrower*"), the subsidiaries of the Borrower from time to time party thereto and the Collateral Agent and (b) the Term Loan Credit Agreement dated as of August 11, 2006 (as amended, supplemented or otherwise modified from time to time, the "*Credit Agreement*"), among Holdings, the Borrower, the Lenders party thereto and Credit Suisse, Cayman Islands Branch, as administrative agent and collateral agent. The Lenders have extended credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to maintain such extension of credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Grantor is an affiliate of the Borrower, derives substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and is willing to execute and deliver this Agreement in order to induce the Lenders to maintain such extension of credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, the Grantor, pursuant to the Security Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "*Trademark and Patent Collateral*"):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United

States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule I (the "*Trademarks*");

(b) all goodwill associated with or symbolized by the Trademarks;

(c) all assets, rights and interests that uniquely reflect or embody the Trademarks; and

(d) all letters patent of the United States or the equivalent thereof in any other country, all registrations and recordings thereof, and all applications for letters patent of the United States or the equivalent thereof in any other country, including registrations, recordings and pending applications in the United States Patent and Trademark Office or any similar offices in any other country, including those listed on Schedule I (the "*Patents*"), and all reissues, continuations, divisions, continuations-in-part, renewals or extensions thereof, and the inventions disclosed or claimed therein, including the right to make, use and/or sell the inventions disclosed or claimed therein.

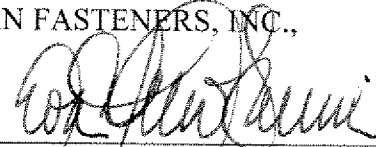

SECTION 3. Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark and Patent Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.
