WHEREAS, Assignor is the owner of each of (i) the patents and patent applications set forth on Schedule A hereto (the "Patents"); (ii) the copyrights, copyright registrations and copyright applications set forth on Schedule B hereto (the "Copyrights"); and (iii) the trademarks (including those which may be entitled to be registered in additional territories), trademark registrations and trademark applications (including any and all goodwill symbolized thereby) set forth on Schedule C hereto, (the "Trademarks"), and any and all copyright subsisting in the subject matter of the Trademarks, including any design or word components (i)-(iii), collectively, the "Purchased Intellectual Property");

NOW THEREFORE, for the consideration set forth in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Effective upon Closing, Assignor hereby assigns to Assignee:
 - (a) all of Assignor's right, title and interest in, and good will associated with, the Purchased Intellectual Property and the Domain Names, including all rights therein provided by international conventions and treaties, and the right to sue for past, present and future infringement thereof ("Transferred Rights"); and
 - (b) any and all rights to sue at law or in equity for any infringement, imitation, impairment, distortion, dilution or other unauthorized use or conduct in derogation of the Transferred Rights occurring prior to the Closing, including the right to receive all proceeds and damages therefrom;

- (d) any and all rights to obtain renewals, reissues, and extensions of registrations or other legal protections pertaining to the Transferred Rights.

Assignee, its successors and assigns, shall hold the rights to the foregoing for and during the existence of such Transferred Rights, and all renewals, reissues and extensions thereof, as fully and as entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

2. Further Assurances. Assignor shall, at the cost and expense of Assignee, timely execute and deliver any additional documents and perform such additional acts reasonably necessary or desirable to record and perfect the interest of Assignee in and to the Purchased Intellectual Property and the Domain Names, and shall not enter into any agreement in conflict with this Assignment.

3. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the State of New York, without regard to the conflicts of law rules of such state.
