PURCHASE OF ASSETS/ASSUMPTION OF LIABILITIES/LICENSE AGREEMENT

This Asset Agreement is entered as of March 12, 2002, by and between Ronake, L.L.C., a Nevada limited liability company ("Ronake"), Ultrak, Inc., a Delaware corporation and Ultrak Operating, L.P., a Texas limited partnership (collectively "Ultrak"). For purposes of clarification, the Definitions set forth in Section 14 below shall apply throughout this entire document and any schedules, attachments or exhibits thereto.

RECITALS

A. Ronake is, inter alia, engaged in the business of developing for manufacture, sale and distribution products, parts and accessories related to a method and apparatus for vault entry, more specifically the VaultGuard and Kappa-Key systems.

B. On or about September 9, 1999, Ronake and Ultrak entered into The Master Agreement. Pursuant to this agreement, Ronake, inter alia, granted Ultrak the right to distribute the VaultGuard and Kappa-Key systems in certain markets, subject to certain exclusivity provisions.

C. On or about March 31, 1999, Ultrak entered a Dealer Agreement with Diebold. Thereafter, on or about September 26, 2000, Ultrak and Diebold amended their Dealer Agreement by entering The Side Agreement. This amendment, inter alia, gave Diebold an exclusive worldwide distributorship to market and service Ultrak's PassVault system.

D. Ultrak has been disappointed with current sales and the potential for swift growth of its vault entry business. However, by virtue of the Side Agreement, Diebold needs an assured vendor of vault entry systems, which can be modified, as needed, to its specifications. Because Diebold is a substantial, important customer of Ultrak, Ultrak for its own interests wanted to assure itself that the needs of Diebold will be properly satisfied. Therefore, Ultrak has agreed to sell its vault entry business (as such term is defined in Section 14.36 before), as more fully set forth below, to Ronake.

E. Ronake wishes to receive from Ultrak a certain license, as well as certain promises and commitments, all as more fully set forth below, including without limitation Ultrak's covenants not to compete and to keep certain matters confidential. But for said license, promises and commitments, Ronake would not enter into this Asset Agreement. Ultrak agrees to grant such license, make such promises and commitments and otherwise to perform in accordance with the terms of this Asset Agreement.

F. Ultrak wishes to receive from Ronake certain payments, promises and commitments as more fully set forth below. Ronake agrees to make such payments, promises and commitments and otherwise to perform in accordance with the terms of this Asset Agreement.

G. Ultrak has asserted since at least September 2000 that it is a "co-inventor" of the VaultGuard system and, as such, was entitled to certain Intellectual Property rights, including

Patent Rights. Ronake has strongly disagreed with Ultrak's assertion in this regard and The Parties wish to amicably resolve this dispute.

Now, therefore, in consideration of the foregoing recitals, the mutual promises, covenants, commitments, representations and warranties hereinafter set forth, and for other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, The Parties agree as follows:

AGREEMENT

1. THE PURCHASE OF ASSETS, ASSUMPTION OF LIABILITIES AND LICENSE OF SOFTWARE.

1.1 PURCHASE OF ASSETS. Except as provided hereafter, and subject to the terms and conditions hereof, Ultrak shall sell, convey, assign, transfer and deliver to Ronake and Ronake shall acquire at The Closing the following described assets of Ultrak:

All of Ultrak's contract (whether oral or written) and other rights (whether with customers, vendors or others) concerning its vault entry business that Ronake designates in writing within five (5) days after completing its Due Diligence. A detailed list of all of Ultrak's contract (whether oral or written) and other rights concerning its vault entry business (showing for each contract or other right, the names of the parties involved, the subject, basic terms, consideration, and any other material information), prepared by Ultrak, is attached hereto as Schedule 1.1.c.

(d) Inventory. All inventory Ultrak has for use in any aspect of its vault entry business, e.g., Kappa-Keys, completed or partially completed portions of VaultGuard systems. Notwithstanding the first sentence of this subsection, Ultrak may disassemble any VaultGuard systems already assembled, but maintained in inventory at Ultrak owned or leased warehouses, and utilize parts previously used therein whose use is not restricted to the VaultGuard system in any product unrelated to the VaultGuard system or Ultrak's vault entry business. Any such reused parts from disassembled VaultGuard systems will not be sold to Ronake pursuant to the first sentence of this subsection. All inventory sold pursuant to this subsection shall be listed on Schedule 1.1.d. hereto, prepared by Ultrak, in terms of its nature (e.g. Kappa-Keys, the "x" parts from a VaultGuard system), cost and location, and shall be of a quality useable or saleable in the ordinary course of business and for the purposes for which they were made.

(e) Vault Guard Demonstrators and Consignment Sales. All VaultGuard systems Ultrak placed with customers (including without limitation Diebold) for use as demonstration models, all VaultGuard systems Ultrak sold on consignment and for which Ultrak was not fully paid on or before June 12, 2001, and all VaultGuard systems shipped or sold to

Diebold before this Asset Agreement was entered and for which Ultrak was not fully paid on or before June 12, 2001 (including the right to receive any remaining payments due after June 12. 2001). For purposes of clarification only, Ultrak agrees to provide Ronake with reasonable access to manufacturing, product development, product purchasing, sales and marketing information relating to its vault entry business, but specifically excluding The Software.

1.2 TRANSFER OF RELATIONSHIPS. After The Closing, Ultrak will use its best efforts to help Ronake, and Ronake will cooperate and use its best efforts in working with Ultrak, to establish favorable relationships with all persons and entities involved in any way, whether directly or indirectly, with Ultrak's vault entry business, whether as customers, vendors, or otherwise, that Ronake designates in writing within five (5) days after Ronake completes its Due Diligence.

1.3 INTERPRETATION OF SUBSECTION 1.1. AND 1.2. Subsections 1.1. and 1.2., above, shall be interpreted in light of the joint intent of The Parties that Ronake, by buying said assets, is buying all or substantially all of Ultrak's vault entry business, including without limitation Ultrak's VaultGuard and Kappa-Key systems businesses (these businesses include without limitation any aspect relating to their development, manufacture, marketing and sale), and Ultrak, by selling said assets and using its best efforts as described in 1.2., above, is selling all or substantially all of its vault entry business including without limitation its VaultGuard and Kappa-Key systems businesses.

1.4 ASSUMPTION OF LIABILITIES. Subject to the terms and conditions hereof, Ronake hereby assumes at The Closing the following specified liabilities and responsibilities, and only those liabilities and responsibilities:

(a) Scheduled VaultGuard Systems Servicing. Ultrak's obligations and liability to service any VaultGuard system sold by Ultrak on or before the date this Asset Agreement that has been listed on Schedule 1.4.a. hereto, as prepared by Ultrak, in terms of the date of sale, the purchaser, its location and a summary of the terms of sale.

(b) Scheduled VaultGuard Systems Updating. (c) Warranties. Ultrak's obligations and liability for all outstanding warranties on the VaultGuard systems as described in Schedules 1.4.a. and 1.4.b above.

Except as provided herein, Ronake assumes no other obligation, liability or responsibility of Ultrak whatsoever. All of Ultrak's liabilities and responsibilities concerning its vault entry business, if any, (including without limitation its VaultGuard and Kappa-Key systems businesses) or otherwise not explicitly assumed by Ronake shall remain with Ultrak.

1.5 THE SOFTWARE LICENSE.

(a) Use of the Software. Subject to the terms and conditions of this Asset Agreement, Ultrak hereby grants Ronake, effective as of The Closing, a perpetual, limited, fully paid-up, royalty-free, worldwide license to use, copy, modify, display, reproduce, enhance, develop, create Derivative Works, market, sell, resell, transfer, distribute, sublicense, disclose and otherwise deal with to the fullest extent possible The Software in any manner whatsoever, in whole or in part, in the vault entry business. (c) Ownership of Derivative Works and Independent Products. Any Derivative Works of the Software created, developed, used, adapted, modified, reproduced, marketed, promoted, licensed or sublicensed by Ronake after The Closing shall be owned exclusively by Ronake. Ronake shall have the right to develop, use, adapt, modify, reproduce, market, promote, sell, license and sublicense products competitive with or functionally similar to The Software which are independently developed by Ronake or by a third party and no such product shall give rise to any payment obligation, under this Asset Agreement or otherwise.

Ultrak shall give similar notice if it obtains, at any time before the end of said period, information that such an offer or inquiry is likely to be made.

2.5 TERMINATION OF THE ASSET AGREEMENT. Except as provided herein, The Asset Agreement shall be terminated and none of its provisions shall be effective if all of the conditions set forth in subsection 2.2., above, are not satisfied on or before fourteen (14) days after Ronake completes its Due Diligence or, within that time, Ronake, in its sole and absolute discretion, has not notified Ultrak in writing of its waiver of any unsatisfied conditions.

Each of The Parties shall notify its officers, directors, employees, agents and advisors of their confidentiality obligations with respect to Confidential Information and shall take all steps necessary to require its officers, directors, employees, agents and advisors to comply with these obligations. The confidentiality obligations of each of The Parties and its officers, directors, employees, agents and advisors shall survive the termination of this Asset Agreement.

5. NON-COMPETITION AND NON SOLICITATION RESTRICTIVE COVENANTS.

5.1 BACKGROUND. Ronake intends to use The Assets and The License after The Closing and to integrate The Assets and The License into Ronake's ongoing business. To preserve and protect The Assets and The License, including without limitation Ultrak's goodwill, customers and Confidential Information, of which Ultrak has substantial knowledge, to preserve and protect Ronake's goodwill and business interests in the future, and in consideration for Ronake's entering into and performing under this Asset Agreement, Ultrak has agreed to enter into the non-competition and non-solicitation provisions contained in this Section 5. Ronake and Ultrak believe the limitations as to time, geographical area and scope of activity contained in this section 5 are reasonably necessary to, and no greater than that required to, protect The Assets and The License acquired by Ronake pursuant to this Asset Agreement.

5.2 ACTIVITY LIMITS. During the non-competition period set forth in subsection 5.3., below, Ultrak will not, directly or indirectly, individually or as a member, partner, stockholder or in any other capacity whatsoever of or for any Person other than Ronake:

(a) Non-Participation With Competitive Businesses. Own, manage, operate, join, finance, develop, sell or otherwise participate in the ownership, management, operation, sales, control, or financing of, or be connected as a partner, principal, agent, representative, consultant or otherwise of any business engaged, in the restricted territory (as set forth in subsection 5.4., below), in the design, research, development, manufacturing, marketing, sale, or licensing of any product, service or other activity that is substantially similar to, competitive with or otherwise involved in the vault entry business.

(b) Non-Solicitation of Ronake Employees. Hire any of Ronake's then current employees, or induce, recruit, encourage or otherwise contact any of Ronake's then current employees for the purpose of attempting to induce such employees to leave the employment of Ronake.

(c) Non-Development of Competitive Products. Develop in the restricted territory (as set forth in subsection 5.4., below) any product, service or other activity that is substantially similar to, competitive with or otherwise involved in the vault entry business.

5.3 THE NON-COMPETITION PERIOD. The non-competition period shall be for a period of 48 months following The Closing, unless a court of competent jurisdiction or a binding arbitration proceeding determines that the non-competition period is unenforceable under applicable law because it is too long, in which case the non-competition period shall be for the longest period that the court or arbitration proceeding determines is reasonable under the circumstances and enforceable. The non-competition period shall be tolled during any period for which Ultrak may be deemed by Ronake to be in breach of this section 5.

5.4 THE RESTRICTED TERRITORY. The restricted territory is the entire world, unless a court of competent jurisdiction or binding arbitration proceeding determines that the restricted territory is unenforceable under applicable law because its geographic area is too broad, in which case the restricted territory shall be for the following geographic territories that the court or arbitration proceeding determines is reasonable under the circumstances and enforceable: North America, Central America, South America, Europe, Asia, Australia, and Africa.

5.5 INJUNCTIVE RELIEF. Ultrak agrees that the restrictions contained in this section 5 are fair, reasonable and necessary for the protection of Ronake's legitimate interests, and Ultrak intends that such restrictions be enforceable and enforced to their fullest extent. Ultrak acknowledges that it can engage in other suitable business activities without violating any of the restrictions contained in this section 5. Ultrak further agrees that it would be difficult to compensate Ronake fully for damages for any violation of the provisions of this section 5. Accordingly, Ultrak acknowledges that any breach of the terms in this section 5 will result in immediate and irreparable injury to Ronake and, accordingly, Ultrak consents to the application of temporary and permanent injunctive relief and such other equitable remedies for the benefit of Ronake as may be appropriate in the event such a breach occurs or is threatened, without any requirement for a bond or other security. The foregoing remedies will be in addition to all other legal remedies to which Ronake may be entitled hereunder, including without limitation monetary damages.

6. REPRESENTATIONS AND WARRANTIES OF ULTRAK. Ultrak, and each of its component entities, jointly and severally, represent and warrant to Ronake as follows, which representations and warranties are, as of the date hereof, and will be, as of The Closing, true and correct, and will survive The Closing:

6.1 ORGANIZATION OF ULTRAK. Ultrak Operating, L.P. is a limited partnership duly organized, validly existing and in good standing under the laws of the State of Texas. Parent is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. 6.2 AUTHORIZATION. Ultrak has all requisite power and authority, and has taken all action necessary, to own and operate The Assets, to conduct its vault entry business as it is presently being conducted, to execute and deliver this Asset Agreement, to consummate the transactions contemplated hereby and to perform its obligations hereunder. This Asset Agreement has been duly executed and delivered by Ultrak and is a legal, valid and binding

obligation of Ultrak and enforceable against it and each of its component entities in accordance with its terms.

Ultrak is not in violation of any law or order, writ, injunction, or decree of any court, arbitration tribunal or any governmental department, commission, board, agency or other instrumentality which affects its vault entry business, The Assets, The License or The Software.

6.9 NO OTHER AGREEMENTS TO SELL THE ASSETS. Neither Ultrak nor any of its respective officers, directors, shareholders, agents, employees or independent contractors have any commitment or legal obligation, absolute or contingent, to any Person other than Ronake to sell, assign, transfer, or effect a sale of any of The Assets or to license The Software for use in the vault entry business.

Ultrak has not disclosed any such Confidential Information to any Person other than an officer, director, employee or agent of Ultrak subject to a binding confidentiality agreement without the prior written consent of Ronake, except on a need to know basis in order to consummate the sale contemplated by the Asset Agreement. Set forth on Schedule 6.14 is, to the best of Ultrak's knowledge, an accurate and complete list of all Persons to whom Ultrak has disclosed Confidential Information of Ronake.

6.15 ABSENCE OF CERTAIN CHANGES OR EVENTS. Since the date this Asset Agreement was entered:

Ultrak has duly performed all of its obligations under said contracts to the extent those obligations to perform have accrued, no violation of, or default or breach under any of said contracts by Ultrak or, to the best of Ultrak's knowledge, any other party to them has occurred. neither Ultrak nor, to the best of Ultrak's knowledge, any other party has repudiated any provisions thereof, and Ultrak has no intent, and has no knowledge after due inquiry of any intent by any other party, not to perform its obligations under any such contract. Except as set forth on Schedule 6.17, which was prepared by Ultrak, Ultrak has the right to assign all contract and other rights that are to be transferred to Ronake pursuant to this Asset Agreement without the consent of any third party. Neither the assignment of such rights nor the consummation of the transactions contemplated by this Asset Agreement would lead any party with which Ultrak has contractual relations to terminate or alter such contractual relations.

6.18 INTELLECTUAL PROPERTY. Schedule 6.18. hereto, prepared by Ultrak, lists all patents, patent applications, trademarks, trade names (whether registered or unregistered), copyrights, patent licenses, service marks, logos and commercial symbols held by, owned by, licensed to or used by Ultrak in connection with its vault entry business, The Assets or The Software. There is no pending or threatened litigation or other legal action with respect to any of the IP Rights, and no order, holding, decision, or judgment has been rendered by any Authority, and no agreement, consent or stipulation exists to which Ultrak

is a party or of which Ultrak has knowledge, which would prevent Ultrak, or after The Closing. Ronake, from using any of the IP Rights. Before The Closing, all IP Rights are owned or are usable without restriction or payment by Ultrak. Immediately after The Closing, Ronake will own or have the right to use all IP Rights free from any liens and free from any requirement of any past, present, or future royalty payments, license fees, charges or other payments, or conditions or restrictions whatsoever. There is no fact known to Ultrak after due inquiry which materially and adversely affects Ultrak's vault entry business, any of The Assets, The Software or the transactions contemplated by this Asset Agreement which has not been expressly and fully set forth in this Asset Agreement or the exhibits and schedules hereto. The representations and warranties set forth in this Section 6 are independent of any due diligence review and or factual discovery by Ronake, and shall be effective notwithstanding any contrary actual or presumed knowledge of Ronake.

7.5 PROTECTION OF CONFIDENTIAL INFORMATION. To the best knowledge of Ronake, it has fully and properly protected all of Ultrak's Confidential Information heretofore disclosed to it to the extent such Confidential Information was the subject of a binding confidentiality agreement between Ultrak and Ronake. Ronake has not disclosed any such Confidential Information to any Person other than an officer, director, employee or agent of Ronake subject to a binding confidentiality agreement without the prior written consent of Ultrak, except on a need to know basis in order to consummate the sale contemplated by the Asset Agreement.

7.6 NON-SOLICITATION OF ULTRAK EMPLOYEES. Ronake will not hire any of Ultrak's current employees, or induce, recruit, encourage or otherwise contact any of Ultrak's then current employees for the purpose of attempting to induce such employees to leave the employment of Ultrak during the term of the Asset Agreement.

No Claim under subsections 8.1.ii. or 8.2.i., above, arising out of or resulting from a breach of representations and warranties contained herein shall be brought or made after the expiration of the five year anniversary of The Closing; provided, however, that the foregoing time limitations shall not apply to: (i) any such Claims which have been the subject of a good faith written notice from Ronake to Ultrak or from

Ultrak to Ronake, as the case may be, prior to such period, which notice specifies in reasonable detail the nature and basis for such Claim(s) (which Claims shall then survive until their final resolution); or (ii) the representations and warranties contained in subsections 6.6., 6.13., 6.14., 6.18., 6.19., and 6.20., above, each of which shall survive until the day immediately following expiration of the applicable statute of limitations; provided further, however, that notwithstanding anything to the contrary in this subsection, no limitation or condition of liability provided in this subsection shall apply to (A) the breach of any of the representations and warranties contained in this Asset Agreement if such representation or warranty were made fraudulently, or (B) the breach of any of the representations and warranties contained in subsections 7.2. and 7.3, above, which shall survive indefinitely.

9. MUTUAL RELEASE.

9.1 THE RELEASE. Except as provided herein, at The Closing The Parties, and each of them, hereby completely release and forever discharge any and all Releasees of and from any and all Claims, whether known or unknown, suspected or unsuspected, each now has, had or hereafter acquires, or which hereafter may accrue against any Releasee, arising directly or indirectly out of or relating in any way to any transaction, event, action, inaction, communication, failure to communicate or occurrence that transpired prior to The Closing.

9.3 NON ADMISSION OF LIABILITY OR FAULT. The Parties, and each of them, acknowledge and agree that the release set forth in subsection 9.1., above, and the waiver contained in subsection 9.2., above, are part of a business agreement each believes advantageous to itself. Both therefore agree that neither said release and waiver nor any other provision of this Asset Agreement shall be construed to constitute an admission of liability or fault on the part of either.

Notwithstanding any termination of this Asset Agreement, any Claim of any nature whatsoever, whether of law or fact, arising directly or indirectly out of or relating in any way to this Asset Agreement, the transactions contemplated thereby, or the breach, termination, enforcement, interpretation or validity thereof, shall be decided by final, binding arbitration by a single arbitrator in accordance with the rules and regulations of the AAA for commercial arbitration. Nothing in this subsection shall prevent any of The Parties from seeking injunctive or any other temporary or permanent equitable relief from the AAA or, in the event that the AAA cannot hear a request for temporary equitable relief in a

timely fashion, a court of appropriate jurisdiction located in Phoenix, Arizona, if necessary to prevent irreparable harm pending action by the AAA.

11.2 LOCATION OF ARBITRATION. All arbitration held pursuant to subsection 11.1., above, shall take place in Phoenix, Arizona.

11.3 GOAL OF SPEEDY ARBITRATION. It is the mutual goal of The Parties that any arbitration held pursuant to subsection 11.1., above, be completed and an award therein handed down within six (6) months from when said arbitration is filed, absent extenuating circumstances or the mutual agreement of all parties to said arbitration. To accomplish this, Ronake and Ultrak, if in arbitration against or among each other, shall take all reasonable steps to eliminate delay including without limitation agreeing to reduce standard time limits in half as imposed by the AAA's rules for commercial arbitration (e.g., the time to disqualify potential AAA arbitrators, the time to respond to the arbitration demand, the time to respond to discovery) and having the claimant deliver a copy of its arbitration demand to each respondent concurrently with the filing of the demand with the AAA.

11.4 DISCOVERY. In any arbitration pursuant to subsection 11.1., above, any party thereto may seek or oppose discovery on the same basis as it could seek or oppose such discovery in accordance with the Federal Rules of Civil Procedure.

11.5 NATURE AND ENFORCEABILITY OF AWARD. The arbitrator in any arbitration pursuant to subsection 11.1., above, is authorized to decree any and all equitable relief, including without limitation a temporary restraining order, a preliminary or permanent injunction and a mandatory injunction, and is also authorized to award damages, with or without an accounting, and costs. 12.1 BACKGROUND. Parent, directly or indirectly, owns all or substantially all of each of the Ultrak Affiliates, and has been and will be substantially benefited by Ronake's execution, delivery and performance of this Asset Agreement. In order to induce Ronake to enter into this Asset Agreement, which Ronake would not do but for the agreement of Parent to become a party to this Asset Agreement and to guarantee the Obligations under this Asset

Agreement, Parent has agreed to guarantee the Obligations to Ronake pursuant to this Asset Agreement, on the terms and subject to the conditions set forth in this Section 12. Parent understands and acknowledges that the purpose of this Section 12 is not to limit Parent's obligations under this Asset Agreement to merely that of a guarantor, but rather to provide that Parent shall be a guarantor of the Obligations in addition to Parent's obligations as a signatory to this Asset Agreement.

12.2 THE GUARANTEE. Subject to the provisions hereof, Parent irrevocably and unconditionally guarantees the timely payment and performance when due of the Obligations in accordance with the terms and conditions of this Asset Agreement. To the extent that any of the Ultrak Affiliates shall fail to pay or perform any Obligations, Parent shall promptly pay to Ronake the amount due or render the performance due.

Ronake may maintain successive arbitrations for other defaults. Ronake's rights under this Section 12 shall not be exhausted by its exercise of any of its rights or remedies or by any one arbitration or by any number of successive arbitrations until and unless all of the Obligations have been paid and fully performed. The obligations of Parent hereunder shall survive and continue in full force and effect until performance in full of the Obligations is actually received by Ronake, notwithstanding any release or termination of any of the Ultrak Affiliates' liability by express or implied agreement with Ronake or by operation of law and notwithstanding that the Obligations or any part thereof are deemed to have been performed or discharged by operation of law or by some act or agreement of Ronake.

12.4 THE GUARANTEE IS OF PAYMENT. This guarantee constitutes a guarantee of payment and not of collection. The obligations of Parent under this Section 12 shall not be subject to any reduction, limitation, impairment or termination for any reason, including, without limitation, any claim of waiver, relief, surrender, alteration or compromise. Without limiting the generality of the foregoing, the obligations of Parent hereunder shall not be discharged or impaired or otherwise affected by the delay or failure of Ronake to assert or enforce any Claim hereunder, by any waiver or modification of this Asset Agreement, by any default, failure or delay, willful or otherwise in the performance of the Obligations, or by any other act, omission or delay which might in any manner or to any extent vary the risk of Parent or which might otherwise discharge Parent by operation of law.

12.5 THE EFFECT OF REIMBURSEMENT OF THE OBLIGATIONS ON THE GUARANTEE. If, as a result of any bankruptcy of any of the Ultrak Affiliates, or for any other reason, Ronake is required to return or restore, or pay to a trustee, receiver or any other person or entity, any payment or performance previously made of all or any part of the Obligations, the liability of Parent hereunder shall continue, or shall be reinstated and revived, with respect to such payment or performance as though such payment or performance had never been made.

12.6 ATTORNEYS' FEES AND EXPENSES. Parent shall pay Ronake without demand reasonable attorneys' fees and all costs and other expenses which Ronake expends or

incurs in collecting the Obligations or enforcing this guarantee against Parent, whether or not suit is filed, including, without limitation, attorneys' fees, costs and other expenses incurred in any bankruptcy proceeding.

(the general partner of Ultrak Operating, L.P.). No waiver of any of the provisions of this Asset Agreement shall be deemed or shall constitute a continuing waiver unless otherwise expressly provided. Each of The Parties has obtained the advice of advisors and attorneys of its choice in connection with the negotiating and drafting of this Asset Agreement, has carefully read this Asset Agreement, has been afforded and has taken advantage of the opportunity to be advised of its meaning and consequences by its attorney(s) and has signed this Asset Agreement of its own free will.

Except with respect to the right to receive money, neither this Asset Agreement nor any of the rights or obligations hereunder may be assigned or delegated by any of The Parties, and any attempted assignment of rights or delegation of duties buy any of The Parties shall be void without the prior written consent of each other of The Parties; provided that nothing herein shall prevent any of The Parties from assigning this Asset Agreement pursuant to a merger, consolidation or any other sale of it or of all or substantially all of its assets; and provided further that nothing herein shall prevent Ronake from selling its vault entry business or all or substantially all of the assets of said business. To the extent an assignment is permitted as set forth above, this Asset Agreement shall inure to the benefit of, and shall bind, each of The Parties, its successors and assigns.

13.5 SEVERABILITY. The provisions and restrictions set forth in this Asset Agreement, including without limitation those set forth in subsections 4. and 5., above, are considered by the Parties to be reasonable and properly required for the adequate protection of the goodwill and other assets acquired by Ronake and therefore it is the intent of The Parties that

the provisions and restrictions of this Asset Agreement be enforced to the fullest extent permissible under applicable law. However, if for any reason a court of competent jurisdiction or a binding arbitration proceeding determines that any provision or restriction of this Asset Agreement, or the application thereof, is invalid, ineffective or unenforceable, the remaining provisions and restrictions of this Asset Agreement shall not be affected or impaired thereby. The invalid, ineffective or unenforceable provision or restriction shall, without further action by The Parties, be modified to the extent necessary to effect as much of its original purpose and intent as is consistent with the law.

13.6 TITLES AND SUBTITLES. The titles of the sections and subsections of The Asset Agreement are for convenience of reference only and are not to be considered in construing this Asset Agreement.

13.7 FURTHER ASSURANCES. Diebold shall also have the right to reproduce the Mark in advertising and in Diebold's promotional literature, as well as in user and service documentation that may be developed by Diebold for use in connection with the System. Diebold's rights to use the Mark shall be exclusive for as long as Diebold has the exclusive right to market the System in accordance with Paragraph 3 of this Side Letter, and shall thereafter be nonexclusive. Diebold agrees to use the mark only on the System and materials associated with the system and to maintain the present quality standards of the System. Diebold acknowledges that Ultrak is the sole owner of the mark and all goodwill associated therewith and that all use of the Mark insures to the benefit of Ultrak.

2. Diebold shall have the right to private label the System including, any and all components thereof. Such private label rights include the right to apply Diebold owned marks to the System, as well as to service, technical and user documentation related to the System. Ultrak also grants to Diebold a license to all copyright rights, which may subsist in Ultrak's documentation related to the System to enable Diebold to produce Diebold's own private label versions of technical, service and user documentation.

3. Diebold shall have the exclusive right to market the System worldwide until January 1, 2002. If Diebold purchases at least 1,500 units of the System from Ultrak by January 1, 2002, Diebold shall have exclusive worldwide marketing rights to the System for the duration of this Agreement. If Diebold fails to purchase at least 1,500 units of the System from Ultrak by January 1,2002, Diebold's rights to market the System (as well as Diebold's rights to use the Mark under Paragraph 1 above) shall thereafter be nonexclusive for the duration of this Agreement. During the calendar year 2001, quarterly volume purchases shall be made by Diebold as follows: Q1-200; Q2-350; Q3-450 and Q4-500 with the provision that any Systems/units order during the calendar year 2000 can be applied to the volume commitments for 2001. It is hereby agreed and understood that the any Systems/units ordered over and above the quarterly commitment levels will be applied to the cumulative commitment of 1500 units to be completed by January 1, 2002. Ultrak's sole remedy for Diebold not meeting the above volume commitments, is the termination of Diebold's right to exclusively purchase and sell the System. However, Ultrak will continue to provide and support Diebold's requirements for the System on a nonexclusive basis to Diebold.

4. Diebold shall devote reasonable commercial efforts to promote the System in those markets throughout the world, which Diebold deems appropriate.

5. Diebold will provide advice and suggestions to Ultrak regarding making improvements, modifications or enhancements to the System. Any Intellectual Property which results from the advice and suggestions will be the property of Ultrak, subject to the licenses granted by this Side Letter.

7. Ultrak warrants that each System will be free from defects in materials and workmanship and will conform to the associated Ultrak written documentation for the System, at the time of delivery and for a period of eighteen (18) months after delivery to Diebold. Ultrak shall promptly

replace or repair, in its sole discretion, any System, which does not conform to the warranty stated in this Paragraph 7. ULTRAK'S LIABILITY, IF ANY, FOR DAMAGES RELATING TO DEFECTIVE PRODUCTS SHALL NOT EXCEED THE TOTAL PRUCHASE PRICE CONTEMPLATED BY THIS AGREEMENT. UNDER NO CIRCUMSTANCES SHALL ULTRAK BE LIABLE TO DIEBOLD FOR LOST PROFITS, INCIDENTAL OR CONSEQUENTIAL DAMAGES, OR PRODUCT PERFORMANCE OR NONPERFORMANCE. THE FOREGOING WARRANTIES ARE IN LIEU OF ALL OTHER GUARANTIES OR WARRANTIES WHETHER ORAL, WRITTEN, EXPRESSED, IMPLIED, OR STATUTORY. THERE ARE NO IMPLIED OR STATUTORY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PUROPSE.

Ultrak shall also continue to make available repair parts for the System to Diebold for a period of five (5) years after the expiration or termination of this Agreement. Spare parts shall be the same or suitable alternatives with identical functionality to those original parts and maintained by Ultrak during this period. Diebold's cost for such repair parts shall be no greater than those prices which Ultrak charges to other entities who have purchased at least as many units of the System as Diebold.

10. Ultrak shall advise Diebold at least ninety (90) days in advance of any modifications that Ultrak intends to make to the System, and Diebold shall have the option to acquire as many units of the System as Diebold may desire prior to the implementation of such change, subject to the availability of units of the System and in the sole discretion of Ultrak or as mutually agreed to by Ultrak and Diebold. However notwithstanding the foregoing, no change to the System made by Ultrak shall affect any material aspect of the form, fit or function of the System. As long as Diebold is not in default of this Agreement, Ultrak shall have no authority to require any security, advance payment, letters of credit, C.O.D. or any payment terms from Diebold other than as stated in the first sentence of this Paragraph 13.

14. Each party will protect the other party's confidential information to prevent disclosure thereof to third parties, and will use such information only for purposes pertaining to this Agreement. Such obligations will extend while the Agreement has effect and for a period of three (3) years thereafter. No information will be considered "confidential information" unless it is first disclosed either I) in a writing conspicuously marked as "secret", "confidential" or with words of similar meaning when first disclosed by a disclosing party to a receiving party; or ii) is first disclosed orally with a contemporaneous indication that such information is "secret" or "confidential" and within thirty (30) days of such first disclosure, such information is delivered in a writing by the disclosing party to the receiving party that is conspicuously marked as "secret", "confidential" or with words of similar meaning. Ultrak shall indemnify Diebold and all persons or entities which repurchased the System directly from the Diebold from any and all damages, costs, expenses or liabilities incurred as a result of any such claim of infringement. Upon notice in writing of a claim, Ultrak shall defend, or may settle, at its expense, any claim, suit or proceedings against

Diebold or against any party which repurchases the product directly from Diebold, and Ultrak shall pay all adjustments, damages, and costs awarded therein against Diebold or against any party which repurchases the product directly from Diebold. In the event any product, or part thereof, is held to constitute such an infringement and the use for the purpose intended of said product or part is enjoined, Ultrak shall, at its expense and option, either procure for Diebold the right to continue using the product or part, or replace same with a noninfringing product or part, or modify same so it becomes noninfringing. The forgoing states the entire liability of Ultrak for patent infringement by the System or any part thereof.

The preceding paragraph shall not apply to any product or part purchased by Ultrak from a third party at the specific direction of Diebold or manufactured by Ultrak to Diebold's design, or to a claim of infringement arising from the use of any product in conjunction with any other product as a combination not furnished by Ultrak. As to any such product, or part therefore, or use in such combination, Ultrak assumes no liability whatsoever for patent infringement. Notwithstanding the foregoing, nothing shall relieve Ultrak from liability to Diebold if infringement results due to internal software in the form provided by Ultrak in a computer processing unit.

16. Diebold shall have a nonexclusive license to any Intellectual Property rights which subsist in the System or the use thereof which may be reasonably necessary, for purposes of providing installation, maintenance and support services to Diebold's customers who have purchased the System. 17. In the event of expiration or termination of this Agreement other than due to a default by Diebold, Diebold shall have the right to dispose of any Systems or components thereof on hand at the time of such expiration or termination, including such Systems, components or materials which bear the mark or other marks of Ultrak.

If however the parties cannot resolve the problem to their mutual satisfaction, the dispute shall be resolved through an arbitration proceeding conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association and judgment upon the award of the arbitrator may be entered in any court having jurisdiction thereof. The arbitration proceeding shall be held in Chicago, Illinois. The authority of the arbitrator to award relief shall be limited to awarding monetary damages. In interpreting this Agreement, if any provision is held to be invalid, illegal or unenforceable, such provision shall be reformed so as to achieve to the extent legally permissible the

intent of the parties as expressly set forth in this Agreement. Notwithstanding the obligation to arbitrate disputes, either party may have resort to a court of competent jurisdiction for purposes of obtaining a provisional remedy only, including an injunction or specific performance. The resort by any party to a court proceeding shall not waive the obligations of all parties to resolve all other issue by arbitration in accordance with this provision. Each of the parties hereto consent to the nonexclusive jurisdiction of courts located in the State of Ohio as well as in the State of Texas for purpose of any proceeding related to equitable remedies or enforcement of a decision of the arbitrator. In any and all legal proceedings or arbitration proceedings, each party shall bear its own attorney's fees and costs. The charges of the arbitrator shall be borne equally by the parties. The provisions in this Paragraph 18 shall continue to apply after expiration or termination of the Agreement.

19. Neither party may assign any of its rights or delegate any of its obligations which it may have pursuant to this Agreement without the express prior written permission of the other party, which consent shall not be unreasonably withheld. Any prohibited assignment shall be null and void for all purposes.

No terms or conditions placed on any order, acknowledgment, price list or other documents shall form a part of the Agreement between Diebold and Ultrak, except for terms relating to numbers of units of Systems or components thereof, pricing and delivery. All other terms printed or otherwise applied to such forms shall be deemed deleted and inapplicable

Neither party shall have any liability to other for any incidental, special or consequential damages of any type or nature whatsoever, whether foreseeable or not, and whether the party who may be charged with such damages has any knowledge of the possibility thereof. However any claims related to a breach of the confidentiality provisions in Paragraph 14 of this Side Letter and the duty of Ultrak to defend and indemnify Diebold and its customers for violations of third party intellectual property rights, shall be exceptions to this liability limitation.

Except as modified in this Side Letter, the terms in the Authorized Distributor Agreement shall continue in effect.
