BRIDGE LOAN FIRST LIEN INTELLECTUAL PROPERTY SECURITY AGREEMENT

This BRIDGE LOAN FIRST LIEN INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated and effective as of February 5, 2008 (as further amended, amended and restated, supplemented or otherwise modified from time to time, this "IP Security Agreement"), among Berry Plastics Corporation (formerly Berry Plastics Holding Corporation) (the "Company"), each subsidiary of the Company identified herein as a party (each, a "Grantor") and BANK OF AMERICA N.A., as collateral agent (in such capacity, the "Collateral Agent") for the Secured Parties.

WHEREAS, the Company, the lenders party thereto from time to time (the "Lenders"), Bank of America N.A. as administrative agent for the Lenders named therein (in such capacity, the "Administrative Agent") and collateral agent for the Lenders, Goldman Sachs Credit Partners L.P., as syndication agent, and Lehman Brothers Inc. as documentation agent are parties to that certain Senior Secured Bridge Loan Credit Agreement dated as of the date hereof (the "Bridge Credit Agreement");

WHEREAS, to induce the lenders to enter into the Bridge Credit Agreement, the Company and each of its subsidiaries identified therein entered into a certain Bridge Loan Guarantee and Collateral Agreement, dated as of the date hereof, among the aforementioned parties and Bank of America, N.A., as collateral agent (the "Bridge Loan Collateral Agreement") pursuant to which the Company and each of its subsidiaries identified therein have granted to the Collateral Agent a first-priority lien and security interest in the Collateral (as defined below). Terms defined in the Bridge Loan Collateral Agreement and not otherwise defined herein are used herein as defined therein;

WHEREAS, under the terms of the Bridge Loan Collateral Agreement, each Grantor has granted to the Collateral Agent for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of such Grantor, and has agreed under the terms of the Bridge Loan Collateral Agreement to enter into this IP Security Agreement, for recording with the United States Patent and Trademark Office, the United States Copyright Office and any successor office or any similar office in any other country;

WHEREAS, the Company is executing and delivering this Agreement pursuant to the terms of the Bridge Credit Agreement to induce the Lenders to extend credit to the Company under the Bridge Credit Agreement;

WHEREAS, the Grantors are affiliates of the Company, will derive substantial benefits from the extension of credit to the Company pursuant to the Bridge Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to extend credit to the Company pursuant to the Bridge Credit Agreement; and

WHEREAS, each Grantor has duly authorized the execution, delivery and performance of this Agreement.

NOW, THEREFORE, for and in consideration of the premises, and of the mutual covenants herein contained, each Grantor and the Collateral Agent, on behalf of itself and each Secured Party (and each of their respective successors or assigns), hereby agree as follows:

SECTION 1. Grant of Security. Each Grantor hereby assigns and pledges to the Collateral Agent and its successors and permitted assigns for the benefit of the Secured Parties and hereby grants to the Collateral Agent and its successors and permitted assigns for the benefit of the Secured Parties, a security interest in all right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (the "Collateral"):

(a) the patents and patent applications set forth in Schedule A hereto (the "Patents");

(b) the trademark and service mark registrations and applications set forth in Schedule B hereto (except for "intent-to-use" applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of the Lanham Act has been filed, to the extent that any assignment of an "intent-to-use" application prior to such filing would violate the Lanham Act), together with the goodwill symbolized thereby (the "Trademarks");

(c) all copyrights, whether registered or unregistered, now owned or hereafter acquired by such Grantor, including, without limitation, the copyright registrations and applications and exclusive copyright licenses set forth in Schedule C hereto (the "Copyrights");

(d) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

(e) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(f) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Collateral of or arising from any of the foregoing.

SECTION 2. Security for Obligations. The grant of a security interest in the Collateral by each Grantor under this IP Security Agreement secures the payment or performance when due (whether at stated maturity, by acceleration or otherwise), as the case may be, in full of such Grantor's Obligations.

TRADEMARK
REEL: 003738 FRAME: 0128

SECTION 3. Recordation. Each Grantor authorizes and requests that the United States Register of Copyrights, the United States Commissioner for Patents and the United States Commissioner for Trademarks and any other applicable officer in any successor office or any similar office in any other country record this IP Security Agreement.

SECTION 4. Execution in Counterparts. This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Bridge Loan Collateral Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, each Administrative Agent and each Collateral Agent with respect to the Collateral are more fully set forth in the Bridge Loan Collateral Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event that any provision of this IP Security Agreement is in conflict with the Bridge Loan Collateral Agreement, any Credit Agreement or any Intercreditor Agreement, the provisions of the Bridge Loan Collateral Agreement, the applicable Credit Agreement or the applicable Intercreditor Agreement, as the case may be, shall govern.

SECTION 6. Governing Law. This IP Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 7. Intercreditor Agreements. Notwithstanding anything herein to the contrary, the liens and security interests granted to the Collateral Agent pursuant to this IP Security Agreement are expressly subject to the terms of (a) the Senior Lender Intercreditor Agreement, (b) the Junior Intercreditor Agreement and (c) Senior Fixed Lender Intercreditor Agreement. In the event of any conflict between the terms of any Intercreditor Agreement and the terms of this IP Security Agreement, the terms of the applicable Intercreditor Agreement shall govern.

SECTION 8. [Reserved]

[Remainder of Page Intentionally Blank]

IN WITNESS WHEREOF, the parties hereto have caused this Intellectual Property Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
