TRADEMARK SECURITY AGREEMENT dated as of March 12, 2008 (this "*Agreement*"), among LOC-AID Technologies, Inc., a Delaware corporation (the "*Company*"), and the parties listed under the caption "Secured Parties" on the signature pages hereto (each a "Secured Party" and, collectively, the "*Secured Parties*").

Pursuant to Convertible Promissory Notes in the aggregate principal amount of \$2,000,000, dated the date hereof (together with all amendments and other modifications, if any, from time to time thereafter made thereto, the "*Secured Notes*") issued by the Company in favor of the Secured Parties, the Secured Parties have agreed to advance \$2,000,000 to the Company.

In order to secure the full and punctual payment of the secured obligations in accordance with the terms under the Secured Notes and to secure the performance of the obligations of the Company thereunder (collectively, the "*Secured Obligations*"), the Company is required to execute and deliver this Agreement and to grant to the Secured Parties a continuing security interest in and to all of the Trademark Collateral (as defined below).

The Company has duly authorized the execution, delivery and performance of this Agreement.

AGREEMENTS

For good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Secured Parties to make the loan to the Company pursuant to the Secured Notes, the parties agree as follows:

Section 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Secured Notes.

Section 2. Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure all of the Secured Obligations, the Company does hereby mortgage, pledge and assign to the Secured Parties, and grant to the Secured Parties, a continuing security interest in, all of the following property (the "*Trademark Collateral*"), whether now or hereafter owned, acquired or existing:

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade dress, service marks, certification marks, collective marks, logos, design marks, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of a like nature (each of the foregoing items in this clause (a) being called a "*Trademark*"), now existing anywhere in the world or hereafter adopted or acquired, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications in the United States Patent and Trademark Office or in any office or agency of the United States of America or any State thereof or any foreign country, including, without limitation, those referred to in Attachment 1 hereto;

- (b) all Trademark licenses;
- (c) all extensions or renewals of any of the items described in clause (a) above;
- (d) all of the goodwill of the business connected with the use of, and symbolized by the items described in clauses (a) and (c) above; and
- (e) all proceeds of, and rights associated with, the foregoing, including any, claim by the Company against third parties for past, present or future infringement or dilution of any Trademark, Trademark registration, or Trademark license, including any Trademark, Trademark registration or Trademark license referred to in Attachment 1 hereto, or for any injury to the goodwill associated with the use of any Trademark or for breach or enforcement of any Trademark license.

Section 3. Security Agreement. This Agreement has been executed and delivered by the Company for the purpose of registering the security interest of the Company in the Trademark Collateral with the United States Patent and Trademark Office and corresponding trademark offices in other countries of world. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Secured Parties under the Secured Notes and the Security Agreement dated as of the date hereof by and among the Company and the Secured Parties. The Secured Notes (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms. This Agreement shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions of the Secured Notes.

Section 4. Release of Security Interest. Upon payment in full, or conversion of, all Secured Obligations and the termination of all obligations under the Secured Notes, the Secured Parties shall, at the Company's expense, execute and deliver to the Company all instruments and other documents as may be necessary or proper to release the lien on and security interest in the Trademark Collateral which has been granted hereunder.

Section 5. Acknowledgment. The Company does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Secured Notes, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.
