ASSIGNMENT

THIS ASSIGNMENT, made by JENISYS ENGINEERED PRODUCTS, INC., a Delaware corporation, a company having a principal place of business at 1220 Old Alpharetta Road, Suite 310, Alpharetta, Georgia 30005 (hereinafter referred to as Assignor);

WITNESSETH: That,

WHEREAS, Assignor owns the trademarks and service marks identified in Exhibit A attached hereto, and in all registrations and pending trademark and service mark applications directed thereto identified in Exhibit A attached hereto, and in and to all corresponding trademarks and service marks and corresponding registrations and pending trademark and service mark applications worldwide, identified on Exhibit A attached hereto, and all common law rights and all goodwill associated with any of the foregoing (all of the foregoing hereinafter collectively referred to as the "Trademarks"); and,

WHEREAS, FABRAL, INC., a Delaware corporation, having a principal place of business at 3449 Hempland Road, P.O. Box 4608, Lancaster, Pennsylvania 17604 (hereinafter referred to as Assignee), has agreed to acquire Assignor's entire right, title, and interest in and to said Trademarks, and Assignor has agreed to assign all of its right, title and interest in and to said Trademarks, to Assignee; and

WHEREAS, the parties have agreed to the Assignment hereinafter set forth;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the above Assignor has sold and by these presents does hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, its entire right, title, and interest in and to the Trademarks and any and all renewals thereof which may be granted therefor or thereon and all common law rights relating to any of the foregoing and all goodwill associated with any of the foregoing, for the full end of the term for which said Trademark rights are enforceable or registrations are granted; all of Assignor's rights

corresponding to the Trademarks and any and all renewals thereof and all common law rights relating to any of the foregoing and all goodwill associated with any of the foregoing throughout the world; and all of its rights to sue and recover for past infringement or dilution of or damage or injury to any of said Trademarks or renewals thereof or any common law rights relating thereto or any goodwill associated therewith, together with all claims for damage by reason of past infringement of said Trademarks, and any and all renewals thereof which may be granted therefore or thereon with the right to sue for, and collect the same for Assignee's own use and enjoyment; all to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

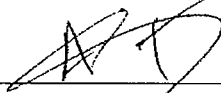

From time to time after the date hereof, at the request of either party hereto, and at the expense of the party so requesting but at no additional compensation to the non-requesting party, each of the parties hereto shall execute and deliver to such requesting party such documents and take such other action as such requesting party may reasonably request in order to consummate more effectively the transactions contemplated hereby.
