## AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

This Amended and Restated Trademark Security Agreement (this "Agreement"), is dated as of March 18, 2008, by **INSIGHT EQUITY A.P. X, LP**, a Texas limited partnership, (the "Grantor"), in favor of **ORIX FINANCE CORP.**, a Delaware corporation, individually and in its capacity as agent ("Agent") for the several financial institutions from time to time party to the Credit Agreement defined below (collectively, the "Lenders").

### WITNESSETH

WHEREAS, the Grantor is party to a Pledge and Security Agreement, dated as of December 18, 2007 (as amended, the "Security Agreement") in favor of the Agent;

WHEREAS, the Grantor entered into a certain Trademark Security Agreement, dated as of December 18, 2007, in favor of the Agent (the "Existing Trademark Security Agreement");

WHEREAS, the Grantor has requested to amend and restate the Existing Trademark Security Agreement in order to, among other things, grant to the Agent a security interest in and lien on certain new Trademarks of Grantor.

NOW, THEREFORE, in consideration of the premises and in connection with that certain Credit Agreement, dated as of December 18, 2007, by and among Grantor, Insight Equity A.P. X Company, LLC, certain of Grantor's subsidiaries, Agent and Lenders (including all annexes, exhibits and schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Credit Agreement"), the Grantor hereby agrees with the Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Grantor hereby pledges and grants to the Agent for its benefit and the benefit of the Lenders a lien on and security interest in and to all of its right, title and interest in, to and under all the following Collateral of such Grantor:

- (a) Trademarks of Grantor listed on Schedule I attached hereto;
- (b) all Goodwill associated with such Trademarks; and
- (c) all Proceeds of any and all of the foregoing.

SECTION 3. Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Security Agreement and Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the security interest in the Trademarks made and granted

hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Agent shall otherwise determine.

SECTION 4. Termination. Upon the release of the Agent's security interest in any Trademarks pursuant to the Security Agreement, the Agent shall execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in such Trademarks under this Agreement.

SECTION 5. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing and delivering one or more counterparts.

SECTION 6. Amendment and Restatement. The terms and conditions of the Existing Trademark Security Agreement are amended as set forth in, and restated in their entirety and superseded by, this Agreement. Nothing in this Agreement shall be deemed to be or constitute a novation of any of the security interests or liens existing under the Existing Trademark Security Agreement. This Agreement renews, extends and continues the security interests and liens existing under the Existing Trademark Security Agreement and constitutes the complete agreement between the parties with respect to the subject matter hereof.
