GENERAL TRADEMARK ASSIGNMENT AGREEMENT

This AGREEMENT made as of this 8th day of January, 2008, between Daramic, LLC, a Delaware limited liability company located at 11430 North Community Road, Suite 350, Charlotte, North Carolina 28277 (hereinafter the "Assignor") as the registered proprietor of trademarks in the jurisdictions set forth on the attached Schedule A (hereinafter the "Trademarks") and PPG INDUSTRIES OHIO, INC., a Delaware corporation, located at 3800 West 143rd Street, Cleveland, Ohio 44111, United States of America (hereinafter the "Assignee").

WITNESSETH:

WHEREAS, Assignor and PPG Industries, Inc. entered into an Asset Purchase Agreement dated January 8, 2008 (hereinafter the "Purchase Agreement");

WHEREAS, Assignor is the owner of the Trademarks set forth on the attached Schedule A, and

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Trademarks together with the goodwill of the business with which the Trademarks are used and which is symbolized by the Trademarks;

NOW, THEREFORE, in consideration of the Purchase Agreement and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

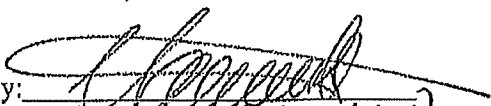

1. Assignor, by these presents, hereby sells, assigns, transfers and conveys unto the said Assignee, its successors and assigns, all of Assignor's right, title and interest, including any and all common law rights, in and to the Trademarks together with their corresponding registrations and applications and with the goodwill of the business of the Assignor connected with the use of, as well as symbolized by, the aforesaid Trademarks, including the right to sue and prosecute prior infringements in court and administratively. The Assignee shall therefore have the right, from today on, to consider itself the sole owner of the Trademarks, to use them as Trademarks of its own or else to dispose of them as best suits its interest, without giving rise to any claim whatsoever in this respect on the part of the Assignor in any event or at any time.
2. Assignor agrees to thereafter recognize Assignee's sole and exclusive ownership, right, title and interest in and to the Trademarks. The Assignor shall not directly or indirectly challenge the ownership by the Assignee of the Trademarks, or claim adversely to Assignee any right, title and interest in and to the Trademarks and the Assignor agrees to furnish, upon the request of the Assignee, a written consent in support of any applications which may be filed by the Assignee.

CLT 1111683v2

3. The Assignor hereby agrees to execute specific confirmatory assignment and other supplementary documents (as may be required) in favor of the Assignee for each of the countries in which there are Trademarks recited in the attached Schedule A in order to effectuate recordal of the assignment of the aforesaid Trademarks on the Registers of the countries recited in the attached Schedule A.
4. Assignor, at the request of Assignee and at Assignee's expense, further agrees to cooperate and assist Assignee in any legal requirements relating to the status, validity or enforceability of the Trademarks, including providing Assignee with any information regarding use of the Trademarks in connection with the prior manufacture, promotion, sale and advertising of any products bearing the Trademarks.
5. Assignor agrees to provide to Assignee any documentation, correspondence and files in its possession relating to the Trademarks and will, as necessary, instruct its attorneys to transfer all such files, documentation and correspondence which are not privileged, including any and all original Certificates of Registrations to the Assignee or its attorneys.
6. All costs of recording assignments shall be borne by Assignee. Assignor agrees that, from time to time at Assignee's expense, it will promptly execute and deliver all instruments and documents, which may be reasonably necessary or desirable, in order to perfect the transfer of the Trademarks.
7. This assignment shall extend to and be binding upon all successors, licensees and assigns of the parties hereto.
8. In the event any provision of this Agreement is declared void or unenforceable by any judicial or administrative authority, this shall not in and of itself nullify the remaining provisions of this Agreement unless Assignor, in Assignor's discretion, decides that such declaration adversely affects the original intent of the parties.
9. This Agreement represents the entire agreement of the parties.
10. Any waiver by Assignor or Assignee of a breach of any term or condition of this Agreement shall not be considered as a waiver of any subsequent breach of the same or any other term or condition hereof.
