TRADEMARK ASSIGNMENT

WHEREAS, Siemens Communications, Inc., a corporation organized and existing under the laws of Delaware ("Assignor"), has adopted, owns, and is using the trademark listed in Schedule A attached hereto in connection with the goods identified therein (the "Mark"); and

WHEREAS, Assignor owns federal registrations for the Mark on the Principal Register of the United States Patent and Trademark Office; and

WHEREAS, GENBAND INC., a corporation organized and existing under the laws of the state of Delaware, having a principal place of business at 3701 W. Plano Parkway Suite 200, Plano, Texas 75075 USA ("Assignee"), desires to acquire the Mark and registration;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee all right, title and interest in and to the Mark, together with the goodwill symbolized by the Marks and the registration thereof, effective as of September 29, 2006. in the United States and throughout the world, together with the goodwill, and the right to renew and extend the trademark registrations and to be held and enjoyed by Assignee for its own use and benefit and for the use and benefit of its successors, assigns and legal representatives, to be used as fully and entirely as said rights would have been held and enjoyed by Assignor had this assignment and sale not been made, together with all claims for damage by reason of past, present, and future infringement of said Trademark, with the right to sue and collect the same for its own use or for the use of its successors, assigns or other legal representatives.

Assignor hereby requests and authorizes the Commissioner of Patents and Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office, as well as the corresponding offices of countries foreign to the United States, to transfer all registrations and applications for the Trademark to, and to record, Assignee as assignee and owner of the entire right, title and interest therein or otherwise as Assignee may direct, in accordance with this instrument of assignment, and to issue to Assignee, and to record Assignee as assignee and owner of, all registrations which may issue with respect to any applications for trademarks or service marks included in the Trademark, in accordance with this instrument of assignment.
