PLAIN ENGLISH INTELLECTUAL PROPERTY SECURITY AGREEMENT

This is a Plain English Intellectual Property Security Agreement (this "Agreement") dated February 29, 2008 by and between TRIPLEPOINT CAPITAL LLC, a Delaware limited liability company and JOHNSON MARKETING GROUP, INC., a Nevada corporation.

The words "We", "Us", or "Our", refer to the grantee, which is TriplePoint Capital LLC. The words "You" or "Your" refer to the grantor, which is Johnson Marketing Group, Inc. and not any individual. The words "the Parties" refers to both TriplePoint Capital LLC and Johnson Marketing Group, Inc.. All the capitalized terms used, but not otherwise defined herein, are used in this Agreement with the same meaning as defined in the Loan Agreement (as defined below); provided that, as used herein, references to "You" and "Your" in the defined terms "Patents", "Patent Licenses", "Trademarks", "Trademark Licenses", "Copyrights" and "Copyright Licenses" shall mean and refer to Johnson Marketing Group, Inc..

We have entered into a Plain English Growth Capital Loan and Security Agreement with Intelligent Beauty, Inc., a Delaware corporation, and Dermstore LLC, a Delaware limited liability company (together, the "Borrowers"), dated as of the date hereof (together with amendments, supplements, extensions and exhibits, collectively the "Loan Agreement"). You have guaranteed all of the obligations of the Borrowers under the Loan Agreement and otherwise pursuant to a Plain English Continuing Guaranty, dated as of the date hereof, in favor of Us (the "Guaranty") which Guaranty is secured by a security interest in substantially all of Your assets pursuant to, among other things, a Plain English Security Agreement dated as of the date hereof, by and among You, Us and the other guarantors party thereto (the "Security Agreement"). Pursuant to the Security Agreement, You have granted to Us a lien on and a security interest in all the present and future rights, title, and interest that You may now have or hereafter acquire in all Patents, Trademarks, and Copyrights.

In consideration for the mutual covenants and agreements contained in the Guaranty, the Security Agreement and this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Parties agree as follows:

1. GRANT OF SECURITY INTEREST

You grant to Us a lien upon and continuing security interest in all of Your right, title, and interest in, to and under all of the following (all of the following items of property collectively will be referred to as the "Intellectual Property Collateral"), whether now existing or hereafter arising or acquired:

- ⇒ all Patents and Patent Licenses, including specifically those listed on the attached **Schedule A**;
- ⇒ all Trademarks and Trademark Licenses, including specifically those listed on the attached **Schedule B**;
- ⇒ all Copyrights and Copyright Licenses, including specifically those listed on the attached **Schedule C**;
- ⇒ the right to sue for past, present and future infringements of the foregoing and all rights corresponding thereto throughout the world; and
- ⇒ all Proceeds.

You represent and warrant to Us that Schedules A, B, and C attached hereto set forth any and all Intellectual Property Collateral that You own or control, including (a) rights in any issued Patent, registered Trademark, or registered Copyright or (b) rights in an application filed with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

This security interest is granted to secure the Secured Obligations as that term is defined in the Security Agreement.

2. RESERVED

[Reserved]

3. OUR RIGHT TO SUE

From and after an Event of Default and while it is continuing, subject to the terms of the Security Agreement, We shall have the right, but shall in no way be obligated, to bring suit in Our own name to enforce Your rights in the Intellectual Property Collateral. If We commence any such suit, You shall, at Our request, do all lawful acts and execute and deliver all proper documents or information that may be necessary or desirable to aid Us in such enforcement. You shall promptly, upon demand, reimburse and indemnify Us for all of Our costs and expenses, including reasonable attorneys' fees, related to Our exercise of the above mentioned rights.

4. FURTHER ASSURANCES

You will from time to time execute, deliver and file, alone or with Us, any security agreements, or other documents to perfect and give priority to Our lien on the Intellectual Property Collateral. You will from time to time obtain any instruments or documents as We may reasonably request, and take all further action that may be reasonably necessary or desirable, or that We may request, to carry out more effectively the provisions and purposes of this Agreement or any other related agreements or to confirm, perfect, preserve and protect the liens granted to Us.

5. MODIFICATION

This Agreement can only be altered, amended or modified in a writing signed by the Parties. Notwithstanding the foregoing however, You hereby irrevocably appoint Us (and any of Our designated officers, agents or employees) as Your true and lawful attorney to modify, in Our sole discretion, this Agreement without first obtaining Your approval of or signature to such modification by amending Schedules A, B, and C to this Agreement, as appropriate, to include reference to any right, title or interest in any Intellectual Property Collateral acquired by You before or after the execution hereof or to delete any reference to any right, title or interest in any Intellectual Property Collateral in which You no longer have or claim to have any right, title or interest. The appointment of Us as Your attorney in fact, and each and every one of Our rights and powers, being coupled with an interest, is irrevocable.

6. BINDING EFFECT; REMEDIES NOT EXCLUSIVE

This Agreement shall be binding upon You and Your respective successors and assigns, and shall inure to the benefit of Us, and Our nominees and assigns.

Our rights and remedies with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement, the Security Agreement and the other Loan Documents, and those which are now or hereafter available to Us as a matter of law or equity. Each of Our rights, powers and remedies provided for herein or in the Loan Agreement, the Security Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Us of any one or more of the rights, powers or remedies provided for in this Agreement, the Loan Agreement, the Security Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Us, of any or all other rights, powers or remedies.

7. GOVERNING LAW; COUNTERPARTS

This Agreement shall be deemed made and accepted in and shall be governed by and construed in accordance with the laws of the State of California and (where applicable) the laws of the United States of America.

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.
