Assignment of Intellectual Property

This ASSIGNMENT OF INTELLECTUAL PROPERTY is made this 23rd day of March, 2007 (this "Assignment"), by **Lancaster Colony Corporation**, an Ohio corporation ("Assignor") to **Koneta, Inc.**, a Delaware corporation ("Assignee").

WHEREAS, pursuant to the terms of the Asset Purchase Agreement, dated as of March^o23, 2007 (the "Purchase Agreement"), between Assignor, Assignee and **Koneta, Inc.**, an Ohio corporation, Assignor agreed to sell, transfer, assign and deliver to Assignee all of Assignor's right, title and interest in and to the Business Intellectual Property (as defined in the Purchase Agreement), including the trademark registrations and applications for registration and Internet domain names set forth on Annex A hereto. Capitalized terms used but not defined in this Assignment shall have the meanings assigned to them in the Purchase Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants and agreements contained herein, and for other good and valuable consideration under the Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged by the Assignor, the Assignor does hereby sell, assign, transfer and deliver to Assignee all of Assignor's right, title and interest in and to:

(a) all the Business Intellectual Property (including the trademark registrations and applications for registration and Internet domain names set forth on Annex A hereto), including all common law and statutory right, title and interest therein, together with all goodwill associated with the business symbolized by the Business Intellectual Property and the portion of the transferred assets associated therewith;

(b) all rights to collect royalties, products and proceeds in connection with any of the foregoing;

(c) all rights in and under the Business Intellectual Property to the fullest extent allowed by law as fully as the Assignor would have held the same in the absence of this Assignment; and

(d) all rights to sue and recover damages and payments for past, present, and future infringement or misappropriation of any of the Business Intellectual Property.

Assignor shall give any written further assurance and execute such individual confirmatory assignment deeds, change of name or address certificates and any other instrument, document and agreement prepared by Assignee, at Assignee's expense, necessary or reasonably requested by Assignee to evidence and reflect the transaction described in this Assignment and for the effectuation or recordation of this Assignment.

This Assignment is irrevocable and shall be effective as of the date first above written.

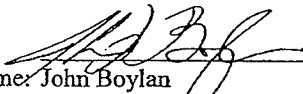

Assignor hereby authorizes the United States Patent and Trademark Office and/or any other appropriate U.S. or foreign governmental agency to deliver to Assignee, and to Assignee's attorneys, agents, successors or assigns, all official documents and communications as may be warranted by this Assignment.

Nothing in this Assignment shall be deemed to supersede, enlarge or modify any of the rights of the Assignee under the Purchase Agreement and other instruments of transfer delivered in connection with the Purchase Agreement. If any conflict exists between the terms of this Agreement and the terms of the Purchase Agreement, the terms of the Purchase Agreement shall govern and control.
