**ASSIGNMENT OF GRANT OF SECURITY INTEREST IN  
UNITED STATES TRADEMARKS AND PATENTS**

**ASSIGNMENT OF GRANT OF SECURITY INTEREST IN  
UNITED STATES TRADEMARKS AND PATENTS**, dated as of April 30, 2008 (this "Assignment"), among Deutsche Bank Trust Company Americas, as resigning Collateral Agent under the Original Credit Agreement (the "Resigning Agent"), Wilmington Trust Company, as successor Collateral Agent under the Original Credit Agreement (the "New Agent") and Wellman, Inc., MRF, Inc. and Fiber Industries, Inc., as Grantor (collectively, the "Grantor").

**WITNESSETH:**

WHEREAS, pursuant to the Second Lien Senior Credit Agreement, dated as of February 10, 2004 (the "Original Credit Agreement"), among the Grantor, the Subsidiary Guarantors party thereto, the Lenders party thereto (the "Lenders"), JPMorgan Chase Bank, as Syndication Agent, Deutsche Bank Securities Inc. and J.P. Morgan Securities Inc., as Joint Lead Arrangers and Joint Lead Bookrunners, General Electric Capital Corporation and ABN AMRO Bank N.V., as Co-Documentation Agents, and the Resigning Agent, as Administrative Agent and Collateral Agent, the Lenders have severally agreed to make extensions of credit to the Grantor upon the terms and subject to the conditions set forth therein;

WHEREAS, the Grantor is party to a Second Lien Security Agreement, dated as of February 10, 2004 (the "Security Agreement"), in favor of the Resigning Agent, as the original Collateral Agent pursuant to which the Grantor executed and delivered the Grant of Security Interest in United States Trademarks and Patents, dated as of February 10, 2004 (the "Trademark and Patent Security Agreement") and recorded with the Assignment Branch of the United States Patent and Trademark Office at Reel 015093, Frame 0705 on March 9, 2004 and at Reel 002924, Frame 0178 on March 9, 2004;

WHEREAS, pursuant to the Trademark and Patent Security Agreement, the Resigning Agent, as the original Collateral Agent, was granted, for the benefit of the Secured Parties, a lien on and security interest in all of the Grantor's right, title and interest in, to and under the Marks and Patents, as defined therein, including without limitation, those Marks and Patents identified in Schedule I attached hereto and thereto, together with the goodwill of the business symbolized by the Marks and Patents, and all proceeds of the foregoing ("Security Interest");

WHEREAS, pursuant to the Omnibus Amendment and Appointment and Acceptance, dated as of the date hereof (the "Omnibus Amendment"), among the Resigning Agent, the New Agent, the Required Lenders (as defined in the Original Credit Agreement), the Grantor, and the Subsidiary Guarantors, the Original Credit Agreement has been amended to reflect the appointment of the New Agent as successor Administrative Agent and Collateral Agent; and

WHEREAS, in furtherance of the New Agent's replacement of the Resigning Agent as the Administrative Agent and Collateral Agent under the Original Credit Agreement, as amended by the Omnibus Amendment (collectively, the "Credit Agreement"), the New Agent is

desirous of acquiring and the Resigning Agent is desirous of assigning all of its right, title and interest in, to and under the Trademark and Patent Security Agreement, including without limitation the Security Interest, and all documents relating thereto.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Resigning Agent, the New Agent and the Grantor hereby covenant and agree as follows:

**1. Defined Terms**

Unless otherwise defined herein, terms defined in the Credit Agreement, the Security Agreement or the Trademark and Patent Security Agreement and used herein have the meaning given to them in the Credit Agreement, the Security Agreement or the Trademark and Patent Security Agreement, respectively.

**2. Assignment of Trademark and Patent Security Agreement**

The Resigning Agent hereby assigns, transfers and conveys to New Agent all of its right, title and interest in, to and under the Trademark and Patent Security Agreement, including without limitation the Security Interest, and all documents relating thereto, including specifically and without limitation any lien on or security interest in all of each Grantor's right, title and interest in, to and under all of the Marks and Patents, including without limitation, those Marks and Patents identified in Schedule I attached hereto and thereto, together with the goodwill of the business symbolized by the Trademarks, and all proceeds of the foregoing.

The New Agent hereby accepts the foregoing assignment.

**3. Security Agreement**

The security interest granted to the Resigning Agent as the original Collateral Agent pursuant to the Trademark and Patent Security Agreement, and assigned to the New Agent as the new Collateral Agent pursuant to this Assignment, is granted and assigned in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement, and the Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Marks and Patents made and granted by the Trademark and Patent Security Agreement and assigned hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

**4. Recordation**

The parties hereto authorize and request the Commissioner of Patents and Trademarks of the United States and/or any equivalent State Official to record this Assignment against the Trademarks identified on Schedule I attached hereto.

**5. Counterparts**

This Assignment may be executed in multiple counterparts, each of which shall

be considered an original but all of which shall constitute one agreement.

IN WITNESS WHEREOF, the undersigned have executed this Assignment as of the date first set forth above.

DEUTSCHE BANK TRUST COMPANY  
AMERICAS,  
as Resigning Agent
