RECORDATION ASSIGNMENT

This Assignment (the "Agreement"), effective as of the 2nd of May, 2008 (the "Effective Date"), is entered into among JUST SERVICE, INC., an Illinois corporation ("Opposer") and BOUNTYJOBS, INC., a Delaware corporation ("Assignee").

WHEREAS, Opposer owns all rights to BOUNTY WORK ("Mark"); and

WHEREAS, Assignee desires to acquire said Mark and the goodwill associated therewith;

NOW, THEREFORE, in consideration of the premises and the mutual covenants hereinafter set forth, the parties agree as follows:

- 1) For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor assigns to Assignee all right, title and interest in and to (i) Trademark Registration Application SN 77/111567; and (ii) the BOUNTY WORK trademark, and the business related thereto and all good will or causes of action associated with all of them and arising there from or relating thereto (including, without limitation, the right to sue and recover for past infringement).
- 2) This Agreement shall be construed in accordance with the laws of the State of Illinois, without regard to its principles of the conflict of laws.
- 3) This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same agreement. Executed counterparts delivered by e-mail or facsimile transmission shall have the same force and effect as counterparts bearing original signatures.
- 4) If any dispute arises concerning the meaning or construction of any term or terms of this Agreement, no part or term of this Agreement shall be construed for or against any Party as a drafting Party. The Parties hereto recognize that the drafting of this Agreement was the joint effort of counsel of the Parties to the Agreement. The provisions of this Agreement are severable. If any provision of this Agreement is declared to be void or unenforceable, then the remaining provisions shall nevertheless continue in force and effect and the defective provision shall be amended so as to be valid and enforceable and to as nearly as possible reflect the intent of the Parties. The Parties agree, however, not to challenge the enforceability of any provision herein.
