ASSIGNMENT

Serial No.: 12/074,349

Filed: March 3, 2008

Inventor(s): Mark A. Smith, James Richards and Loren Brelje

Title: **CHILD RESISTANT CLOSURE FOR A TAP**

For and in consideration of One Dollar (\$1.00) to me in hand paid, and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged and confessed, I, Mark A. Smith, as President of **Rapak, LLC**, duly authorized to act on its behalf, hereby sell, assign, transfer and set over unto **DS Smith Plastics Limited**, a corporation incorporated in England, having an office and place of business at 4-16 Artillery Row, London; the entire right, title and interest in and to the invention entitled "**CHILD RESISTANT CLOSURE FOR A TAP**" as set forth in the application for United States Letters Patent therefor, and in and to the United States Letters Patent therefor, when issued, together with all improvements thereon and betterments thereof, all divisions, continuations, reexams and reissues thereof and substitutions of or for said application, and all foreign rights including the right to make application for Letters Patent for said invention in any and all foreign countries and the right to claim priority as to filing date under the International Convention on the basis of the aforesaid application for United States Letters Patent; and I hereby authorize and direct the Commissioner of Patents to issue the patent for said inventions when granted in accordance with this assignment and sale.

For the same consideration, I hereby agree, on behalf of **Rapak, LLC**, that I will promptly communicate to the aforesaid assignee or its assigns, full and complete information concerning said improvements or betterments of the inventions disclosed in said application, and I will cooperate at any time upon request of said assignee or its assigns, at its or their expense, in the procurement of patent protection to cover the inventions herein assigned and to be assigned, including the execution of new, divisional, continuing and reissue applications; I will make all rightful oaths, will testify in any proceedings in the United States Patent Office or in the Courts, and generally will do everything lawfully possible to aid said assignee, its successors, assigns and nominees to obtain, enjoy and enforce proper patent protection for the inventions embraced within the terms of this document.
