ASSIGNMENT OF INTELLECTUAL PROPERTY ASSETS

DBI Remediation Products, LLC, a limited liability company organized under the laws of Indiana ("**Assignor**"), for good and valuable consideration paid by **Carus Corporation**, a corporation organized under the laws of Delaware ("**Assignee**"), the receipt and sufficiency of which is hereby acknowledged, hereby conveys, transfers and assigns to Assignee, its successors and assigns, any and all of its right, title and interest in and to any and all of the Purchased Intellectual Property, that it may have that are part of the Purchased Assets, as such term is defined in that Asset Purchase Agreement dated April 18, 2008 (the "**Asset Purchase Agreement**") by and among Assignor, Assignee, Steven R. Irvin and James D. Bryant, together with the goodwill associated with the use of such Purchased Intellectual Property, specifically including those Purchased Intellectual Property listed on **Schedule 1** attached hereto, and with regard to any Patents, as that term is defined in the Intellectual Property Purchase Agreement, the inventions disclosed and claimed therein, the resultant Patent or Patents for said inventions, and any renewals, reissues, extensions, substitutions, continuations or divisions thereof, continuations-in-part thereof, including all rights to enforce, apply for, and obtain Patents therefor in all foreign countries, is hereby sold, assigned and transferred. These Purchased Intellectual Property include the right to file any additional applications for industrial property protection, including, without limitation, all further applications for patents which may hereafter be filed based on any of the Purchased Intellectual Property listed on **Schedule 1** in any country and the right to claim for the same the priority rights derived from any of those Purchased Intellectual Property under the applicable laws, conventions, treaties or international agreements of the country in which any such application is to be filed.

To the extent any Purchased Intellectual Property is not immediately assignable, and to the extent any such rights are created in the future with respect to the aforementioned rights, Assignor shall fully identify and describe each such asset and use its best efforts to: (i) provide Assignee the benefits of any such rights, and hold same in trust for Assignee without additional compensation therefore; and (ii) cooperate in any reasonable and lawful arrangement designed to provide such benefits and rights to Assignee, without additional compensation therefor.

Upon the Assignee's request at any time and from time to time, the Assignor shall execute and deliver to the Assignee such additional instruments as the Assignee deems necessary to vest the Assignee with the sole ownership of exclusive worldwide rights in and to all such Purchased Intellectual Property and to perfect or record the transfer of the Purchased Intellectual Property in the United States Patent and Trademark Office or any other recording office where such recordings are properly made. Assignor further authorizes the attorneys of Winston & Strawn LLP to execute any documents necessary to complete, perfect, or effect transfer of any Purchased Intellectual Property specifically identified on the attached Schedule or derivable therefrom.

Assignor hereby constitutes and appoints Assignee the true and lawful attorney of such Assignor, with full power of substitution, in the name of Assignor or Assignee, but on behalf of and for the benefit of Assignee: (a) to demand and receive from time to time any and all of the Purchased Intellectual Property and to make endorsements and give receipts and releases for and in respect of the same and any part thereof; (b) to institute, prosecute, compromise and settle any and

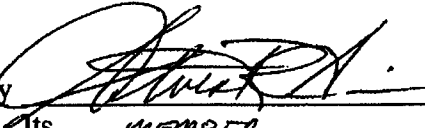

all actions or proceedings that Assignee may deem proper in order to collect, assert or enforce any claim, right or title of any kind in or to the Purchased Intellectual Property; (c) to defend or compromise any or all actions or proceedings in respect of any of the Purchased Intellectual Property; and (d) to do all such acts and things in relation to the matters set forth in the preceding clauses (a) through (c) as Assignee shall deem desirable. Assignor hereby acknowledges that the appointment hereby made and the powers hereby granted are coupled with an interest and are not and shall not be revocable by it in any manner or for any reason.
