C. The Grantor has granted to the Lender continuing security interests in and Liens upon all of the Intellectual Property Collateral of the Grantor pursuant to and upon the terms and conditions contained in the Loan Agreement and in the Security Agreement, dated as of September 25, 2007, by and between the Grantor and the Lender (as amended, modified, supplemented or restated and in effect from time to time, the "**Security Agreement**").

D. Upon the terms contained in the Loan Agreement and also the Security Agreement, the Grantor has agreed to execute and deliver to the Lender this Supplemental Intellectual Property Security Agreement, which is supplemental to the Loan Agreement, the Security Agreement and also that certain Intellectual Property Security Agreement, dated as of September 25, 2007, between the Grantor and the Lender (the "**First IP Security Agreement**").

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby absolutely, unconditionally and irrevocably agrees with the Lender as follows:

1. **Definitions.** All capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Security Agreement or, if not defined therein, then in the Loan Agreement, and the following terms shall have (unless otherwise provided elsewhere in this Supplemental Intellectual Property Security Agreement) the following respective meanings (such meanings being equally applicable to both the singular and plural forms of the terms defined):

(a) **“Intellectual Property Collateral”** shall mean all of the rights, title and interests of the Grantor in, to and under all of the following, whether presently existing or at any time or from time to time hereafter created, arising or acquired:

- (i) all of its Trademarks referred to in Schedule I hereto;
- (ii) all of its Copyrights referred to in Schedule II hereto;
- (iii) all goodwill of the businesses of the Grantor connected with the use of, or otherwise symbolized by, each of such Trademarks and Copyrights; and

(b) **“Loan Agreement”**, **“Security Agreement”** and **“First IP Security Agreement”** shall have the meanings given to such terms in the Statement of Facts above.

(c) **“Loan Obligations”** shall mean any and all of the Obligations (as that term is defined in the Loan Agreement).

All other terms contained in this Supplemental Intellectual Property Security Agreement shall, unless the context shall indicate otherwise, have the meanings provided for by the U.C.C. to the extent that such other terms are used or defined therein and are not otherwise defined in the Loan Agreement. References to the Loan Agreement or to the Security Agreement include any amendment, modification, supplement, restatement, replacement or refinancing (in whole or in part) thereof, whether by way of increase or reduction to any of the Commitments or the principal amount of any of the Advances, addition or elimination of any credit facilities thereunder, extension of any term, addition or deletion of any party thereto, or otherwise.

2. **Grant of Security Interests.** To secure the prompt and complete payment and performance of all and each of the Loan Obligations, as and when the same shall become due and payable, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including the payment of amounts that would become due and payable but for the operation of the automatic stay under the Bankruptcy Code), the Grantor hereby grants to the Lender a continuing security interest in and Lien upon all of the rights, title and interests of the Grantor to, in and under the Intellectual Property Collateral.

3. **Security Agreement.** The security interests and Liens granted by the Grantor to the Lender pursuant to this Supplemental Intellectual Property Security Agreement are granted in conjunction with the security interests and Liens granted by the Grantor to the Lender pursuant to the Loan Agreement, the Security Agreement and the First Intellectual Property Security Agreement. In the event of any inconsistency between the terms and conditions of this Supplemental Intellectual Property Security Agreement and the Loan Agreement and the Security Agreement, then the terms and conditions of the Loan Agreement and the Security Agreement shall prevail.

4. **Reinstatement.** This Supplemental Intellectual Property Security Agreement shall remain in full force and effect and continue to be effective in the event that any petition shall be filed by or against the Grantor for liquidation or reorganization, should the Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of the Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Loan Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Loan Obligations shall be reinstated and shall be deemed reduced only by such amount paid in cash and not so rescinded, reduced, restored or returned.
